**Bay Area Housing Authority (BAHA) Resolution No. 40. Delegation of Authority
Regarding Settlement of Claims and Lawsuits and Contracts for Legal Services**

Subject:

A request that the Bay Area Housing Authority (BAHA) approve BAHA Resolution No. 40, authorizing: 1) General Counsel or designee to allow, compromise, or settle claims and actions against the local public entity and execute any resulting agreement, provided the amount to be paid pursuant to the agreement to accept, compromise or settle does not exceed fifty thousand dollars (\$50,000); 2) the Chief Financial Officer or designee to make payment on said allowance, compromise or settlement, upon request by General Counsel or designee; 3) the General Counsel or designee to negotiate and execute agreements for legal services in an amount not to exceed the General Counsel's delegated authority as set forth in Metropolitan Transportation Commission Resolution No. 4546; and 4) directs General Counsel to report to BAHA any action taken under the authority of the proposed resolution.

Background:

Government Code section 935.4 authorizes a public entity to authorize an employee to allow, compromise, or settle a claim against the local public entity if the amount to be paid pursuant to the acceptance, compromise or settlement does not exceed fifty thousand dollars (\$50,000).

Government Code section 949 allows a public entity to delegate the authority to settle a legal action. Upon written order from the authorized employee, the fiscal officer is to pay the amount as required by the allowance, compromise or settlement of the claim or action. Claims or actions above fifty thousand dollars (\$50,000) require action by the Commission to allow, settle, or compromise the claim. The best practice is to have a separate resolution governing settlement and payment of claims and actions. Since the Office of General Counsel oversees and manages claims and actions, staff recommends delegating such authority to the General Counsel. The Chief Financial Officer should be authorized to make payment on any settlement agreement that does not exceed fifty thousand dollars (\$50,000) upon request by the General Counsel. Finally, staff recommends authorizing the General Counsel to execute legal service agreements in an amount not to exceed the Executive Director's authority for executing contracts, which is currently two hundred thousand dollars (\$200,000) as set forth in BAHA Resolution No.1 (and

see also BATA Resolution No. 46), and in an amount not to exceed the General Counsel's authority for executing legal service contracts as set forth in Metropolitan Transportation Commission Resolution No. 4546, which is also two hundred thousand dollars (\$200,000). Outside legal counsel serves as an extension of the Office of General Counsel, and to ensure no inadvertent waiver of the attorney work product doctrine, the General Counsel should retain outside legal services. General Counsel will report to the Authority on a quarterly basis any action taken under the proposed resolution. For any contracts or amendments that would exceed the delegated authority, the General Counsel will seek authority from BAHA prior to executing the contract or amendment.

Issues: None.

Recommendations:

Staff recommends that the Authority approve BAHA Resolution No. 40 for approval, authorizing: 1) General Counsel or designee to allow, compromise, or settle claims and actions against the local public entity and execute any resulting agreement, provided the amount to be paid pursuant to the agreement to accept, compromise or settle does not exceed fifty thousand dollars (\$50,000); 2) the Chief Financial Officer or designee to make payment on said allowance, compromise or settlement, and 3) the General Counsel or designee to negotiate and execute agreements for legal services in an amount to exceed the General Counsel's delegated authority as set forth in Metropolitan Transportation Commission Resolution No. 4546; and 4) directs the General Counsel to report any action taken under the authority of the proposed resolution to BAHA.
