
Transit Transformation Action Plan Overview

Subject:

Background, context and overview of the outcomes and actions outlined in the Transit Transformation Action Plan.

Background:

The Blue Ribbon Transit Recovery Task Force’s 27-point Transit Transformation Action Plan (2021) sets a course for accelerating the Bay Area’s transit network transformation in tandem with recovery actions that are on-going in the wake of the pandemic. Staff and our transit partners are proceeding with implementation, with a focus on several accelerated actions. Staff will present an overview of the Action Plan at your September 30, 2022, meeting. Action Plan updates will be presented at subsequent Policy Advisory Council Transit Transformation Action Plan Subcommittee meetings.
