

West Oakland Link Project

Bay Area Toll Authority Oversight Committee
January 11, 2023

Bay Skyway & West Oakland Link

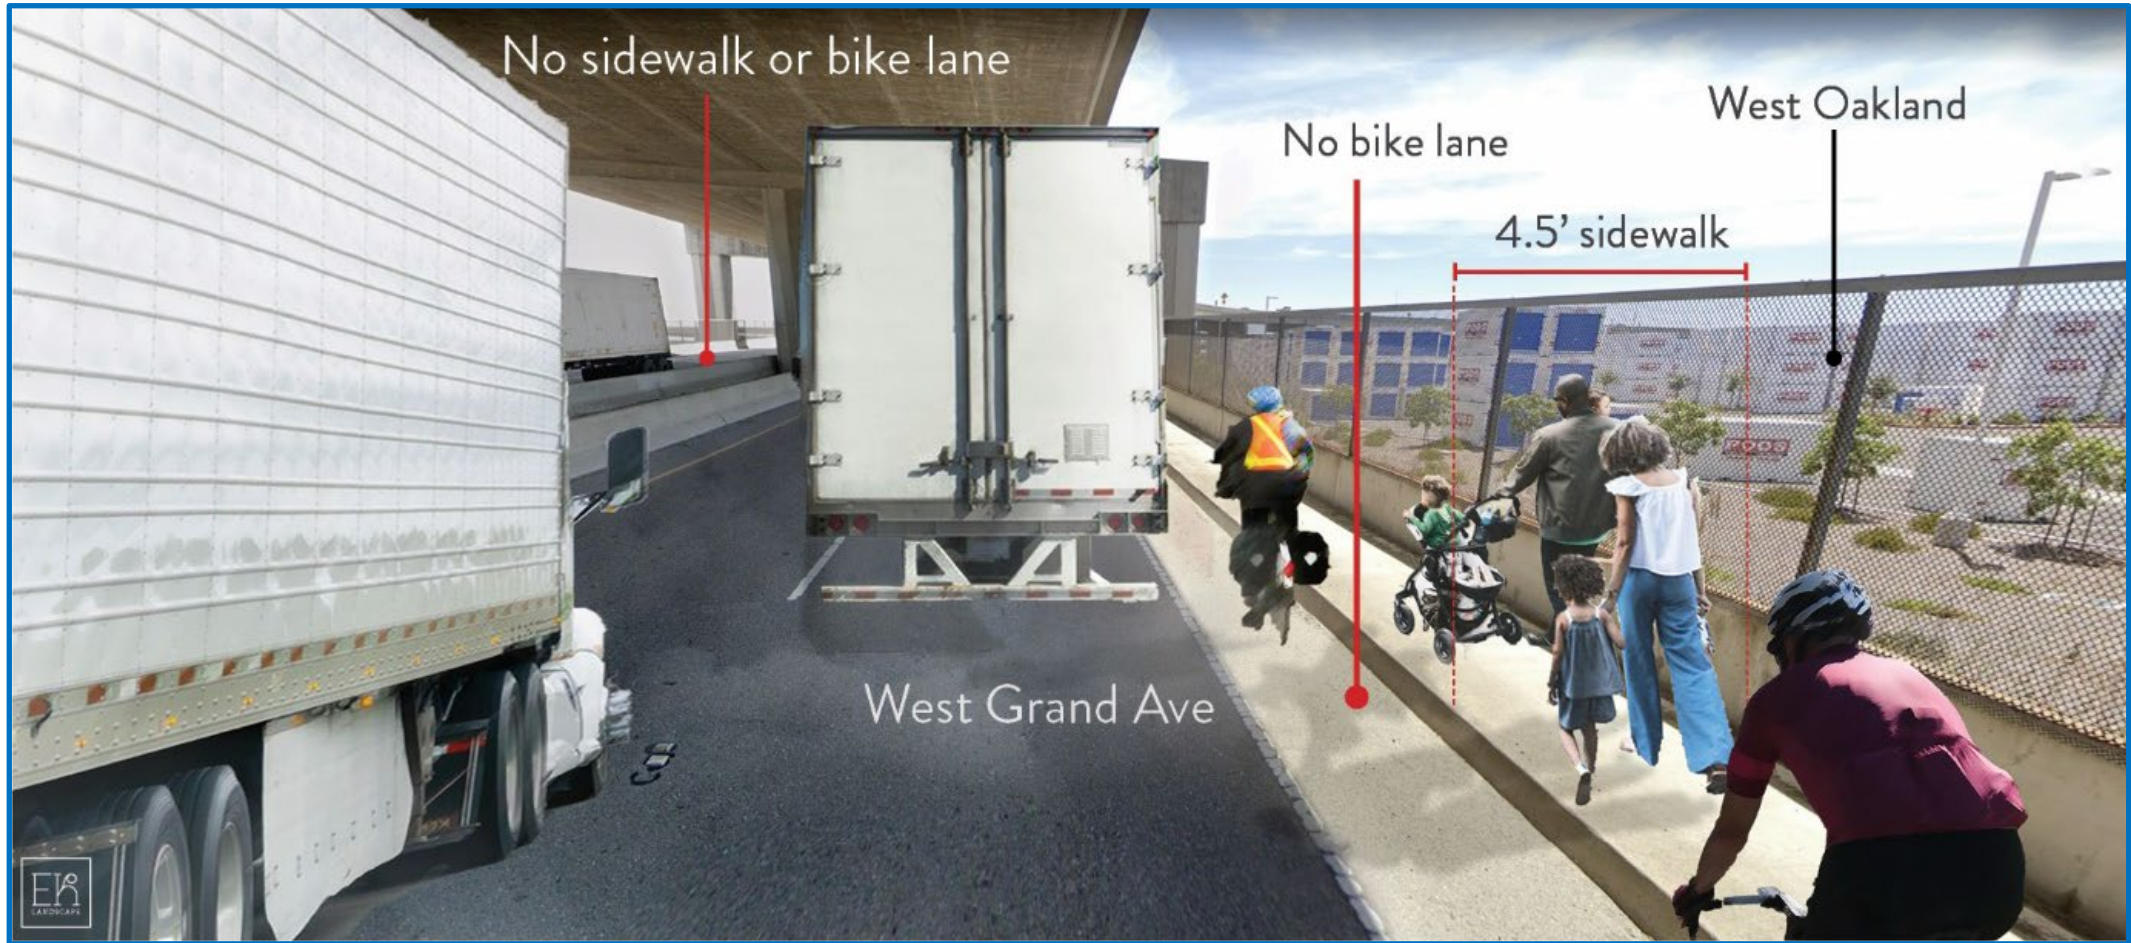

West Oakland Link

Separated, elevated low-stress connection for bicyclists and pedestrians for travel between West Oakland and the Bay Bridge Trail.

- Family-Friendly Bike/Ped Connection between Oakland, Treasure Island, and eventually San Francisco
- Improve Shoreline and Recreational Access for West Oakland Residents

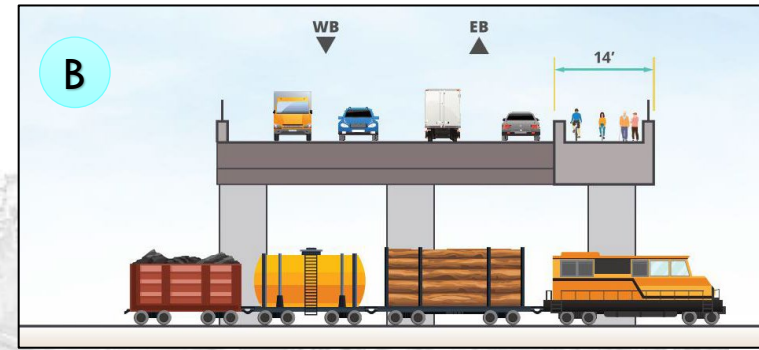

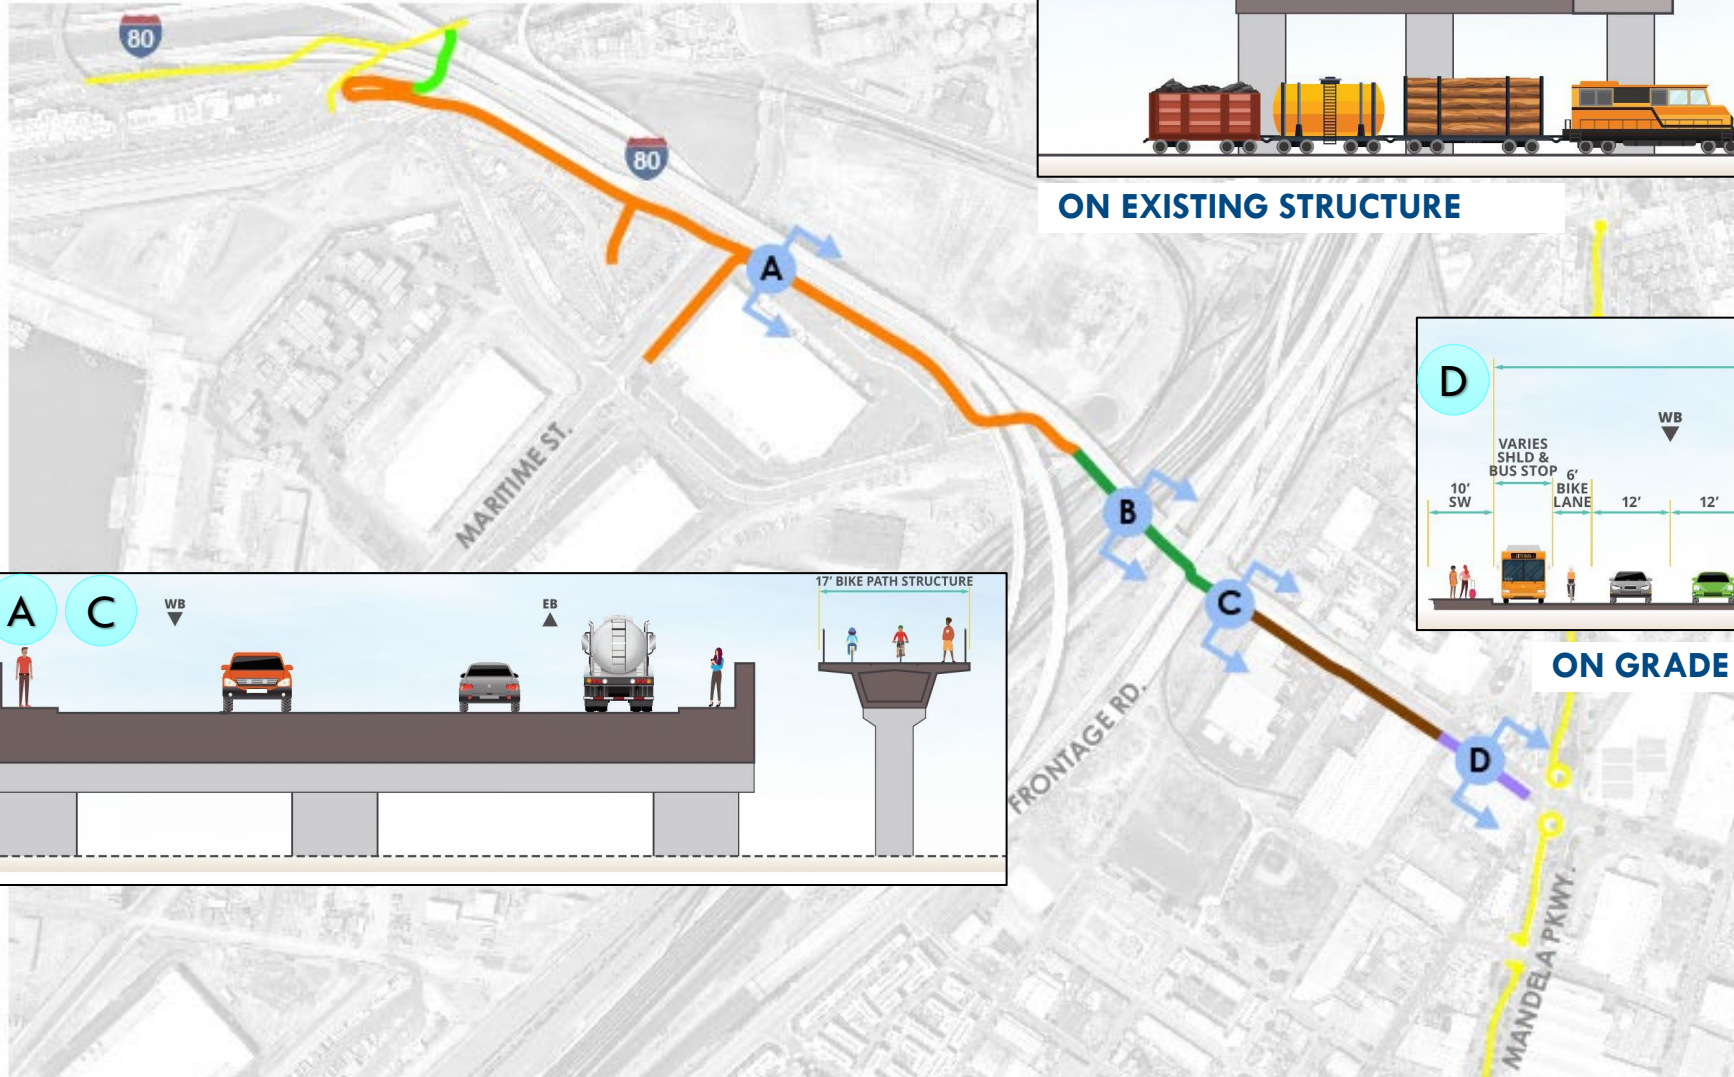

CURRENT CONDITIONS: West Grand Ave

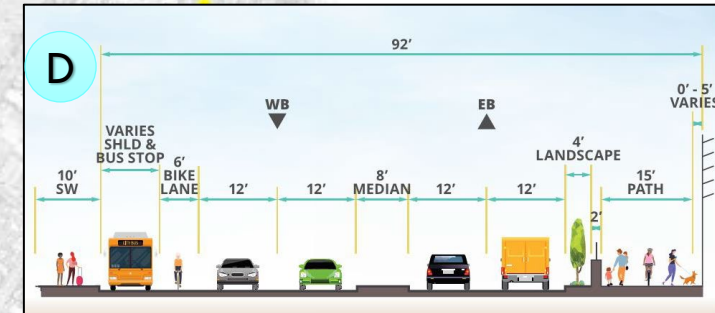

Future

ON EXISTING STRUCTURE

ON GRADE CONDITION

*Project may be phased depending on funding availability

Community Engagement

- DRAFT Initial Study/ Mitigated Negative Declaration (IS/MND) Published June 15, 2022
 - Public Comment Period from June 15, 2022 – July 14, 2022
- Hosted community meeting on IS/MND on June 29th
- Additional Community Engagement with Community Based Organizations
 - Prescott Neighborhood Council
 - West Oakland Neighbors
 - West Oakland Environmental Indicators Project

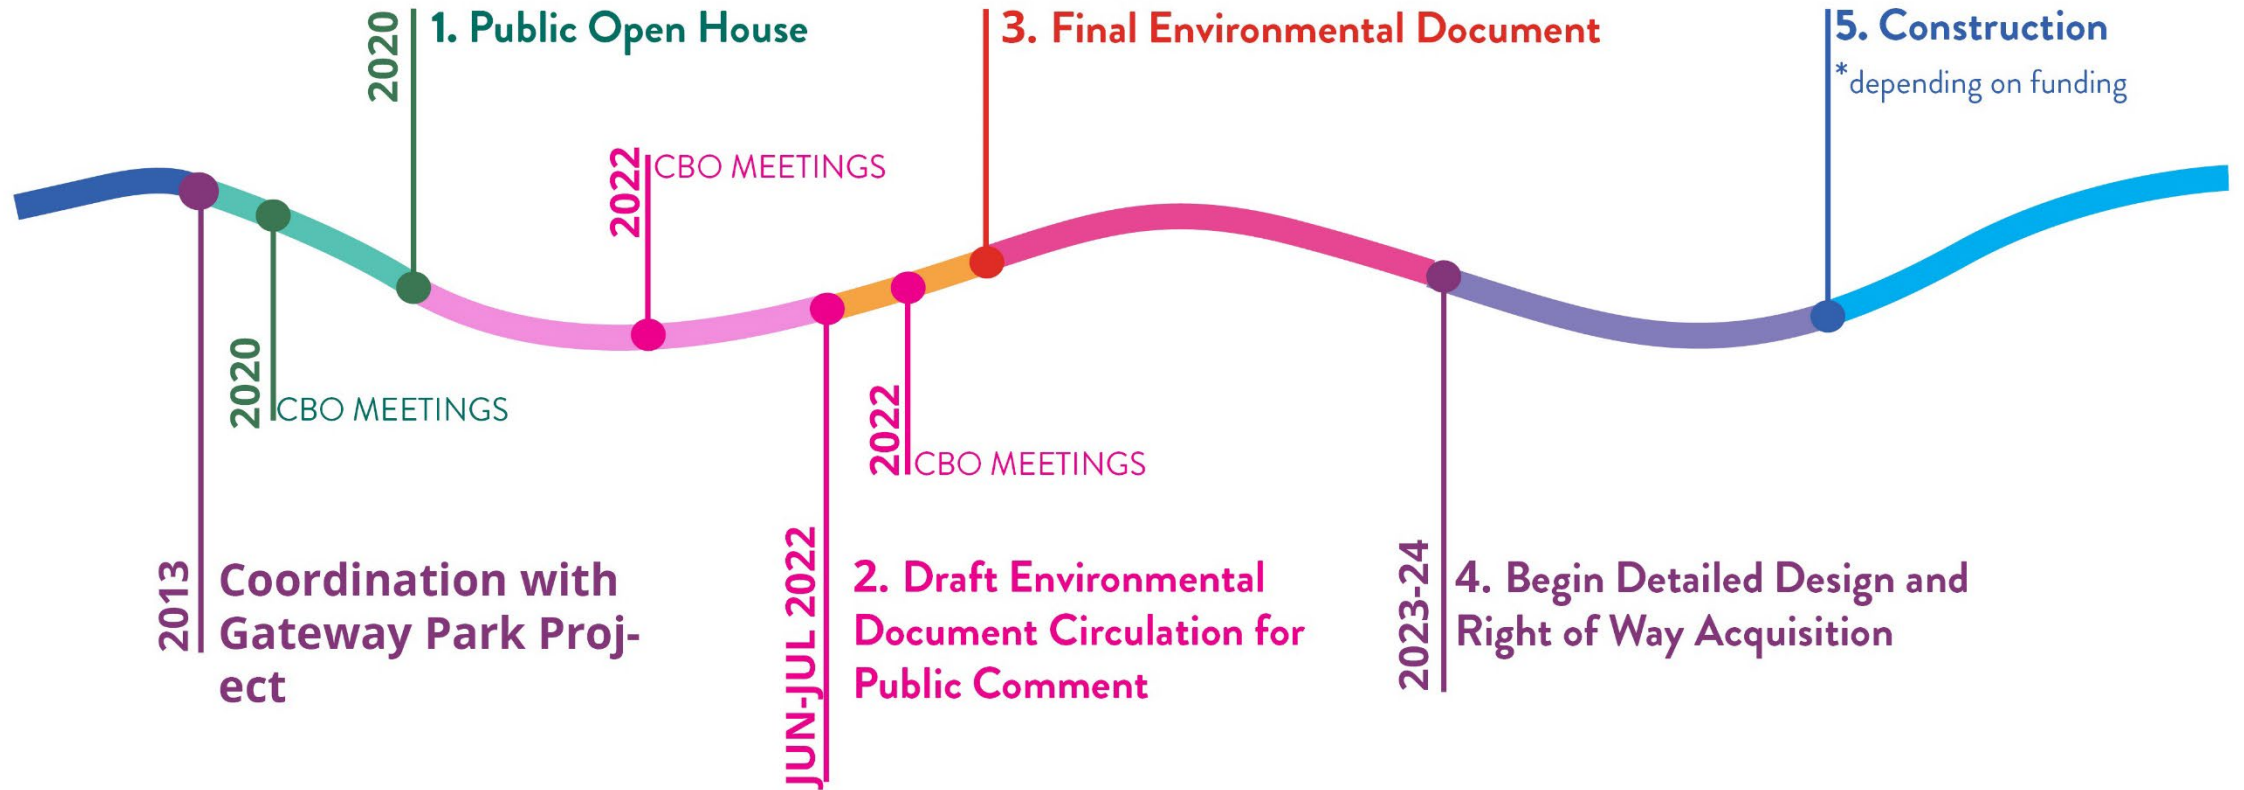

California Environmental Quality Act (CEQA)

The Final IS/MND responds to comments received during the public comment period.

No significant new information or significant environmental impacts were added that would trigger recirculation under the CEQA; the project will avoid or mitigate environmental impacts to a point where no significant impacts on the environment would occur.

West Oakland Link Implementation schedule

(subject to change)

*CBO Meetings = Community Based Organizations Meetings
