Agenda Item 13d - 23-0251

MTC Resolution No. 4505, Revised – Additional Revision

Subject:

Additional revision the One Bay Area Grant program (OBAG 3) to reflect the proposed scope of work for MTC's ongoing Regional Carpool/Vanpool Program.

Background:

Revisions to the OBAG 3 program, MTC Resolution No. 4505, were presented to the Programming and Allocations Committee on February 8, 2023 and referred to the full Commission for approval.

MTC staff is preparing to obligate federal funds for continued operation of the vanpool component of the Regional Carpool/Vanpool Program. However, the inclusion of vanpool in the program is not apparent in the resolution as currently adopted. Revising the resolution this month to clarify the vanpool component of the proposed scope, allows staff to access funding in a timely manner and without undue interruption to vanpool operations this spring. There is no change to the Regional Carpool/Vanpool Program funding amount.

Staff recommends the Commission approve MTC Resolution No. 4505, Revised as referred to the Commission by PAC, with the following change:

- Revise the name MTC's Regional Carpool Program to Regional Carpool/Vanpool Program to reflect the full scope of work proposed for this ongoing program.

This revision has been incorporated into MTC Resolution No. 4505, Revised, where appropriate.

Issues:

None identified.

Recommendations:

Approve MTC Resolution No. 4505, Revised.

On March 23, 2022, Appendix A-1 was added to incorporate guidelines for the County and Local Program call for projects.

On June 22, 2022, Attachments A, B-1, B-2, and Appendix A-1 were revised to further define program categories and program \$80,800,000 million to various projects within the Regional Program, including \$31,600,000 for Transit Transformation Action Plan programs and \$7

On January 11, 2023, Attachments B-1 and B-2 and Appendix A were revised to program \$301,682,000 in County & Local Program funds to various projects throughout the region, and \$300,000 to MTC's Active Transportation Technical Assistance Program within the Regional Complete Streets and Community Choice Program; and to clarify programming policy requirements for OBAG 3 projects involved in local fund exchanges.

On February 22, 2023, Attachment B-1 was revised to direct \$20,000,000 within the Climate Initiatives program to MTC for Bay Wheels Bikeshare E-Bike Expansion; **and revise the name**

Agenda Item 2d - 23-0251

MTC Resolution No. 4505, Revised

Subject:

Revisions to the One Bay Area Grant program (OBAG 3) to direct \$20 million within the Climate Initiatives program to MTC for Bay Wheels Bikeshare E-bike Expansion.

Background:

The OBAG 3 program adopted by the Commission establishes the policy and programming framework for investing federal Surface Transportation Block Grant Program (STP) and Congestion Mitigation and Air Quality Improvement program (CMAQ) funds for FY 2022-23 through FY 2025-26.

In October 2022, the Commission programmed a total of \$113 million in federal STP/CMAQ and Carbon Reduction Program (CRP) funds towards MTC's Climate Initiatives programs, including \$65 million for Electric Vehicles and Infrastructure, as detailed in **Table 1** below.

Table 1. Climate Initiatives (As Approved, October 2022)

Climate Initiatives Program	OBAG 2 & OBAG 3	CRP	Total
Mobility Hubs	\$12.8	\$20	\$32.8
Parking Management	\$15		\$15
Electric Vehicles and Infrastructure	\$25	\$40	\$65
Total	\$52.8	\$60	\$112.8

Funding amounts are in millions.

This month, staff recommends directing \$20 million in programming capacity within the Electric Vehicles and Infrastructure subprogram to MTC for Bay Wheels Bikeshare E-bike Expansion. Proposed investments include funding and deploying new and additional e-bikes, capital costs for spare parts, electrification of existing docking stations, and construction of new infill and expansion stations and docks throughout the Bay Wheels bikeshare system, as well as resources for low-cost memberships for community college students, adaptive bikeshare, and potential Bay Wheels expansion to adjacent cities.

Staff will present additional details of the Bay Wheels Bikeshare E-bike Expansion to the MTC Operations Committee on February 10, 2023. As part of that item, staff will also present a term sheet for consideration to guide potential contract discussions with Lyft, the operator of Bay Wheels. While this contract would cover the majority of the \$20 million commitment proposed

this month (approximately \$15.94 million), the remaining \$4.06 million is anticipated to include funding for adaptive bikeshare, partial funding for expansion of Bay Wheels to adjacent cities, funding for staff needs for participating cities, and grid connection for station electrification. Additional details on these elements will be brought back to the Commission at a later date.

Issues:

Elements of the proposed Bay Wheels Bikeshare E-bike Expansion may not be eligible for federal funding. Staff is developing alternative fund sources for the \$20 million in OBAG 3 programming capacity committed with this action, including a local fund exchange or use of MTC's formula share of the state Regional Early Action Planning (REAP 2) grant program. Staff will return in March with recommended programming actions to ensure appropriate fund sources are assigned to implement the full Bay Wheels Bikeshare E-bike Expansion project.

Recommendations:

Refer MTC Resolution No. 4505, Revised to the Commission for approval.
