Agenda Item 3a

MTC Resolution No. 3649, Revised

Subject: Allocation of \$10.6 million in Regional Measure 2 funds to the Transportation Authority of Marin (TAM) for the Northern Segment of the North-South Greenway project.

Background: Regional Measure 2 (RM2), as amended by MTC Resolution No. 3801, Revised, includes about \$19 million for bicycle and pedestrian connectivity improvements to the Larkspur Ferry Terminal in Marin County. The Transportation Authority of Marin (TAM) has identified the North-South Greenway (NSG) to use this \$19 million. The Greenway project includes three sections – the northern segment, from Sir Francis Drake Blvd. to Redwood Highway; the southern segment, from Redwood Highway to Wornum Drive; and the San Rafael segment, from 2nd to Andersen Drive.

The proposed allocation of \$10.6 million in RM2 funds builds on the Commission's action in March 2018, prioritizing the Northern Segment for delivery. TAM proposes phasing the Northern Segment:

- Phase 1: Crossing of Corte Madera Creek (next to US-101)
- Phase 2: Path along Old Redwood Highway (in Larkspur)

The RM2 funds would contribute to both phases of the Northern Segment. This allocation would allocate all \$19 million in RM2 funds for the NSG project. TAM expects the cost of the Northern Segment to increase due to higher bid estimates and increased construction administration costs. To address this increase, TAM requests re-direction of the remaining unallocated RM2 funds from the Southern Segment to the Northern Segment. TAM also secured additional federal and Bay Area Air Quality Management District (Air District) grant funding to complete both phases of the Northern Segment. The federal funding is part of the second phase (Old Redwood Highway pathway section in Larkspur), which will be delivered separately to comply with federal environmental review requirements. A summary of RM2 allocations and the current NSG funding plan is included in Attachment A. The Northern Segment map is included as Attachment B.

Issues: The Southern Segment of the Greenway remains underfunded. TAM is prioritizing the Southern Segment for additional future grant resources, including regional, Air District, and state grants, in order to fully fund the project.

Recommendation: Staff recommends referring MTC Resolution No. 3649, Revised, to the Commission for approval.

REGIONAL MEASURE 2 PROGRAM Project Specific Conditions

Project Title: North-South Greenway Gap Closure Project
Sponsor: Transportation Authority of Marin
Project Number: 11.5

The allocation and reimbursement of RM2 funds for the above project are conditioned upon the

1. The Transportation Authority of Marin may invoice MTC for eligible expenses as frequently as monthly, in accordance with the cash flow plan.
2. The Transportation Authority of Marin and/or the County of Marin shall, prior to starting environmental work on the Greenway project, (1) commence a property title search and boundary survey of the SMART right-of-way within the project limits, and (2) commence work on a Memorandum of Understanding with SMART regarding the current and future use of the Greenway

The allocation and reimbursement of RM2 funds for future right-of-way allocations for the southern segment of the North-South Greenway, subject to future CEQA action, are conditioned upon the following (added December 21, 2016) :

1. Pending completion of the project's environmental review, TAM and the Marin County Bicycle Coalition are to acknowledge via letter or Board action that SMART may build a rail line on the SMART right of way in Corte Madera in the future, and at that time it may be necessary for SMART to remove that segment of the multi-use North-South Greenway path.
2. Pending completion of the project's environmental review, TAM and SMART agree to enter into a Memorandum of Understanding regarding payment to compensate for future lost lease revenues, future removal of the pathway in the event SMART extends rail south of Larkspur, and absolving SMART of responsibility for maintaining the multi-use pathway until such time as SMART is operating rail service in this segment. The MOU must be substantially complete before entering into final design for the pathway. In the event the pathway is removed for a rail extension in the future, SMART is to pay for removal using funds from this right-of-way payment. SMART shall not seek additional funds as compensation for the future path removal.
3. Any savings from the North-South Greenway project are to be applied to the permanent (not interim) relocation/facility for the San Rafael Transit Center.

The following reservation of funds and condition for the \$850,000 right-of-way allocation were added on March 28, 2018 as part of the allocation of funds to the North-South Greenway project on the same

1. Reservation of \$2.95 million of RM2 funds from the southern segment to the construction of the Sonoma-Marín Area Rail Transit (SMART) Multi-Use Pathway from 2nd Street to Andersen Drive in San Rafael.
2. Approval by SMART and TAM to indemnify and hold harmless MTC, its Commissioners, representatives, agents, and employees from and against all claims, injury, suits, demands, liability, losses, damages, and expenses, whether direct or indirect (including any and all costs and expenses in connection therewith), incurred by reason of any CEQA action, act or failure to act of SMART or TAM their officers, employees or agents, or subcontractors or any of them in connection with their performance of services under this allocation of RM2 funds. In the event any CEQA action stops the project, SMART and TAM agree to return such allocated funds to MTC for alternative allocation that shall be with the discretion of MTC.

RM2 Project Number: 11.5 North-South Greenway Gap Closure Project

Lead Sponsor Transportation Authority of Marin	Other Sponsors(s) N/A	Implementing Agency (if applicable) TAM / Marin County / Caltrans / San Rafael / Larkspur
Legislated Project Description Provide enhanced regional and local access around the Greenbrae Interchange to reduce traffic congestion and provide multimodal access to the Richmond-San Rafael Bridge and Larkspur Ferry Terminal by extending a multi-use pathway from the vicinity of Wornum Drive to East Sir Francis Drake Blvd and the Cal Park Hill rail right-of-way, adding a new lane to East Sir Francis Drake Blvd., and rehabilitating the Cal Park Hill Rail Tunnel and right-of-way approaches for bicycle and pedestrian access to connect the San Rafael Transit Center with the Larkspur Ferry Terminal.		
RM2 Legislated Funding (in \$1,000) Total Overall Funding: \$43,500 11.1 U.S. 101 Greenbrae Interchange Improvements (\$8,932) 11.2 Sir Francis Drake Blvd. Widening (\$825) 11.3 Cal Park Hill Tunnel Rehabilitation and Class 1 Bikeway (\$5,092) 11.4 Central Marin Ferry Access Improvement (\$9,610) 11.5 North-South Greenway Gap Closure Project (\$19,041)		Total Estimated Project Cost (in \$1,000) \$19,041
Project Purpose and Description The North-South Greenway Gap Closure project will create a new multi-use path connecting the existing paths at the intersection of Old Redwood Highway and Wornum Drive, with the pedestrian bridge over Sir Francis Drake Blvd (part of RM2 Project 11.4). The original scope contained two segments - a north and south segment. The North Segment will widen the US-101 northbound off-ramp over the Corte Madera Creek to accommodate bicycles and pedestrians, and extends the path south along Old Redwood Highway to the existing pedestrian overcrossing of US-101. The South Segment will connect with the improvements proposed in the North Segment along Old Redwood Highway, then traverse east to the SMART railroad right-of-way. In June 2018, TAM added the segment of the Greenway in San Rafael (between 2nd and Andersen) to close the gap to the San Rafael Transit Center. The project will close gaps in the multi-use path system, and improve connections among the Ferry Terminal, local and regional transit services, and existing multi-use paths.		
Funding Description Committed Funds: \$19 million is committed from RM2 Funds. Uncommitted Funds: The Southern Segment is not fully funded. Operating Capacity: Ongoing maintenance will be done by the County and Larkspur, with major maintenance by Caltrans along 101, pending Inter-Agency Cooperative Agree
