Subject: Nominations for E&A Leadership ahead of 3/25/25 elections

My name is Dwayne Hankerson. I could not be present due to the birth of my grandsons, Harrison and Hunter, in New Mexico. I am running for vice chair of the Equity and Access Subcommittee. I am currently a member of the Solano County Equity Group, Solano County Paratransit Coordinating Committee, the Metropolitan Transportation Commission Policy Advisory Council, and the following subcommittee for MTC: Equity and Access, Regional Network Management Customer Advisory Group. I am currently serving these positions with Integrity.

I have worked in public housing and affordable housing for over 25 years. I have a bachelor's degree in Business Administration. I am a honorably discharge Veteran of the United States Navy. When you cast your vote, cast it for Dwayne Hankerson and please know, serving the community through this committee is an utmost honor.

I am dedicated to Bayarea Transportation issues, and issues dealing with transportation, housing, and the environment. My fellow Council Members already have knowledge of my passion and commitment. And my dedication and willingness to work with others.
