Agenda Item 5c-25-0934

**FasTrak® Regional Customer Service Center Contract Actions:**

- i. **Contract Change Order Amendment – Solano I-80 Operations Support: Conduent State and Local Solutions, Inc. (\$7,000,000); and**
  - ii. **Contract Change Order – Collections Agency Integration: Conduent State and Local Solutions, Inc. (\$400,000)**
- 

**Subject:**

A request to approve a contract change order amendment with Conduent State and Local Solutions, Inc. (Conduent) to provide operations support for the Solano I-80 Express Lanes corridor and a contract change order with Conduent to modify the Customer Service Center (CSC) system to integrate with a new collections agency.

**Background:**

Based on a competitive selection, BATA entered into a contract with Conduent (formerly, Xerox State and Local Solutions, Inc.) on March 27, 2013 for the management and operation of the FasTrak® CSC. Under the contract, Conduent provides the FasTrak account management system, transaction processing, call center operations, web services, payment processing, customer communications, violation image review and violation noticing for bridges and express lanes in the Bay Area.

The Bay Area Infrastructure Financing Authority (BAIFA) plans to begin operation of express lanes on the Solano I-80 corridor in late fall 2025. The FasTrak® CSC system is currently being upgraded and tested to support integration of the new corridor. This change order amendment will cover the monthly operating costs to process the forecasted transactions and issue violation notices through the end of the FasTrak® CSC contract term in September 2027. These costs will be reimbursed by BAIFA. The unit prices for the monthly operating costs will be consistent with what is paid by Golden Gate Bridge and other express lanes, including the existing BAIFA corridors. Staff is requesting authority to enter into a contract change order amendment with Conduent in an amount not to exceed \$7,000,000 to provide operating support for Solano I-80 through September 2027.

Additionally, BATA is currently in the process of procuring a new collections agency vendor and will be requesting approval of an award in the fall. This change order will cover

modification of the CSC system for integration of a new collections agency in the event the incumbent is not awarded the contract. Staff is requesting authority to enter into a contract change order with Conduent in an amount not to exceed \$400,000 for Conduent to design and develop the changes to the FasTrak<sup>®</sup> CSC system and conduct testing required to integrate with a new collections agency.

Attachment A includes a summary of Conduent and its project team's small business and disadvantaged business enterprise status.

**Issues:**

None identified.

**Recommendations:**

Staff recommends that this Committee authorize the Executive Director or designee to:

- Negotiate and enter into a contract change order amendment with Conduent in an amount not to exceed \$7,000,000 to provide operations support for Solano I-80 as described herein, subject to the approval of future years' BATA budgets. and
- Negotiate and enter into a contract change order with Conduent in an amount not to exceed \$400,000 to provide implementation support for integration of a collection agency as described herein.
