Discount applied to single-ride adult fare

Overview of the Development of a Means-Based Discount

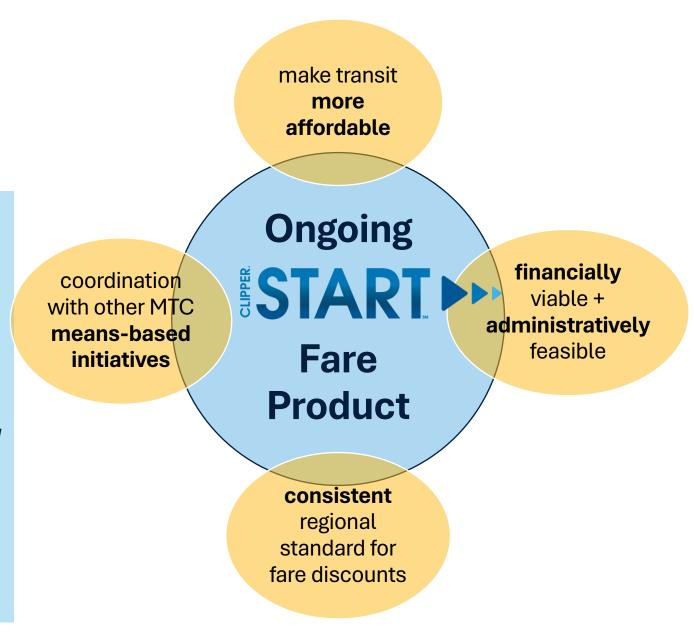

| Phase 1: Move from Concept to Reality Establish policy framework Transit agency support and partnership | Phase 2: Establish Structure and Initial Rollout Set up system infrastructure, administrative processes Customer roll out Pilot evaluation | Phase 3: Grow Program/ Increase Participation and Reach Consistent discount and agency participation Targeted marketing and outreach Remove barriers to sign up Process improvements | Current Phase: Propose ongoing fare product and continuing work to improve user enrollment and benefits |
|---|---|--|--|
| Means- Based 36 mo Pilot Transit Fare Launches wi Study 4 Operators | th Expansion to 21 | All Opera participatir uniform 50 Extension Jul 2023 Jan | % fare Proposation Proposation Ongoing Fare Product |

Overview

Why is now the time to transition from a pilot to ongoing fare product?

Pilot Original Goals

- Make transit more affordable to individuals earning low-income (increased enrollment almost doubled enrollment since Jan 2024)
- Develop implementation options that are financially viable and administratively feasible (program has stable funding stream and administration)
- Move towards a more consistent regional standard for fare discounts (all operators are participating with a uniform discount + coordination with other means-based initiatives)

Key Pilot Statistics

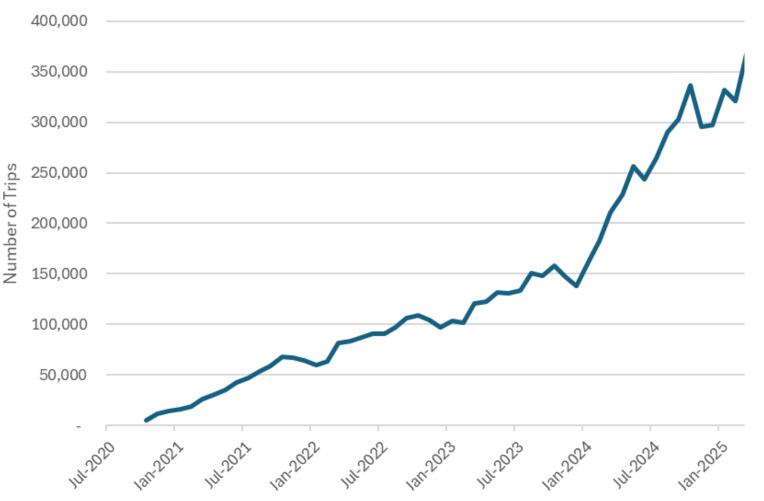

51.4K Program Enrollees +82% in 2024

6,413,650 Total Trips Taken +94% in 2024

> 1,597,994 Transfers +103% in 2024

Program enrollee, trip, and transfer data updated through Feb 2025

Ongoing Improvements: Means-Based Programs

1. Address programmatic barriers to **improve program access, reduce barriers** Extend program reach to meet the untapped opportunity at the current threshold

3. Expand/Streamline enrollment process to improve the customer experience

2. Enhance/evolve program awareness efforts **to reach people experiencing vulnerabilities**

Resulting in: Improved affordability, Increase in transit ridership

Ongoing Improvements

Performance Tracking

• Initiating Phase 2 Clipper START Evaluation

Customer Service Improvements

- Continue to streamline eligibility verification
- Renew verification and customer service contract to include live customer service staff to respond to questions and issues

Leveraging of Technologies

- NextGen Clipper
- California Department of Technology (CDT) Integration

Ongoing Improvements

Marketing & Awareness

- Ongoing marketing campaigns that include:
 - o Social Media
 - \circ Digital Ads
 - Transit shelter Ads (in key locations)
 - o Direct Mail
- Continue and expand contracts with CBOs increase awareness and serve as a walk-in info and assistance centers
- Coordinate with County Human Service Agencies to promote program
- Address barriers on cash only transit users by expanding vendor network of retailers where riders can put cash on Clipper card

Funding and Operations

Funding & Program Costs

MTC Res. 4321 prioritizes up to \$8 million/year in STA funds for Clipper START + LCTOP funds as available

Funding used for operational and operator fare subsidy expenses

~\$4 million / year

Projected reimbursements to operators over next 12 months

~\$1-1.5 million / year

Operational + Program Development Costs (Customer Service Center, Participant Verification, and Marketing/Communications)

Operator Fare Subsidy Approach

Annual reimbursement payments to operators for half of 50% fare discount

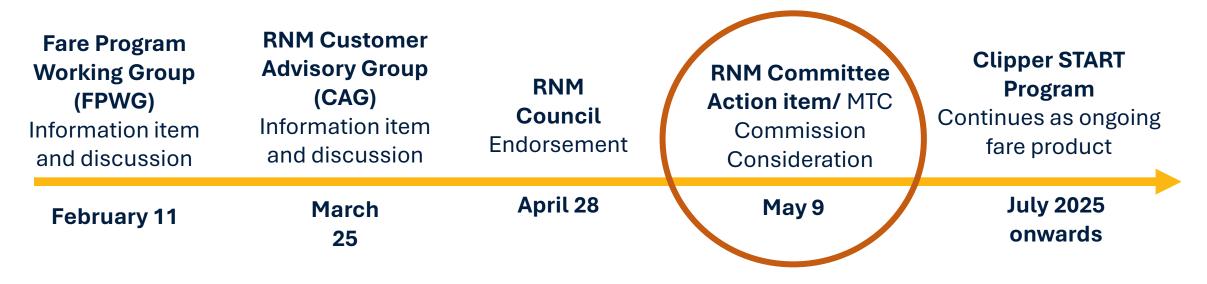

Subsidy approach based on model currently utilized in FY 2023-24 & 2024-25, which reimburses operators through a Master Funding Agreement Supplement

Proposed Recommendation

| Current Framework (MTC Res. 4320): | | Proposed Ongoing Framework (MTC Res. 4714) |
|--|---------------|--|
| Pilot Program: July 2020- June 2025 | \rightarrow | Transition the Clipper START Pilot to an ongoing fare product delivered on Clipper, consistent with pilot program's business rules and user experience |
| Since January 2024: 50% discount offered by all operators on Clipper | \checkmark | No change – 50% discount continues |
| Discount subsidized jointly by MTC and transit agencies/operators | \rightarrow | + Institutionalize MTC's fare subsidy approach that reimburses operators through a Master Funding Agreement Supplement |
| Operator participation in Clipper START is voluntary; currently all operators on Clipper system participate | ~ | No change |
| Participant Eligibility: Adult (19-64) riders at/below 200% Federal Poverty Level | \checkmark | No change |
| Discount applied to single-ride adult fare | \checkmark | No change |
| Title VI operator responsibility | \rightarrow | Title VI remains transit operator responsibility with MTC in support role |

Timeline

Proposed Action: Staff requests the Regional Network Management Committee forward the proposed MTC Resolution No. 4714 to the Commission for approval

Thank You
