

BARC Workplan for Fiscal Year 2025-2026

April 18, 2025

Josh Bradt, BARC Program Coordinator

Top Three Priorities for FY26

Deliver Inter-Agency Sea Level Rise MOU

- Convene member agencies to develop resilience TA strategy
- Develop funding strategies for climate resilience projects

Green Infrastructure

- Facilitate working group and develop resources for areas such as:
 - Urban Greening
 - Stormwater Mgmt
 - Complete Streets

Inter-Agency Coordination

- Manage Governing Board
- Coordinate agency executive leadership
