Agenda Item 6a

2020 State and Federal Legislative Visits

Subject: State and federal legislative visits.

Overview: This Summary Sheet provides a plan for meetings and outreach to the Bay Area's state and federal legislative delegations in 2020 to advocate for our legislative priorities and brief members on key MTC and ABAG initiatives.

Sacramento Advocacy

We expect 2020 to be another busy year for housing and transportation in Sacramento. Given this, face-to-face meetings with our Bay Area delegation will be important. Staff proposes scheduling 2020 Sacramento visits in the spring, with dates to be finalized later this year. Depending on the alignment of the agencies' advocacy positions as the 2020 legislative session evolves, these meetings could be held as joint MTC/ABAG meetings with board members from both agencies participating on the same day(s) or organized separately. This timing—after the late February bill introduction deadline but before the June policy committee deadlines (the tentative 2020 state legislative calendar is attached)—will ensure that there are items of substance to discuss, while still sharing our ideas on legislation early enough in the legislative process to have influence. Ideally, MTC and ABAG will each have had time to adopt positions on priority bills in advance of Sacramento visits.

Staff will follow up with specific dates in the next meeting after the dust settles from the Legislature reconvening and the Governor's FY 2020-21 budget introduction this week.

Washington, D.C., Advocacy

As you know, the 2020 presidential election will preoccupy Washington D.C. next year, further constraining the ability of Congress to pass any substantive legislation on a bipartisan basis. Although conventional wisdom predicts little action next year—save some potential for health care transparency and other issues with strong bipartisan support and relatively painless price tags—we expect behind-the-scenes work on our transportation and housing priorities to continue in earnest. In particular, with the looming expiration of the FAST Act—the current multi-year surface transportation bill—at the end of September 2020, we expect the House and Senate authorizing committees to be busy soliciting proposals and drafting text for the next bill. As such, our annual March trip to Washington seems especially timely in 2020.

Trip Logistics

Staff proposes scheduling our joint MTC/ABAG 2020 Washington D.C. visit the week of March 30, arriving on Sunday, March 29 and returning the evening of Wednesday, April 1 with a reception for Members of Congress planned for Tuesday, March 31 in the House Transportation & Infrastructure Committee room, the traditional location for our annual reception which underwent a major renovation this past year. As we have done for many years, we plan to coordinate and jointly fund the event with our Southern California partners to make the reception a statewide gathering.

Staff will work to arrange meetings with our Bay Area Congressional delegation, transportation and housing officials within the Trump Administration, the committee staff who will be involved in drafting the reauthorization of the FAST Act and housing funding proposals, and other national policy leaders. As always, we plan to coordinate with our Bay Area partners, including our region's transit operators and county transportation agencies, to communicate a unified Bay Area message on items pending before Congress and the Administration.

We look forward to discussing this general approach with you and soliciting any additional ideas you may have to ensure a productive state and federal legislative session in 2020.

Issues: None identified.
