

Regional Network Management Council

February 24, 2026

Agenda Item 2b

Regional Network Management Council Work Plan: Quarterly Progress Update (November 2025 - January 2026)

Subject:

Update on progress achieved towards the Regional Network Management Council's Fiscal Year (FY) 2025-26 and 2026-27 Work Plan.

Background:

The RNM Council's FY 2025-26 and 2026-27 Work Plan was adopted by the Regional Network Management (RNM) Council at its July 2025 meeting. Staff will prepare progress reports on Work Plan activities for the RNM Council on a quarterly basis.

Attachment A includes a summary of activities that were completed between November 2025 and January 2026. Key accomplishments included:

- Launching a pilot with the California Department of Technology to streamline eligibility verification for CalFresh participants and improve the Clipper START application process.
- Launching the free/discounted interagency transfer pilot with NextGen Clipper.
- Adoption of the Bay Area Transit Priority Policy for Roadways in January by MTC.
- Approval of four (4) regional paratransit trip pilots and selection of a consultant to conduct the pilot evaluation.

Issues:

None Identified

Recommendation:

None.
