

**Metropolitan Transportation Commission
Programming and Allocations Committee**

July 10, 2024

Agenda Item 2b-24-0823

**MTC Resolution Nos. 4629, Revised; 4651, Revised; 4652, Revised; 4653, Revised; 4654;
4656; 4659; and 4661**

Subject:

The proposed action revises the FY2024-25 MTC Fund Estimate to incorporate actual sales tax receipts for FY2023-24, allocates \$127.6 million in FY2024-25 Transportation Development Act (TDA), State Transit Assistance (STA), Regional Measure 2 (RM2), Regional Measure 3, and 5% Bridge Toll funds to five transit operators and the Transbay Joint Powers Authority to support transit operations and capital projects in the region, and approves the FY2024-25 State of Good Repair (SGR) Program project list.

Background:

Fund Estimate Revision

Overall, actual Bay Area Transportation Development Act and AB 1107 sales tax receipts for FY 2023-24 were \$485.5 million and \$106.7 million, respectively, or 3% and 2%, below actual revenues in FY 2022-23. TDA receipts were also \$33 million, or 6%, below original estimates, which were projected based on strong sales tax receipts over the past two years. The decline in sales tax revenues is likely due to a combination of a declining regional population, and greater unemployment over the past 12 months. There were early indications of weakening sales tax performance when the FY 2024-25 MTC Fund Estimate was adopted in February, and estimates were revised downwards accordingly. However, recissions may still be required for certain transit operators.

Senate Bill (SB) 125 Adjustments to Reflect Regional Contributions

In March 2024, the Commission programmed Regional Measure 3 (RM3) Operating Program funds that were previously not accounted for in the standardized shortfall calculations that inform SB 125 funding levels. The programmed RM3 Operating Program funds will be counted against FY2024-25 shortfalls as part of the envisioned regional contribution of up to \$300 million, thus reducing the need for state SB 125 funds by roughly \$8 million. The FY2024-25 SB 125 distribution amounts within the Fund Estimate have been adjusted to reflect this contribution.

State of Good Repair (SGR) Program – FY 2024-25 Regional Project List

Caltrans' State of Good Repair (SGR) Program guidelines require regional agencies like MTC to approve SGR Program Revenue-Based projects from transit operators, in addition to the Population-Based funds, and submit a single region-wide list of projects to Caltrans by September 1st of each year. MTC has worked with the Bay Area's transit operators to compile a single, regional list of SGR Program projects for FY 2024-25, as shown in Attachment A to MTC Resolution 4659.

Approximately \$34.7 million is expected in Revenue-Based funds, along with \$12.5 million in Population-Based funds. Most operators are using their Revenue-Based funds for state of good repair projects at facilities and stations, or to provide local match, and in a few cases for rehabilitation of vehicles or to contribute to new vehicles costs. For the Population-Based funds, MTC is programming all \$12.5 million to the next generation Clipper® system, in accordance with the policy established in MTC Resolution No. 4321.

FY2024-25 Allocation of TDA, STA, RM2, RM3, and 5% Bridge Toll Funds

This month's proposed actions continue the annual allocation process of these funds for FY2024-25. Four entities are requesting TDA, STA, RM2, RM3, and/or 5% Bridge Toll allocations this month that exceed the \$1 million Delegated Authority limit. Allocation requests that are less than \$1 million are approved separately through the Executive Director's Delegated Authority process. These funds comprise a significant share of the revenue for agencies' operating budgets.

The proposed allocation amounts are based on the programming levels identified in the FY 2024-25 Fund Estimate (MTC Resolution 4629), the RM2 Operating Program (MTC Resolution 4643), and the RM3 Operating Program (MTC Resolution 4644). The proposed allocations are summarized in the following table:

Allocation Amounts by Entity¹ (amounts in millions)

Entity	TDA (Res. 4651)	STA (Res. 4652)	RM2 (Res. 4653 and 4656)	RM3 (Res. 4654)	5% Unrestricted State (Res. 4661)	Grand Total
LAVTA	\$20.6	\$2.1				\$22.7
Marin Transit	\$11.4	\$4.5				\$15.9
City of Santa Rosa	\$13.8	\$3.6				\$17.5
Sonoma County Transit	\$15	\$4.8				\$19.8
WETA		\$16.8	\$15.4		\$7.2	\$39.4
TJPA			\$8.7	\$3.5		\$12.2
Total	\$60.9	\$31.8	\$24.1	\$3.5	\$7.2	\$127.6

Note that amounts may not sum due to rounding

Information regarding the FY 2024-25 operating budgets and current and future operations for the transit operators included in the list above is provided in Attachment A.

Recommendations:

Refer MTC Resolution Nos. 4629, Revised; 4651, Revised; 4652, Revised; 4653, Revised; 4654; 4656; 4659; and 4661 to the Commission for approval.

Attachment A – Transit Operator Budget Summary

Livermore Amador Valley Transit Authority/ LAVTA

FY2024-25 Operating Budget	\$25.0 million
FY2023-24 Operating Budget	\$24.6 million
Increase in Budget compared to FY2023-24	1.7%
Projected Ridership (Estimated FY2024-25 as a percentage of 2018-19 Actual)	75.7%
Total Proposed FY2024-25 Operating Allocation ²	\$17.6 million
Proportion of Operating Budget Funded with Allocations	70%

Budget and Operating Highlights

The Livermore Amador Valley Transit Authority (LAVTA) is the provider of the Wheels fixed-route bus and paratransit service in the Tri-Valley area, serving the cities of Livermore, Dublin, Pleasanton, and surrounding areas for a total service area of 40 square miles. LAVTA’s routes service two BART stations, both East and West Dublin/Pleasanton, plus the downtown Livermore Transit Center and provides service to over 1.2 million riders annually. LAVTA currently runs fixed-route bus service, complementary ADA service, and a Transportation Network Company program called Go Tri-Valley.

LAVTA has experienced a gradual recovery in ridership since the pandemic began, with ridership currently at approximately 76% of pre-pandemic levels. Prior to the pandemic LAVTA’s riders were a mix of commuters, students, and transit dependent individuals; however, for the last few years, the majority of riders have been transit-dependent riders and students. The service is heavily reliant on TDA/STA funding, with 70% of its funding coming from these sources. Fare revenue accounts for a small portion of revenue, at less than 7%.

² Includes allocations made through Executive Director’s Delegated Authority as allowed by MTC Resolution No. 3620, Revised. Any allocations made by Delegated Authority will be reported as part of the quarterly Delegated Authority update to the Commission. Excludes allocations made for transit capital or planning and administration purposes.

The agency's Operating and Capital Budget for FY 2024-25 shows an operating budget of \$25 million, reflecting an overall increase of 1.7% from the FY 2023-24 budget. The increase is due to contractual increases in the cost of fixed route operations and maintenance. The operating budget also reflects a 12% decrease in Fixed Route service hours to adjust to the bus operator workforce and the challenges in recruiting and retaining drivers.

Looking forward, reducing LAVTA's carbon footprint is a near-term emphasis area. LAVTA's entire fixed route fleet is made up of 16 diesel electric hybrid buses. Additionally, LAVTA has begun design work on a Hydrogen Fueling Station at LAVTA's Atlantis Facility.

Marin Transit

FY2024-25 Operating Budget	\$40.8 million
FY2023-24 Operating Budget	\$38.1 million
Increase in Budget compared to FY2023-24	7.2%
Projected Ridership (Estimated FY2024-25 as a percentage of 2018-19 Actual)	95.3%
Total Proposed FY2024-25 Operating Allocation ³	\$15.9 million
Proportion of Operating Budget Funded with Allocations	39.0%

Budget and Operating Highlights

Marin Transit offers local transit in Marin County with sustained pandemic ridership and a quicker recovery than other bus operators. Fixed route ridership is at 95.3% of pre-COVID levels, paralleling service levels. Marin Transit handles 2.8 million annual passenger trips, utilizing 79 buses for 225,000 revenue hours, and operates 23 routes primarily in the Marin County area.

Marin Transit's FY2024-25 operations budget reflects a 7.2% increase over the previous year, and includes funding for innovative program growth in areas like the Marin Access shuttle program. Salaries and benefits have risen by 9% to account for a grant funded facilities position and an additional operations position, as well as increases in merit-based raises and promotions.

The budget allocates resources for 173,325 hours of local service, consistent with pre-pandemic levels, as fixed-route ridership has reached 95.3% of its pre-pandemic benchmark. Anticipating a 3% reduction in fuel costs, the budget accounts for a scaled-down paratransit fuel budget due to post-pandemic service adjustments. Projected operating revenues rely on 61% from sales tax revenues of TDA, Measures A and AA. The FY2024-25 expenditure of Measure A/AA revenues

³ Includes allocations made through Executive Director's Delegated Authority as allowed by MTC Resolution No. 3620, Revised. Any allocations made by Delegated Authority will be reported as part of the quarterly Delegated Authority update to the Commission. Excludes allocations made for transit capital or planning and administration purposes.

has remained stable in comparison to the previous year due to steady sales tax numbers. TDA funding increased by 45% and STA funding increased by 12% from the previous year primarily due to pandemic volatility creating carryforward funds.

In FY 2024-25, Marin Transit's endeavors encompass the funding of transit vehicle replacements, bus stop improvements, and facility improvement projects. Two projects are anticipated to be in construction in FY 2024-25—the District's ADA bus stop project, and the 3010/3020 Kerner vehicle parking with electric vehicle charging and solar power generation. Marin Transit also plans to complete the Environmental phase of a fixed route electric vehicle facility project.

Santa Rosa CityBus

FY2024-25 Operating Budget	\$17.7 million
FY2023-24 Operating Budget	\$15.3 million
Increase in FY2024-25 Budget compared to FY2023-24 estimated actual costs	15.2%
Projected Ridership (Estimated FY 2024-25 as a percentage of FY 2018-19 actual)	86.1%
Total Proposed FY2024-25 Operating Allocation ⁴	\$12.8 million
Proportion of Operating Budget Funded with Allocations	72.7%

Budget and Operating Highlights

The Santa Rosa CityBus operates a mixed (fixed/paratransit) bus system in the City of Santa Rosa with an approximate 51 square mile service area and provides service to over 1.4 million passengers annually. The 13 fixed-route lines within the city of Santa Rosa are centered at the downtown transit mall with two secondary smaller hubs, the Coddington Transit Hub and Shopping Center north of downtown and the Montgomery Village Transit hub to the east. The downtown transit mall services Sonoma County Transit and Golden Gate Transit providing for intercounty travel. Santa Rosa CityBus has stops at the two SMART stations within the city of Santa Rosa but does not have major transit facilities next to the stations. Like all operators, Santa Rosa CityBus suffered ridership loss during the pandemic and suspended some services temporarily.

Santa Rosa CityBus has been reintroducing services, although this process has been challenged by ongoing operator shortages. On the ridership side, the city has taken steps to promote the CityBus service, including introducing a maximum of six fare free days throughout the year and its continued free fares for youth, veterans, and Santa Rosa Junior College students.

⁴ Includes allocations made through Executive Director’s Delegated Authority as allowed by MTC Resolution No. 3620, Revised. Any allocations made by Delegated Authority will be reported as part of the quarterly Delegated Authority update to the Commission. Excludes allocations made for transit capital or planning and administration purposes.

Santa Rosa CityBus continues with its fleet electrification, and recently approved a resolution authorizing the issuance of two purchase orders from Gillig and New Flyer for the purchase of six (6) battery-electric buses from each manufacturer. The operator plans to complete the transition to a zero emissions fleet by 2040.

Santa Rosa CityBus funds its annual operations with a mix of funding sources including approximately 72.7% TDA/STA, 15% FTA 5307 UZA Formula, 7% locally generated funds, 5% passenger fares. Fiscal year 2024-25 marks the first year since the start of the COVID-19 pandemic that there will be no federal emergency relief funding to assist with operations.

An increase in the proposed budget for FY2024-25 includes an estimate for higher vehicle repair shop rate costs, an increase in Bus Operator overtime due to staffing shortfalls, increased training costs for greater influx of new operators to train, an overall salary/benefit increase, and a new paratransit service contract containing a higher driver wage increase.

Sonoma County Transit/SCT

FY2024-25 Operating Budget	\$21.9 million
FY2023-24 Operating Budget	\$20.6 million
Increase in Budget compared to FY2023-24	6.3%
Projected Ridership (Estimated FY2024-25 as a percentage of 2018-19 Actual)	91.4%
Total Proposed FY2024-25 Operating Allocation ⁵	\$14.7 million
Proportion of Operating Budget Funded with Allocations	79.2%

Budget and Operating Highlights

Sonoma County Transit (SCT) provides a mix of intercity and local routes throughout Sonoma County. SCT provides local transit services within the jurisdictions of Rohnert Park, Cotati, Sebastopol, Windsor, Healdsburg, Cloverdale, the Russian River communities of Guerneville and Monte Rio and the Sonoma/Sonoma Valley areas. Intercity routes link all incorporated cities with downtown Santa Rosa where transfers can be made to other SCT intercity routes, local service provided by Santa Rosa CityBus and regional services provided by Golden Gate Transit and SMART. A total of 19 routes are operated, 8 local and 11 intercity. SCT serves a total of 1,100 bus stops throughout its county-wide service area and provides service to over 700,00 passengers annually.

Sonoma County Transit’s primary sources of funding for operations consist of TDA, STA, local Measure M and farebox revenue. The operator’s budget for FY2024-25 shows a 6.3% increase overall from the previous year, primarily attributed to vehicle operational costs. This is reflective of the 6.6% increase in service hours planned for the new fiscal year. SCT's last COVID relief funds were drawn down in FY 2023-24.

⁵ Includes allocations made through Executive Director’s Delegated Authority as allowed by MTC Resolution No. 3620, Revised. Any allocations made by Delegated Authority will be reported as part of the quarterly Delegated Authority update to the Commission. Excludes allocations made for transit capital or planning and administration purposes.

Ridership continues to rebound to pre-pandemic levels. SCT anticipates that FY 2024-25's overall ridership will increase approximately 36% over FY 2022-23, arriving at approximately 91.4% of SCT's pre-pandemic ridership.

SCT continues to implement initiatives designed to increase ridership, both of which are subsidized by the Sonoma County Climate Resilience Program. This includes a Youth fare-free program and operation of intercity express routes serving Santa Rosa during weekday morning and evening commute periods. Both programs have contributed to FY 2023-24's ridership increase and are anticipated to promote ridership growth in FY2024-25.

SCT's continues to electrify their fleet with the new electric bus charging facility anticipated to be complete in December 2024. The facility, whose construction began in December 2023, includes 19 charging posts (13 DC and 6 AC.) The new charging facility will support 9 electric buses currently in service and a total of 18 buses that are budgeted in FY 2024-25. The new buses are expected to arrive between December 2024 and October 2026.

San Francisco Bay Area Water Emergency Transportation Authority/WETA

FY2024-25 Operating Budget	\$74.7 million
FY2023-24 Operating Budget	\$62.7 million
Increase in Budget compared to FY2023-24	19.1%
Projected Ridership (Estimated FY2024-25 as a percentage of 2018-19 Actual)	85.3%
Total Proposed FY2024-25 Operating Allocation ⁶	\$24.5 million
Proportion of Operating Budget Funded with Allocations	32.9%

Budget and Operating Highlights

The San Francisco Bay Area Water Emergency Transportation Authority (WETA) operates six regular routes serving the cities of Alameda, Oakland, San Francisco, South San Francisco, Vallejo, and Richmond, and provides service to over 2.4 million passengers annually. The authority oversees the operation of regular and special event ferry routes, owns and maintains the fleet of vessels, owns and manages terminals, and works to expand and improve ferry services to meet the growing transportation needs of the Bay Area community.

The FY2024-25 Budget includes \$74.7 million for operating expenses and \$83.4 million for capital projects, totaling \$158.2 million for Ferry Operations, Planning, Administration, and Capital Projects. WETA’s operating budget shows a 19.1% increase from the previous fiscal year, which can be attributed to increase in salary/benefits and purchased transportation.

With the support of revenue sources from Regional Measures 2 and 3 and drawdown of State Transit Assistance funding, WETA aims to increase demonstration service of new technologies (such as a Hydrogen Ferry) and service improvements that bring growing ridership to the service. WETA will also be running a Pilot service within the Oakland Estuary funded by grants from other sources. WETA’s efforts at keeping fares low and maintaining

⁶ Includes allocations made through Executive Director’s Delegated Authority as allowed by MTC Resolution No. 3620, Revised. Any allocations made by Delegated Authority will be reported as part of the quarterly Delegated Authority update to the Commission. Excludes allocations made for transit capital or planning and administration purposes.

90% on time performance are all intended to build ridership and increase the choices for riders to choose transit over single occupancy vehicles. WETA has drawn down its remaining Federal COVID relief funds and will rely on RM3 to maintain current service levels. Significant staff time in the new fiscal year will be spent on planning for zero emission ferry service by 2026 on a new route between Downtown San Francisco and Treasure Island.

Revised: July 24, 2024-C

ABSTRACT

Resolution No. 4629, Revised

This resolution approves the FY 2024-25 Fund Estimate, including the distribution and apportionment of Transportation Development Act (TDA), State Transit Assistance (STA), State of Good Repair (SGR) Program, Assembly Bill (AB) 1107 sales tax, Low Carbon Transit Operations (LCTOP) cap-and-trade auction revenues, transit-related bridge toll funds, and Senate Bill (SB) 125 funds for transit operating assistance.

This resolution was revised on July 24, 2024 to reflect actual receipts for TDA and AB1107 funds in FY 2023-24.

Further discussion of this action is contained in the MTC Programming and Allocations Summary Sheets dated February 14, 2024 and July 10, 2024.

RE: Determination of Transportation Development Act (TDA) Area Apportionments and Proposed Distribution of Operating Funds for FY 2024-25

METROPOLITAN TRANSPORTATION COMMISSION
RESOLUTION NO. 4629

WHEREAS, the Metropolitan Transportation Commission (MTC) is the regional transportation planning agency for the San Francisco Bay Area pursuant to Government Code Section 66500 *et seq.*; and

WHEREAS, the Transportation Development Act (TDA), Public Utilities Code (PUC) Sections 99200 *et seq.*, provides that funds are made available from the Local Transportation Fund (LTF) for various transportation purposes; and

WHEREAS, pursuant to 21 California Code of Regulations Section 6620, the County Auditor for each of the nine counties in the Bay Area has submitted the revised and new TDA fund estimates for FY 2023-24 and FY 2024-25 as shown in Attachment A to this resolution, attached hereto and incorporated herein as though set forth at length; and

WHEREAS, MTC is required to determine and advise all prospective claimants, prior to March 1 each year, of all area apportionments from the LTF for the following fiscal year pursuant to 21 California Code of Regulations Section 6644; and

WHEREAS, all area apportionments of TDA funds for the 2024-25 fiscal year are shown in Attachment A to this resolution, attached hereto and incorporated herein as though set forth at length; and

WHEREAS, MTC has prepared a proposed distribution of operating/capital assistance funds, including TDA, State Transit Assistance (STA) pursuant to Public Utilities Code § 99310 *et seq.*, State of Good Repair (SGR) Program pursuant to Public Utilities Code § 99312.1, Low Carbon Transit Operations Program (LCTOP) pursuant to Health and Safety Code § 39719(b)(1)(B), the twenty-five percent (25%) of the one-half cent transaction and use tax collected pursuant to PUC Section 29142.2 (AB 1107), and estimates of certain toll bridge revenues (SHC §§ 30910 *et seq.*), in order to provide financial information to all prospective claimants to assist them in developing budgets in a timely manner; and

WHEREAS, the proposed distribution of such operating assistance funds is also shown in Attachment A; now, therefore, be it

RESOLVED, that MTC approves the area apportionments of TDA funds, and the proposed distribution of operating assistance funds for the 2024-25 fiscal year as shown in Attachment A, subject to the conditions noted therein; and, be it further

RESOLVED, that MTC intends to allocate operating assistance funds for the 2024-25 fiscal year, based on the area apportionments of TDA funds, the proposed distribution of operating assistance funds and upon the receipt of appropriate claims from eligible claimants; and, be it further

RESOLVED, that Attachment A may be revised by the MTC Executive Director or his/her designee to reflect funds returned to the Local Transportation Fund and expired capital allocations or by approval of the MTC Programming and Allocations Committee, except that any significant changes shall be submitted to the full Commission for approval.

METROPOLITAN TRANSPORTATION COMMISSION

Alfredo Pedroza, Chair

The above resolution was approved by the Metropolitan Transportation Commission at a regular meeting of the Commission held in San Francisco, California, and at other remote locations, on February 28, 2024.

1. Balance as of 6/30/23 is from the MTC FY2022-23 Audit, and it contains both funds available for allocation and funds that have been allocated but not disbursed.

2. The outstanding commitments figure includes all unpaid allocations as of 6/30/23, and FY2023-24 allocations as of 6/30/24.

3. Apportionment to GGBHTD is based on the Sonoma County Transportation Authority's coordinated TDA claim.

4. Unclaimed County Administration charges will be redistributed as carryover for apportionment jurisdictions.

1. Balance as of 6/30/23 is from the MTC FY2022-23 Audit, and it contains both funds available for allocation and funds that have been allocated but not disbursed. Balances from the Northern County/Small Operator and Regional Paratransit programs, previously established by MTC Resolution 3837, have been transferred to the appropriate County Block Grant program.

2. The outstanding commitments figure includes all unpaid allocations as of 6/30/23, and FY2022-23 allocations as of 1/31/24.

3. FY 2023-24 STA revenue generation is based on actuals report from State Controller's Office from August 2023.

4. The projected carryover as of 6/30/2024 does not include interest accrued in FY 2023-24.

5. FY2024-25 STA revenue generation based on forecasts from the State Controller's Office from January 2024.

6. County Block Grant adopted through MTC Resolution 4321 in February 2018, and funded through a 70% share of STA Population-Based funds.

7. Funds for the Transit Emergency Service Contingency Fund are taken "off the top" from the STA Population-Based program.

1. BATA Resolution 93 and MTC Resolution 3948 required BATA to make a payment to MTC equal to the estimated present value of specified fund transfers for the next 50 years (FY2010-11 through FY2059-60) and relieved BATA from making those fund transfers for that 50 year period. The MTC 2% Toll Revenues listed above, commencing in FY2010-11, are funded from this payment.

2. Balance as of 6/30/23 is from the MTC FY2022-23 Audit, and it contains both funds available for allocation and funds that have been allocated but not disbursed.

3. The outstanding commitments figure includes all unpaid allocations as of 6/30/23, and FY2023-24 allocations and as of 1/31/24.

4. MTC Resolution 4015 states that annual funding levels are established and adjusted through the fund estimate for 2%, and 5% bridge toll revenues.

1. Amounts assigned to the claimants in this page will reduce the funds available for allocation in the corresponding apportionment jurisdictions by the same amounts, and may include carryover from previous years

2. Staff recommendation is to maintain the same percentage reduction as FY2023-24, as this reduction aligns with the assumptions that inform the SB 125 distribution framework. The precise distribution of the reduced payment between the bus operators may be adjusted based on operator feedback.
