

**Metropolitan Transportation Commission
Administration Committee**

November 13, 2019

Agenda Item 3a

**MTC Resolution No. 4173, Revised –
Statement of Investment Policy for MTC Fund Management**

- Subject:** Staff requests that the Committee authorize the referral of MTC Resolution No. 4173, Revised to the Commission for the renewal of the MTC Statement of Investment Policy with one suggested change authorizing new Bond Repurchase Accounts (Section VIII).
- Background:** The statement of Investment Policy governs the investment of temporarily idle funds for MTC and all entities managed under MTC. The policy establishes rules and procedures for the administration of all funds, including:
- Permitted investments (Section II) – follows state law for eligible investments with local exceptions for specifically prohibited investments (Section III); and
 - Liquidity levels (Section VI) sets minimum liquidity rules for all funds under management; and
 - Brokerage firms (Section VII) – establishes minimum credit and asset standards for brokers trading for MTC; and
 - Safekeeping (Section X) – establishes requirements that all securities retained in safekeeping “trust” independent of all brokers
- The policy also includes requirements for audit of internal controls, investment reports on a quarterly basis at minimum as well as signature controls and the requirement for annual review and approval by the Commission.
- The only change being requested is a new provision allowing MTC to open brokerage accounts specifically for the purpose of purchasing BATA debt offered by investors in the secondary market (Section VIII). Because these security purchases will be for purchase and delivery to MTC rather than purchase for delivery to MTC safekeeping, the brokers utilized for this purpose will not be required to meet the credit and asset requirements of Section VII.
- Issues:** No Issues Identified
- Recommendation:** Staff recommends that the Administration Committee refer MTC Resolution No. 4173, Revised to the Commission for approval.
- Attachments:** MTC Resolution No. 4173, Revised

I. Prudent Investor Rule:

Funds shall be managed under the “prudent investor standard” which requires all agencies investing public funds to be trustees of those funds, and therefore, fiduciaries subject to the prudent investor standard. When investing, reinvesting, purchasing, acquiring, exchanging, selling or managing public funds, a trustee shall act with care, skill, prudence and diligence under circumstances then prevailing, including, but not limited to, the general economic conditions and anticipated needs of the agency, that a prudent person acting in a like capacity and familiarity with those matters would use in the conduct of funds of a like character and with like aims, to safeguard the principal and maintain the liquidity needs of the agency. All funds shall be invested within the following objectives, in order of priority:

1. Safety: Preservation and safeguard of capital.
2. Liquidity: Funds shall be invested in a manner consistent with operating needs of the agency.
3. Yield: Funds shall be invested to earn a secured and safe return without compromising the objectives of safety and liquidity.

Purchases shall not exceed 180 days maturity, 10% of the outstanding commercial paper of a single issuing corporation and 10% of the agency’s surplus money.
