

IDEA TSP & BusAID Funding Recommendations

Regional Network Management Committee

November 8, 2024

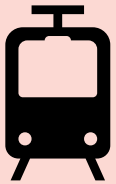

**METROPOLITAN
TRANSPORTATION
COMMISSION**

MTC's Regional Transit Priority Efforts

Established Initiatives

Transit Performance Initiative

(TPI)

Funding

Over \$130 million on 48 projects since 2012

Forward Initiatives

Project Delivery

\$135 million programmed since 2016

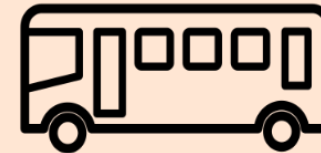

New/Updated Efforts

Regional Transit Priority Policy

Policy

Bus Accelerated Infrastructure Delivery (BusAID)

Funding (Quick-build)

\$18 million allocated in 2024;
\$2 million proposed today

Innovative Deployments to Enhance Arterials (IDEA)

Technical Assistance

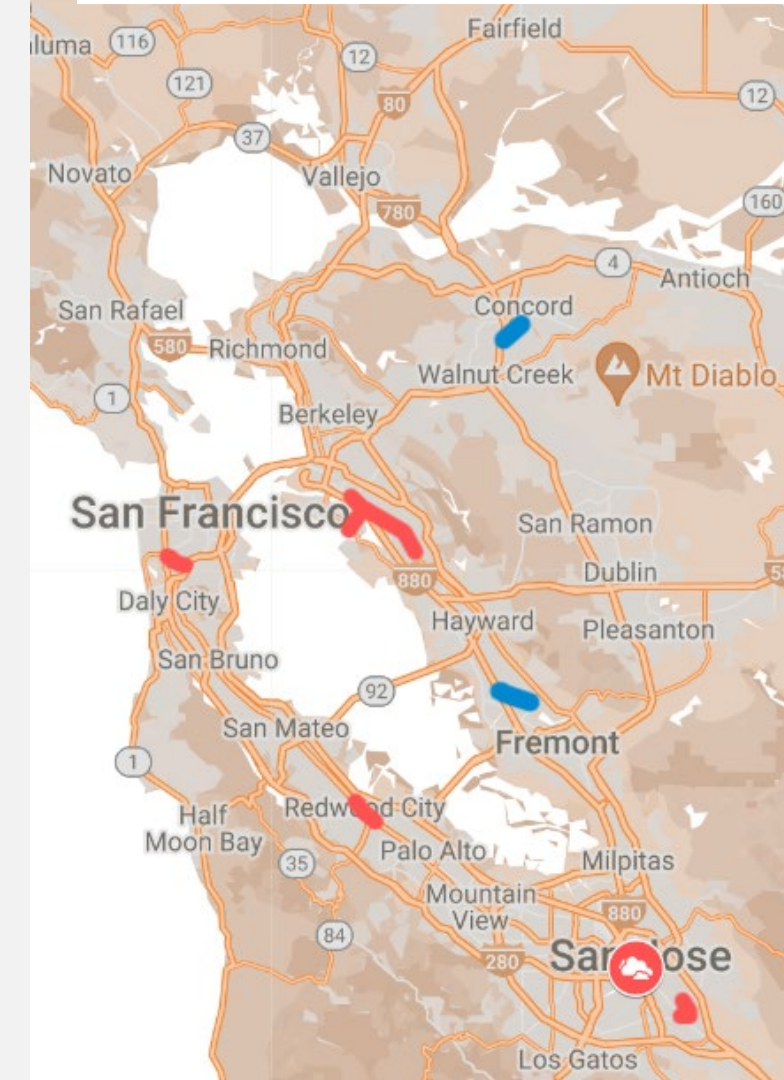

\$2 million proposed today

Bus Accelerated Infrastructure Delivery (BusAID) Program Recap

- Transit Transformation Action Plan (TAP) initiative focused on:
 - Near-term (quick-build) projects
 - “Hotspots” that reduce transit travel times and improve transit reliability
- **Round 1 (May 2024): eight projects totaling \$18M**
 - Project inventory: 87 projects from 21 transit operators
 - 24 high-performing projects advanced to feasibility/readiness assessment review
 - 16 deferred due to project readiness or \$5M/agency funding cap
 - 8 projects awarded funding

Round 1 Projects (May 2024)

- Higher-ridership Operators (>500,000 riders/month)
- Lower-ridership Operators (<500,000 riders/month)

BusAID Round 1.2

- **Bonus Augmentation of Round 1, limited to:**
 - High-performing projects that were not ready in Round 1
 - Transit agencies that did not exceed \$5 million funding award cap in Round 1
- **Received one project submission totaling \$2 million:**
 - SamTrans El Camino Real Corridor-Wide Planning

Round 1.2 Projects (Nov 2024)

■ Higher-ridership Operators
(>500,000 riders/month)

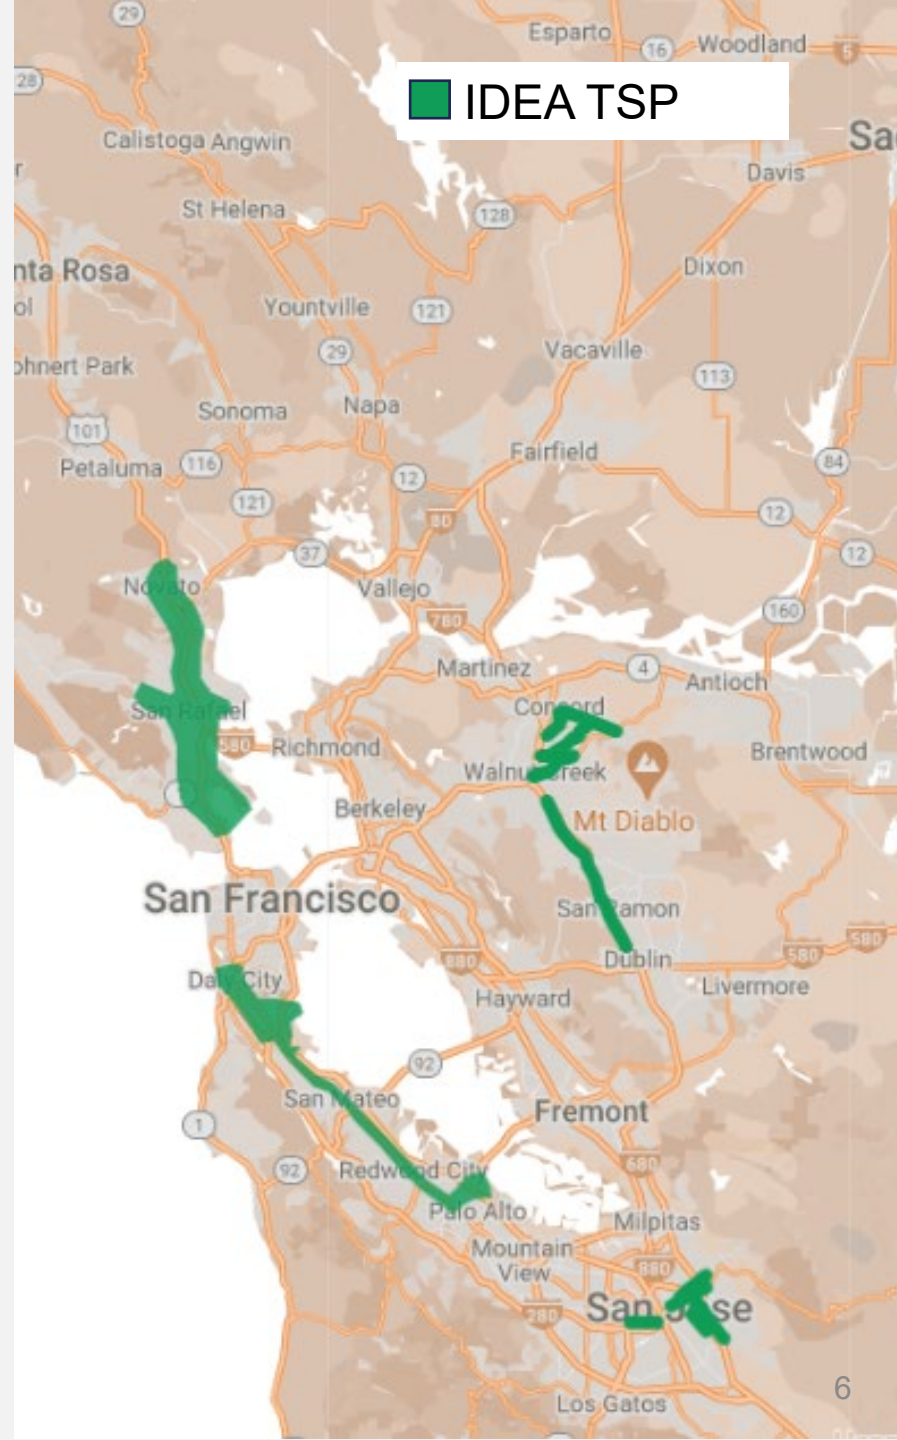

IDEA TSP Call for Technical Assistance

- Innovative Deployments to Enhance Arterials: Transit Signal Priority (IDEA TSP) grants for **technical assistance to support the planning and design phases of TSP projects.**
 - TSP implementation
 - Signal timing optimization
 - Other signal-related transit priority elements
- **MTC will lead procurement of consultants through existing Consultant Benches.**
- **Five projects recommended for funding**
 - Total: \$1.9 million
 - Projects anticipated to kick-off in mid 2025, and be completed within 18-24 months

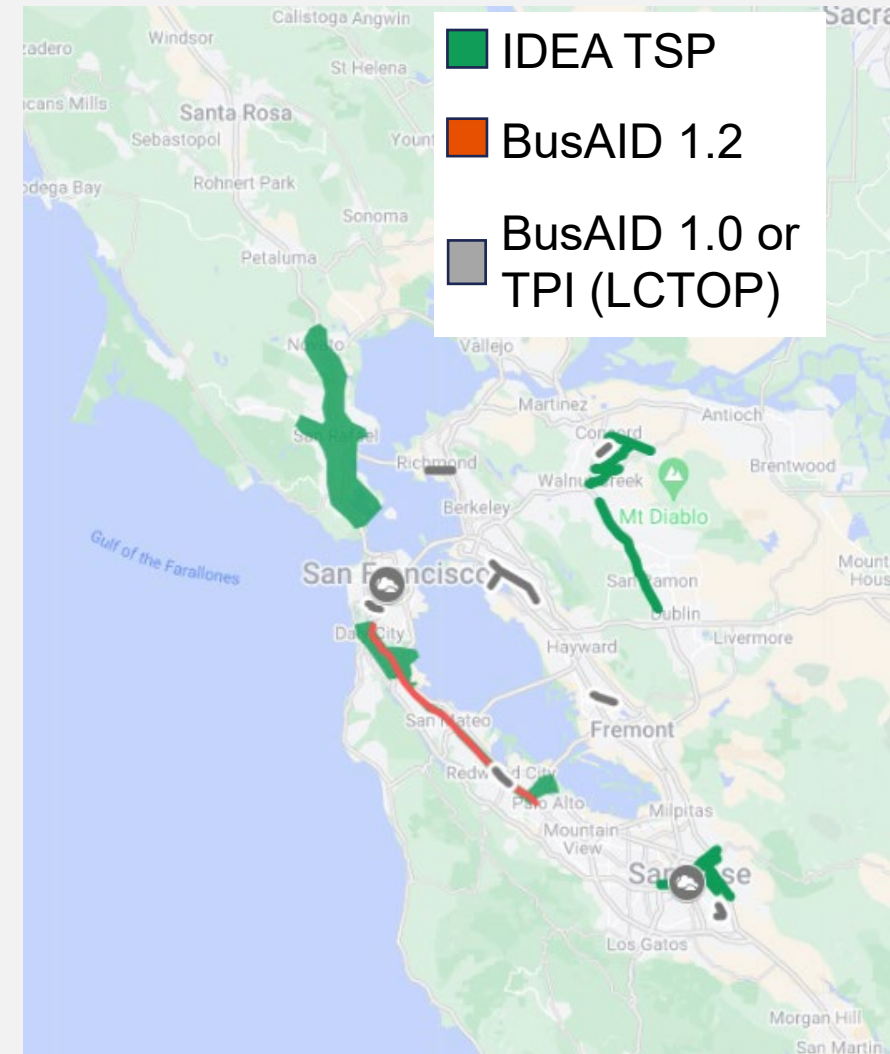

IDEA TSP Recommendations

Applicant	Project	Proposed Funding
CCTA	Danville/Hartz/San Ramon Coordinated Adaptive Traffic Signals	\$ 250,000
County Connection	TSP on Four Corridors	\$ 200,000
TAM	Marin County Signal Modernization Plan	\$ 500,000
SamTrans	Countywide TSP Program Planning	\$ 700,000
City of San José	TSP Evaluation & Signal Retiming	\$ 300,000
Total IDEA TSP		\$ 1,950,000

IDEA TSP & BusAID Funding Recommendations

Applicant	Project	Proposed Funding
CCTA	Danville/Hartz/San Ramon Coordinated Adaptive Traffic Signals	\$ 250,000
County Connection	TSP on Four Corridors	\$ 200,000
TAM	Marin County Signal Modernization Plan	\$ 500,000
SamTrans	Countywide TSP Program Planning	\$ 700,000
City of San José	TSP Evaluation & Signal Retiming	\$ 300,000
Total IDEA TSP		\$ 1,950,000
SamTrans	El Camino Real Corridor-Wide Planning	\$2,000,000
Total BusAID 1.2		\$ 2,000,000
Total (OBAG 2 funding)		\$ 3,950,000

Approval & Next Steps

Requested Action Today: Staff recommends RNM Committee approval of the draft IDEA and BusAID funding recommendations.

- **RNM Council (10/28)**
 - Action: Approve project funding recommendations
- **RNM Committee (11/8) *Today's Item***
 - Action: Approve project funding recommendations
- **Programming & Allocations Committee (11/13)**
 - Approval: Allocation of funds to IDEA TSP & BusAID projects (*consent item contingent on RNM Committee approval*)
- **RNM Customer Advisory Group (11/19)**
 - Informational item
- **MTC Commission (11/20)**
 - Resolution: IDEA TSP & BusAID project funding recommendations (*contingent on above approvals*)
