

**Metropolitan Transportation Commission
Policy Advisory Council**

December 17, 2024

Agenda Item 6e

Notice of Appreciation for Chair Campos

Subject:

Appreciation of Chair Pamela Campos on the occasion of election to the San Jose City Council and for her service to the Policy Advisory Council as she steps off.

Background:

Due to her recent election to the San Jose City Council, Policy Advisory Council Chair Pamela Campos will be stepping down following the December 17, 2024 meeting. Councilmembers are invited to share well wishes as she enters her next chapter.

Pamela Campos joined the Council in January 2022 with a background in early childhood education and a focus on addressing childcare deserts across the peninsula and South Bay. A graduate of Urban Habitat's Boards and Commissions Leadership Institute, Chair Campos has cultivated a steady and inclusive leadership style since succeeding longtime Council Chair Randi Kinman in January 2024 and continuously encouraged staff to consider the impact of MTC policies on Bay Area families and low-income households. Staff would like to extend our heartfelt gratitude to Chair Campos for her service and wish her continued success in the next chapter of her public service.
