

**Metropolitan Transportation Commission
Programming and Allocations Committee**

September 10, 2025

Agenda Item 2b-25-1036

MTC Resolution No. 4646, Revised

Subject:

2025 Transportation Improvement Program (TIP) Amendments 2025-18 (Agenda Item 2b.i) and 2025-19 (Agenda Item 2b.ii). *TIP Amendment 2025-18 was approved by the Commission on September 10 at a special meeting.*

Background:

The TIP is a comprehensive listing of San Francisco Bay Area surface transportation projects that are federally funded, require a federal action, or are considered regionally significant for air quality purposes. The 2025 TIP works to implement the priorities established in MTC's long-range transportation plan, *Plan Bay Area 2050*. The TIP is posted on MTC's website at:

<https://mtc.ca.gov/funding/transportation-improvement-program-tip>.

The 2025 TIP covers the four-year period from federal fiscal year (FY) 2024-25 through 2027-28. The MTC Commission adopted the 2025 TIP on September 25, 2024, and the Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) approved MTC's 2025 TIP on December 16, 2024. The TIP is updated every two years, as required by state statute, and is revised as needed through amendments or administrative modifications.

Agenda Item 2b.i – Amendment 2025-18

Amendment 2025-18 revises three projects, with a net funding increase of \$986.7 million. This revision makes the following changes:

- Revises the scope and funding plan of two projects with FTA 5339 discretionary grants.
- Revises the funding plan of the Golden Gate Bridge Seismic Retrofit Phase 3B project to add \$993.6 million in Other Local funds outside of the four-year TIP period.

The revisions made pursuant to this amendment will not change the air quality conformity finding; therefore, a conformity determination is not required.

The TIP public participation process, including this amendment notice, serves to satisfy the public involvement requirements of the FTA annual Program of Projects (POP) for applicable

funds. Public notice of public participation activities and time established for public review of and comments on the TIP will satisfy the FTA Section 5307 POP requirements.

Agenda Item 2b.ii – Amendment 2025-19

Amendment 2025-19 adds or revises 28 projects, with a net funding increase of approximately \$124.1 million. Among other changes, this revision:

- Adds 15 new projects and updates three existing projects with regional Surface Transportation Block Grant/Congestion Mitigation and Air Quality Improvement Program (STP/CMAQ), Transit Capital Priorities (TCP), and regional Carbon Reduction Program (CRP) funds;
- Adds two new projects and updates one existing project with Rebuilding American Infrastructure with Sustainability and Equity (RAISE), Community Project Funding/Congressionally Directed Spending (CPFCDs), and Railroad Crossing Elimination (RCE) program funds;
- Adds four new projects and updates one existing project with Active Transportation Program (ATP) funds; and
- Adds two new locally-funded projects.

The revisions made pursuant to this amendment will not change the air quality conformity finding; therefore, a conformity determination is not required.

The TIP public participation process, including this amendment notice, serves to satisfy the public involvement requirements of the FTA annual Program of Projects (POP) for applicable funds. Public notice of public participation activities and time established for public review of and comments on the TIP will satisfy the FTA Section 5307 POP requirements.

The TIP Revision Summary for both amendments are attached and posted at:

<https://mtc.ca.gov/funding/transportation-improvement-program/2025-tip/2025-tip-revisions>.

Staff will transmit these amendments to Caltrans after Commission approval. Caltrans will then forward the amendment to FTA and FHWA for final federal agency review and approval.

Issues:

Amendment 2025-18 includes three projects with federal discretionary grants that are subject to lapse if not obligated by September 30, 2025. MTC staff are seeking approval of Amendment 2025-18 at a special Commission meeting on September 10th, to facilitate expedited state and federal approval prior to September 30, 2025.

Recommendations:

Refer MTC Resolution No. 4646, Revised, for TIP Amendments 2025-18 and 2025-19, to the Commission for approval.
