September 4, 2019

Agenda Item 2b

MTC Resolution Nos. 3989, Revised, 4035, Revised and 4202, Revised

Subject: Revisions to the One Bay Area Grant 1 (OBAG 1), One Bay Area Grant 2 (OBAG 2), and MTC Exchange Program, including programming actions within the Freeway Performance, 511 NextGen, Transportation Management System/Connected Bay Area, Incident Management, Innovative Deployment to Enhance Arterials regional programs; and the San Francisco and Santa Clara County Programs.

Background: The OBAG 1 and 2 programs adopted by the Commission establish commitments and policies for investing Surface Transportation Block Grant Program (STP) and Congestion Mitigation and Air Quality Improvement (CMAQ) funds for regional and county programs from FY2012-13 through FY2021-22.

To provide greater flexibility to deliver select priority projects, MTC has entered into agreements, on occasion, to exchange federal STP/CMAQ funds with non-federal local funds. These exchanges do not increase the total amount of funds available to the region, but enable MTC to support key investments within the OBAG 1 and 2 policy framework that are ineligible for federal STP/CMAQ funds. MTC Resolution No. 3989, Revised, describes the procedures governing MTC's Exchange Program and details the agreements and commitments that have been made to date.

This month, staff recommends the following changes to the OBAG 1 and 2 regional and county programs and the MTC Exchange Program:

1. Freeway Performance Program (FPP)

- Redirect \$625,000 in OBAG 2 FPP funds from the SR 84/Dumbarton Forward operational improvements project to fund the environmental phase of I-580 HOV Lane Extension between I-80 San Francisco Oakland Bay Bridge (SFOBB) toll plaza and SR 24. The HOV lane extension is part of a collection of innovative near- to mid-term strategies to address traffic flow and circulation along the I-580 corridor from I-80 in Oakland all the way to SR 238 in San Leandro. Alameda County Transportation Commission (ACTC) is a key partner in this project.

With this action, approximately \$4.4 million in OBAG 2 FPP funds remain programmed for Dumbarton Forward. A fact sheet describing the Dumbarton Forward program of projects and overall funding plan is provided as an attachment, for information only.

- Revise the sponsor of the I-80/Central Ave. Interchange Improvements project from the Contra Costa Transportation Authority (CCTA) to the City of Richmond in both the OBAG 1 and OBAG 2 Freeway Performance programs, as the City will implement the local improvements for the interchange project.

2. Transportation Management Systems (TMS)/Connected Bay Area

- Change the name of the TMS program to Connected Bay Area to better align with the program vision and goals to connect people, agencies, and infrastructure.
- Redirect \$1.8 million in OBAG 2 funds from the Performance-Based Intelligent Transportation Systems (ITS) Device Maintenance & Rehabilitation project and \$2 million from the Detection Technology Pilot project to increase the programmed amount for the I-880 Communications Upgrade and Infrastructure Gap Closures project by \$3.8 million, bringing the total OBAG 2 investment in the project to \$11.9 million. These funds are being added to reflect the industry trend of rising construction costs.

3. Incident Management

- Redirect \$1 million from MTC's I-880 Integrated Corridor Management (ICM) Central Segment project to the North Segment project to cover higher than anticipated costs for system integration, additional supplemental work during construction, and increased costs and contingency for construction management and design services during construction.
- With this action, \$2.6 million remains programmed to the Central Segment, which will cover preliminary engineering and a limited portion of construction. An estimated \$6 million in additional funding is needed to complete the funding plan for this project through construction. Staff will work to identify potential solutions to address the funding gap, which may include constructing the project in phases.

4. 511 Traveler Information

- Within the 511 program, shift \$9.6 million in OBAG 2 funds from the 511 Implementation to the 511 Next Gen project to correctly reflect the assignment of funds to support implementation of the program.

5. Innovative Deployments to Enhance Arterials (IDEA)

- Within the MTC Exchange Program, correct to reflect MTC as the direct recipient of exchange funds for the Concord and Walnut Creek IDEA projects. Funding will be provided, on a reimbursement basis, to each project sponsor pursuant to their respective funding agreements with MTC.
- Within OBAG 2, note that the Livermore Amador Valley Transit Authority (LAVTA) is a partner agency on the Dublin IDEA project.

6. Community-based Transportation Plans (CBTPs)

- At the request of Alameda County Transportation Commission (ACTC), redirect \$300,000 in OBAG 2 CBTP funds to the ACTC's County Transportation Agency (CTA) Planning project, as ACTC intends to complete their CBTPs using local funds. Pending Commission approval of this revision, MTC's funding agreement with ACTC will commit ACTC to incorporate the CBTPs into an existing, non-federalized planning

contract and integrate the effort with their Countywide Transportation Plan update.

7. San Francisco County

- At the request of San Francisco County Transportation Authority (SFCTA), redirect \$3.4 million from the John Yehall Chin Safe Routes to School project to the Better Market Street project as part of an internal fund swap within the San Francisco Department of Public Works (SFDPW). The John Yehall Chin project will be completed with local sales tax funds redirected from the Better Market Street project.

8. Santa Clara County

- At the request of the Santa Clara Valley Transportation Authority (VTA), redirect \$1 million from the Los Altos Miramonte Ave. Bicycle and Pedestrian Access Improvements project and \$1.4 million in un-programmed balances within the county's discretionary funding to three projects, detailed below.

Sponsor	Project	Funding
Cupertino	McClellan Rd. Separated Bike Lane	\$1,000,000
Los Gatos	Shannon Rd. Complete Streets	\$940,100
Campbell	Harriet Ave. Sidewalk Project	\$405,900
		Total \$2,436,000

Issues: None.

Recommendation: Refer MTC Resolution Nos. 3989, Revised, 4305, Revised, and 4202, Revised to the Commission for approval.

ABSTRACT

Resolution No. 3989, Revised

This resolution establishes the procedures governing the MTC Exchange Program. This resolution supersedes MTC Resolution No. 3018.

Attachment B was revised on October 26, 2011 to provide \$376,000 Exchange Program funding to the intertribal Electric Vehicle project.

Attachments B and C were respectively revised on February 26, 2014 to include \$10 million in Exchange Program funding for Transit Oriented Affordable Housing (TOAH), and update final balances of the initial STP Exchange Program (Resolution 3018) to reflect final project close out.

Attachments A and B were revised on December 21, 2016 to program \$1.1 million to the Bay Bridge Forward Commuter Parking Initiative and update the name of the Transit Oriented Affordable Housing Program.

Attachments A and B were revised on July 26, 2017 to program \$8.2 million to the Regional Priority Conservation Area (PCA) program and \$2.8 million to the Regional Active Operational Management Program. An additional \$1 million in exchange funds will be committed to a specific project or program through a future Commission action. This action and associated agreement and programming actions are contingent upon California Transportation Commission (CTC) approval of the amendment to the baseline agreement for the Marin Sonoma Narrows project to accept STP/CMAQ funds rather than local funds.

Attachment B was revised on February 28, 2018 to program \$10 million to the Bay Area Preservation Pilot; \$1,024,000 to Richmond's Bike Share Capital and Outreach project; \$826,000 for the joint Transportation Authority of Marin/Sonoma County Transportation Authority (TAM/SCTA) Bike Share Capital and Outreach project along the SMART Corridor; and redirect \$2,800,000 from Regional Active Operational Management to the Bay Bridge Forward Commuter Parking Initiative project.

Attachment B was revised on March 28, 2018 to program \$30,000 to the Bay Area Greenprint Priority Conservation Area (PCA) Improvements.

Attachments A and B were revised on November 28, 2018 to add the SCVTA SR 85 Transit Guideway Study and the CCTA I-680 NB HOV/Express Lane exchange agreements, and to program \$4,000,000 in Exchange funds to the following projects: \$619,000 to CCTA for Innovative Deployment for Enhanced Arterials; \$621,000 to the city of Walnut Creek for innovative Deployment for Enhanced Arterials; \$500,000 to the city of Richmond for the Richmond-San Rafael Bridge Bikeway Access; \$1,160,000 to MTC for Richmond-San Rafael Bridge Forward; and \$1,100,000 to MTC for Napa Valley Transportation Demand Management Strategies.

Attachment B was revised on March 27, 2019 to change the recipient of the Concord IDEA project from CCTA to the City of Concord and reduce the funding from \$619,000 to \$589,000; and reduce the funding amount for the MTC Richmond-San Rafael Bridge Forward project from \$1,160,000 to \$1,046,000; and redirect these funds to a new project with MTC as the recipient for the Concord IDEA project for \$144,000. The matching funds for the Concord IDEA project as identified in MTC Resolution 4357, are included within the \$144,000 amount. These changes result in no net change to total funds committed to-date.

Attachment A was revised on June 26, 2019 to cancel the \$1,200,000 exchange agreement with the SCVTA for the SR 85 Transit Guideway Study as the funds provided through the exchange are no longer needed.

Attachment B was revised on September 25, 2019 to reflect MTC as the direct recipient of exchange funds for the Concord and Walnut Creek IDEA projects; funds will be provided on a reimbursement basis to each project sponsor pursuant to their respective funding agreements with MTC.

Further discussions are contained in the Programming and Allocations Committee summary sheet dated February 9, 2011, October 12, 2011, February 12, 2014, December 14, 2016, July 12, 2017, February 14, 2018, March 7, 2018, November 14, 2018, March 6, 2019, June 12, 2019, and September 4, 2019.
