

April 2025 Recommended RM3 Allocation – Project Summary

RM3 Project #19.1 – Contra Costa I-680/SR-4 Interchange Improvements (\$7 million)

The Contra Costa Transportation Authority (CCTA) is the project sponsor for RM3 Project 19, Interstate 680/State Route 4 Interchange Improvements. RM3 provides \$210 million in toll funds for improvements to the I-680/SR-4 Interchange to improve safety and reduce congestion, including, but not limited to, a new direct connector between northbound I-680 and westbound SR-4, a new direct connector between eastbound SR4 and southbound I-680, and widening of SR-4 to add auxiliary lanes and high occupancy vehicles lanes. In February 2021, MTC approved and issued an \$8 million LONP for the final design of the Interstate 680/State Route 4 Interchange Improvements.

Since the last allocation, CCTA completed the 100% Plans, Specifications, and Estimates (PS&E) phase and is ready to start the right-of-way capital phase. MTC has allocated \$14 million in RM3 funds for Project 19.1, Interstate 680/ State Route 4 (I-680/SR-4) Interchange Improvements project phases 1, 2A, and 4 via Delegated Authority and CCTA now requests \$7 million in RM3 funds for the right of way capital phase. CCTA anticipates requesting the first construction allocation in October 2025.
