

Bay Area Transit Operators'

# Healthy Transit Plan Dashboard Update

## Join us in keeping the Bay Area Transit System safe.

Welcome to our dashboard which reports progress on our common commitments to keep our employees and customers safe. This dashboard, developed by all the Bay Area transit agencies, reflects four key metrics in our partnership with customers and the shared responsibilities we all have for reducing the spread of COVID-19.

We're in this together to keep everyone healthy.

## Agency Commitments

- ✓ State mandated and properly-worn **face coverings** are required.
- ✓ Agencies are **managing capacity** to allow for safe distancing.
- ✓ We're **cleaning and disinfecting** our vehicles, stations, workspaces, and high-touch areas daily to keep everyone healthy.
- ✓ Agencies are **sharing data** between agencies and on this dashboard.
- ✓ Agencies will clearly **communicate rules and expectations**.

### Additional Paratransit Commitment:

- ✓ **Contact outreach** if a customer is reported as infected.

## Customer Responsibilities & Tips

- ✓ **Wear a mask when you ride.** Properly worn face coverings are mandatory.
- ✓ **Give others space** to keep everyone healthy. Plan your trip and avoid crowded vehicles.
- ✓ **Wash your hands** before and after your trip. Carry hand sanitizer with you.
- ✓ **Reduce the spread** of COVID-19 – minimize talking when possible.
