DISCUSSION

4. [18-0158](#) Linking Transportation Funding and Housing Outcomes (Anne Richman)

The Commission directed MTC/ABAG staff to report back by July 2018 on supplemental housing condition criteria that would consider all funding sources for public and stakeholder review. As a follow-up to the last Partnership Board meeting, this item is an open ended discussion about this and other strategic funding questions facing the region. A series of questions and some background will be provided to jumpstart the discussion.

5. [18-0159](#) Futures and Future Mobility (Matt Maloney)

Staff is kicking off an effort called Futures to examine multiple sets of external conditions - new technologies, unexpected natural or manmade disasters, economic booms and busts, and political volatility - and think through policy and investment solutions that make sense in each distinct future. At the same time, the landscape around us is changing quickly as it relates to shared use mobility services and autonomous vehicles. We welcome a discussion of the related regional and local policy implications, near-term issues to be addressed by the Partnership, and how to best partner and align our collective goals to stay on top of these fast-moving changes.
