1. Horizon Transform-the-Future Executive Board Activity

Information

Staff will provide a quick review of key findings from the Horizon: Futures Interim Report and introduce a group activity known as Transform-the-Future, which was the basis of a half-day stakeholder workshop in mid-March. Elected officials will have the opportunity to play the “game” addressing the unique challenges for transportation, land use, economic development, and environmental resilience presented by a given Horizon future in a fiscally-constrained environment.
