

ASSOCIATION OF BAY AREA GOVERNMENTS

Representing City and County Governments of the San Francisco Bay Area

Date: April 22, 2020

Re: **Chart of Existing MTC and ABAG Committees and Members**

Attached is an Excel chart that lists existing ABAG and MTC committees and their membership and is laid out in a such way that it crosswalks the committees so you can see who currently sits on each one and who sits on multiple committees.

If the two boards decide to further develop this concept, staff will begin putting together research on the administrative, procedural and representational issues that would need to be addressed before a final decision on committee consolidation is made. As part of that work, we would put together reports and options for each committee.
