---

This is the ABAG Administrative Committee report for February 20, 2020.

The ABAG Administrative Committee met jointly with the MTC Planning Committee on February 14, 2020.

The Committee received the following reports:

ABAG Resolution No. 02-2020, ABAG Resolution No. 03-2020, and MTC Resolution No. 4410: Plan Bay Area 2050: Draft Blueprint Growth Geographies

- Proposed Growth Geographies for integration into the Plan Bay Area 2050 Draft Blueprint, including existing and new locally nominated Priority Development Areas (PDAs), Priority Production Areas (PPAs), and Priority Conservation Areas (PCAs), as well as select Transit-Rich and High-Resource Areas outside PDAs.

Plan Bay Area 2050: Draft Blueprint - Strategies

- Proposed strategies for integration into the Plan Bay Area 2050 Draft Blueprint, which will be analyzed further this winter with findings to be released in spring 2020 for further public feedback.

The ABAG Administrative Committee did not have quorum and did not take action on these items.

Staff will next give presentations on these items and the ABAG Executive Board will be asked to take action on them.

Because the ABAG Administrative Committee did not take action at its meeting, this report is an informational item to the ABAG Executive Board.

This concludes the committee report.
