Agenda Item 6.c.

San Francisco Estuary Partnership

Subject:

Adoption of Resolution No. 10-2022 authorizing to submit an application and execute an agreement with the California State Parks Division of Boating and Waterways on behalf of the San Francisco Estuary Partnership's Clean Vessel Act Program in an amount not to exceed \$450,000

Background:

The San Francisco Estuary Partnership's (SFEP) Clean Vessel Act (CVA) Program focuses on preventing sewage pollution to waterways through work at marinas, boater education, and enhancing the sewage pump-out network within the eleven county San Francisco Bay-Delta region plus Monterey and Santa Cruz counties. CVA work is SFEP's longest-running grant program; it is funded through an annual award from the Department of Boating and Waterways (DBW). To apply for the DBW Clean Vessel Act Education and Outreach Grant, a resolution is needed authorizing ABAG to submit an application and to execute an agreement if the application is successful. The resolution requires including that ABAG can meet the 33% match requirement of the grant.

Issues:

None

Recommended Action:

The Executive Board is requested to adopt Resolution No. 10-2022 authorizing the Executive Director of the Metropolitan Transportation Commission, or her designee, on behalf of the Association of Bay Area Governments and the San Francisco Estuary Partnership, to submit an application to the California State Parks Division of Boating and Waterways under the Clean Vessel Act and, if awarded, to enter into a grant agreement in an amount up to \$450,000.
