Administration Committee

May 10, 2023

Agenda Item 3b - 23-0646

**MTC Resolution No. 1058, Revised. Commission Procedures Manual
Updates**

Subject:

A request that the Committee refer MTC Resolution No. 1058, Revised to the Commission for approval in consideration of updates to the Commission Procedures Manual in the areas of standing committee transition of the Operations Committee to the Regional Network Management Committee and Executive Committee composition.

Background:

In February of this year, the Commission approved the Regional Network Management framework, which included a structure for carrying out the objectives of the regional network management program. In furtherance of the Commission's commitments to that plan, staff requests that the Committee refer the attached changes to the Commission Procedure Manual for adoption by the Commission. The key change in the attached is the transition of the Operations Committee to the Regional Network Management Committee. The newly reconstituted committee will continue the existing work of the Operations Committee, while adding the regional network management responsibilities identified by the Commission.

In addition to the committee change, the proposed amendment also makes smaller edits to the Procedure Manual, including adding Regional Network Management and BAIFA Network and Operations Committee representation to the Executive Committee, clarifying meeting start times and streamlining voting procedures for the Joint Legislation Committee.

Next Steps:

Staff will incorporate any feedback from the Committee into the Commission item.

Issues:

None identified.

Recommendations:

Refer MTC Resolution No. 1058, Revised to the Commission for adoption.

The RNM Committee retains the former responsibilities and subject matter jurisdiction of the Operations Committee and adds the Regional Network Management functions identified in the Commission's February, 2023 adopted Regional Network Management Framework (MTC Resolution 4564). In the same action, the Manual was updated to reflect expanded membership of the MTC Executive Committee, adding the chair of the Bay Area Infrastructure Finance Authority Network and Operations Committee. PROCEDURES MANUAL

INTRODUCTION

The Metropolitan Transportation Commission (MTC) is the regional transportation planning agency for that area of California comprising the City and County of San Francisco and the Counties of Alameda, Contra Costa, Marin, Napa, San Mateo, Santa Clara, Solano, and Sonoma (Government Code § 66500 *et seq.*). These nine counties of the Bay Area cover an area of approximately 7,000 square miles and have a population of approximately 7.2 million (2010 census). Within the structure of California governmental agencies, MTC is classified as a local area planning agency and not as part of the executive branch of the state government.

In accordance with its legislative mandate, MTC adopted a Regional Transportation Plan (RTP) in June 1973. Thereafter, the Commission has regularly reviewed and revised the RTP in compliance with the statutory requirement of continuing plan review. The enactment of Senate Bill 375 (Steinberg) in 2008 requires MTC to adopt a Sustainable Communities Strategy (SCS) together with its RTP to strive to reach greenhouse gas (GHG) reduction targets. The first SCS/RTP is scheduled for adoption in 2013.

The Commission is charged with certain responsibilities for implementation of the SCS/RTP, as well as the RTP standing alone. Applications of local agencies for grants of certain state and federal transportation funds are subject to MTC review and approval as to their compatibility with the RTP. Generally, the state must conform to the RTP in allocating funds for construction on the state highway system within the MTC region.

Legislation passed in 1997 gave MTC increased decision-making authority over the selection of project and allocation of funds for the State Transportation Improvement Program (STIP). MTC is the agency responsible for allocation of local transportation funds among qualified claimants

under the Transportation Development Act (TDA) (Public Utilities Code § 99200 *et seq.*). The TDA statute provides MTC with a role in fulfilling fiscal and performance audit requirements with respect to claimants of TDA funds.

Under AB 1107 (Public Utilities Code § 29142.2), MTC allocates among eligible claimants one-fourth of the one-half cent Bay Area Rapid Transit District (BART) sales tax in Alameda, Contra Costa and San Francisco counties. Under AB 664 (Streets and Highways Code § 30880 *et seq.*), MTC is responsible for allocation of net revenues of state toll bridges located within the region. Pursuant to Streets and Highways Code § 30889, MTC may establish tolls for such bridges in order to generate net revenues provided that net revenues may not exceed the average net revenues available during fiscal year 1977-78 and 1978-79, except as may be adjusted annually according to the appropriate inflationary index as adopted by MTC. SB 620 (Public Utilities Code § 99310 *et seq.*) provides MTC with authority to allocate the regional share of the State Public Transportation Account.

MTC is responsible for meeting state and federal Transportation Improvement Program (TIP) requirements for the Bay Region. (Government Code § 65080 *et seq.* and 23 Code of Federal Regulations Section 450 Subpart B.) The Commission is the region's Metropolitan Planning Organization (MPO) and conducts the continuing, comprehensive, cooperative planning program necessary to maintain this region's eligibility for federal transportation funding. (23 Code of Federal Regulations Section 450 Subpart A.) MTC is the designated recipient of large urbanized area Federal Transit Administration (FTA) formula funds, such as 5307, 5339, and 5337. MTC is also designated other responsibilities for FTA funds by the California Department of Transportation (Caltrans), such as the 5303 planning funds, 5311, and 5310.

Through state law, MTC has programming responsibilities for Federal Highway Administration (FHWA) funds such as Surface Transportation Program (STP) and Congestion Mitigation and Air Quality Improvement (CMAQ). MTC is also responsible for submitting a Regional Transportation Improvement Program to the California Transportation Commission and Caltrans every two years.

MTC has conducted special planning studies at a multi-regional and subregional level. Examples include the Transit Connectivity Plan, the Transit Sustainability Project, and the Regional Goods Movement Study. MTC is jointly responsible with the Association of Bay Area Governments (ABAG) and the Bay Area Air Quality Management District (BAAQMD) for air quality planning to meet the requirements of the federal Clean Air Act, as amended, and shares with the BAAQMD the responsibility for air quality transportation control measures under the state Clean Air Act, as amended. MTC shares with ABAG the responsibility for preparing the SCS.

The Metropolitan Transportation Commission Service Authority for Freeways and Expressways (“MTC SAFE”) was created by legislation effective January 1, 1988 (Streets and Highways Code § 2550 *et seq.*), which authorized the creation of an MTC SAFE to provide for implementation, maintenance and operation of motorist-aid services through a call box program linked directly to the California Highway Patrol and a fleet of roving tow truck patrols, the Freeway Service Patrol. Under the law, MTC oversees the regional SAFE, which was officially convened in mid-1988.

The Bay Area Toll Authority (“BATA”) was created by legislation effective January 1, 1998 (Streets & Highways Code § 30950 *et seq.*) to administer the base \$1 toll on the San Francisco Bay Area’s seven state-owned toll bridges. Pursuant to additional legislation including SB 60, AB 1171, AB 144 and AB 1175 and voter-approved toll increases, tolls in addition to the \$1.00 base toll are collected and administered. Under the law, MTC serves as BATA.

In July, 2012 AB 57 (Beall) was chaptered. AB 57 amended Sections 66503 and 66504 of the Government Code to add, effective January 1, 2013, two additional voting seats on the commission and impose certain other requirements on commissioner appointments as further outlined in Part I of this Commission Procedures Manual.

In 2015 Congress enacted, and the President signed into law the FAST Act (23 U.S.C. §101). Title 23 U.S.C. §134 (d)(2) provides that a metropolitan planning organization shall consist of local officials, officials of public agencies that administer or operate major modes of transportation in the metropolitan area, including representation by providers of public transportation, and appropriate

State officials. Title 23 U.S.C. §134 (d)(3)(B) provides that, subject to the bylaws or enabling statute of the metropolitan planning organization, a representative of a provider of public transportation may also serve as a representative of a local municipality.

In October 2019, AB 1487 (Chiu) was chaptered. AB 1487 added Title 6.8 to the Government Code, commencing with Government Code Section 64510, which created the Bay Area Housing Finance Authority (“BAHFA”) with jurisdiction extending throughout the San Francisco Bay Area and provided that BAHFA shall be governed by the same board that governs MTC.

For the purposes of this Commission Procedures Manual, the term “MTC” includes the four agencies: the Metropolitan Transportation Commission, the Metropolitan Transportation Commission Service Authority for Freeways and Expressways, the Bay Area Toll Authority and the Bay Area Housing Finance Authority. It also includes two joint powers authorities formed by MTC and BATA: the Bay Area Infrastructure Financing Authority (“BAIFA”), and the Bay Area Headquarters Authority (“BAHA”).

I. THE COMMISSION AND COMMISSIONERS

1.01. Commissioners. Effective January 1, 2013, there are eighteen voting commissioners. The City and County of San Francisco and the Counties of Contra Costa and San Mateo, each have two commissioners, and the Counties of Alameda and Santa Clara each have three commissioners, appointed as follows: the Board of Supervisors of each county appoints one commissioner; in San Francisco, the Mayor appoints one commissioner; in each of the remaining counties, the City Selection Committee appoints one commissioner; and in the Counties of Alameda and Santa Clara, the Mayors of the Cities of Oakland and San Jose shall be self-appointed or shall appoint a member of their respective City Councils to serve as the third commissioner . The Counties of Marin, Napa, Solano, and Sonoma each have one commissioner who is appointed by the county's Board of Supervisors from a list of three nominees furnished by the Mayor's Selection Committee. The Association of Bay Area Governments appoints one commissioner who shall not be from the Counties of Alameda or Santa Clara or from the City and County of San Francisco. The San Francisco Bay Conservation and Development Commission appoints one commissioner, who shall be a resident of the City and County of San Francisco approved by the Mayor of San Francisco. All appointments are subject to Section 1.02.

Effective September 28, 2016, any sitting commissioner who also serves on the board of a public transit agency shall be deemed to be a representative of a provider of public transportation within the meaning of the FAST Act (“Transit Representative”). Subsequent to September 28, 2016, at the beginning of each Commission term, the Chair shall designate and the Commission shall approve any sitting commissioner who also serves on the board of a public transit agency as a Transit Representative. Upon a vacancy occurring during a Commission term of a commissioner then serving as a Transit Representative, the Chair shall designate, and the Commission shall approve, one or more representatives not then currently designated, if any, from the commissioners then currently on the board who are also serving on a board of a transit agency as a Transit Representative.

The Commission's enabling legislation provides for three non-voting members, one appointed by the Secretary of the Business, Transportation and Housing Agency, and one each appointed by the United States Department of Transportation, and the United States Department of Housing and Urban Development.

1.02. Selection. The basis for selection of a commissioner is special familiarity with the problems and issues in the field of transportation. Elected or appointed public officers may serve as commissioners during their terms of public office. The effect of this is that such public officers are not prohibited from being commissioners; i.e., the two positions are not necessarily incompatible. No more than three voting members of the Commission shall be residents of the same county.

1.03. Term of Office. The term of office of a commissioner is four years. Since the initial term for commissioners commenced February 10, 1971, the organizational meeting date of the Commission, the four-year terms of commissioners shall commence quadrennially from that date. The current appointment term began February 10, 2019. The next appointment dates are February 10, 2023 and February 10, 2027. Appointments to fill a resignation or vacancy during a term shall be only for the balance of such term. Commissioners shall continue to serve as such until reappointed or until their successor is appointed; provided that, where a commissioner has been appointed as a public officer, the commissioner must vacate his/her Commission seat upon ceasing to hold such public office, unless the appointing authority consents to completion of the commissioner's term (Government Code Section 66504).

1.04. Oath of Office. Commissioners shall complete oath of office forms when they are appointed to the Commission, which are then notarized. The original is kept on file at the MTC offices.

1.05. Conflict of Interest Code. The Commission adopted a conflict of interest code by Resolution No. 1198, Revised (Appendix A), which was subsequently approved by the State of California Fair Political Practices Commission. Commissioners are required to file annual statements of economic interest and within thirty days of assuming or leaving office.

1.06. Alternates. There is no provision for voting alternates for the voting commissioners. Substitutes may sit on behalf of non-voting commissioners.

1.07. Reimbursement. Commissioners serve without compensation. Commissioners are entitled to receive reimbursement for actual and necessary expenses incurred in connection with the performance of their duties. In lieu of such reimbursement for attendance at Commission or committee meetings, each commissioner shall receive one hundred dollars (\$100.00) per meeting for a maximum of five (5) such meetings in any one calendar month, plus necessary travel expenses as authorized by the Commission pursuant to the rates and terms set forth in Appendix B to this manual. Commissioners may be reimbursed a separate per diem for each such meeting in any one day up to the monthly maximum reimbursement number of meetings. The monthly maximum is calculated and applied separately to MTC, BATA and BAHFA; provided however that for BAHFA a maximum of two monthly meetings shall be applicable. BAIFA and BAHA meeting per diem is applied and counts toward the BATA monthly maximum. No reimbursement applies to MTC SAFE meetings.

1.08. Travel Expenses. Commissioners shall be paid necessary traveling expenses as may be authorized from time to time by the Commission. The Commission policy for travel expenses is set forth in Appendix B to this manual. The policy applies to all MTC employees as well.

1.09. Orientation for New Commissioners. When a new commissioner is appointed to the Commission, the Secretary to the Commission will provide the commissioner, along with administrative materials, copies of the current major MTC, BATA, BAHFA, MTC SAFE, BAIFA and BAHA documents and an overview of the content of these documents. The Secretary will also arrange an orientation session for the new commissioner with the Executive Director and section managers.

II. OFFICERS

2.01. Commission Officers. There are two (2) Commission officers: a Chair and a Vice-Chair. Any voting commissioner is eligible to hold the office of Chair or Vice-Chair. Non-voting commissioners are ineligible for such offices.

2.02. Term. The Chair and Vice-Chair shall serve two-year terms commencing upon elections at the regular Commission meeting in February of odd numbered years. A commissioner may serve as Chair or Vice-Chair without restriction as to number of terms. The Chair and Vice-Chair shall serve as such until their successors are elected.

3.11. Regional Transportation Plan Revisions. Revisions of the Commission's adopted Regional Transportation Plan (RTP) are prepared as the need arises. Except for revisions approved by the Commission under emergency procedures, revisions to the RTP are considered by the Commission for adoption every four years. Review of proposed Plan revisions is assigned to a standing committee of the Commission, which shall make recommendations to the full Commission for Plan revision. Notice of proposed revisions will be provided in conformance with applicable law and the MTC Public Participation Plan, MTC Resolution No. 4174. Not earlier than twenty (20) days after this distribution of the proposed revisions, and at a time convenient to the public, no less than (2) public hearings shall be held in the region to receive comments, suggestions, and reactions to the proposed revisions. Additional hearings may be scheduled if necessary to allow opportunity for

public comment in parts of the region significantly affected by proposed revisions. These public hearings may be conducted by less than a quorum of the Commission. A transcript or summary of the public hearings shall be provided to all commissioners prior to their acting on the Plan revisions. Notice of the public hearings shall appear in major newspapers of the region and other media as appropriate at least thirty (30) days prior to the scheduled hearings.

In the event that any public meeting conducted by MTC is willfully interrupted or disrupted by a person or by a group or groups of persons so as to render the orderly conduct of the meeting unfeasible, the Chair may order the removal of those individuals who are willfully disrupting the meeting. Such individuals may be subject to arrest. If order cannot be restored by such removal, the members of the Commission may direct that the meeting room be

cleared (except for representatives of the press or other news media not participating in the disturbance), and the session may continue on matters appearing on the agenda.

IV. COMMISSION COMMITTEES

4.01. Types. Commission committees are designated as standing committees, special committees, or advisory committees.

4.02. Policy. It is the general policy of the Commission to receive comments from the public on specific items at committee meetings. Summaries of these comments shall be included in the committee minutes and forwarded to all commissioners.

4.03. Standing Committees. Each standing committee is charged with subject matter responsibility over specific element(s) of the Commission's overall mission and/or organizational functions. Standing committees shall be composed solely of commissioners. Non-voting commissioners may be appointed to standing committees. Notwithstanding that there may be a quorum of the Commission (10 or more commissioners commencing January 1, 2013) in attendance at a standing committee meeting, no standing committee may act for the full Commission unless the meeting is noticed, in accordance with the Brown Act, as a Commission meeting. Each standing committee shall be responsible for reviewing comments of appropriate MTC advisory committees and such comments shall accompany any standing committee recommendations to the Commission.

4.04. Special Committees. The Commission may establish special committees to supervise the development of a specific task or project. Membership of special committees is not limited to commissioners. Composition of special committees will depend upon the task to be performed and may involve the participation of private individuals or representatives of other public agencies.

4.05. Advisory Committees. Advisory committees are discussed in Section 4.14C.

4.06. Appointments to Committees.

A. Manner of Appointment. The Chair of the Commission, subject to the approval of the Commission, shall appoint members of standing committees and special committees to the extent that special committee appointments are the responsibility of MTC. The Commission Chair

shall designate the Chair and Vice-Chair of the standing committee, subject to approval of the Commission. Designation by the MTC Chair of special committee chairs and vice-chairs is subject to the approval of the Commission to the extent that these appointments are the responsibility of MTC. Appointments to advisory committees shall be made by the Commission in accordance with the Commission resolution establishing the particular advisory committee. In the event the Chair and Vice-Chair of a standing committee are not present at a standing committee meeting, the committee members present shall select a Chair Pro Tem for that meeting from among themselves.

B. Term. Subject to Section 2.04, appointments to standing committees shall be for the term of the Commission Chair. Appointments of commissioners to special committees shall be for the term of the Commission Chair. Other appointments to special committees shall be for a term dependent upon the function of the special committee as set forth in the resolution which governs the special committee. Appointments to advisory committees are for a term dependent upon the function of the advisory committee as set forth in the resolution establishing the particular advisory committee.

4.07. Quorum. The quorum for committees established by the Commission shall be a majority of the committee's non-ex-officio voting membership. Except as otherwise provided in Sections 2.04 and 2.05, if necessary to establish a quorum of a committee at a meeting, the Chair and Vice-Chair of the Commission, as ex-officio members of the committee, shall become voting members for that meeting. Unless otherwise approved by the Commission and except as otherwise provided in Sections 2.04 and 2.05, MTC standing committees shall have eight (8) voting members, as approved by the Commission, plus the MTC Chair and Vice-Chair as ex-officio, voting members.

Every member of the Commission who is not a voting member of a standing committee is an ad hoc non-voting member. Although a quorum of the Commission may be in attendance at a meeting of a standing committee, the committee may take action only on those matters delegated to it. The committee may not take any action as the full Commission unless a meeting has been previously noticed as a Commission meeting.

An ad hoc non-voting committee member who is also a voting member of the Commission may be designated by the committee chairperson as a voting member at a particular committee meeting if an additional voting member is needed for a committee quorum. In the case of joint committees formed with ABAG, additional provisions contained in Appendix E shall also apply.

4.08. Open Meetings. It is recognized that "legislative body" as defined in the Brown Act does not include committees composed solely of commissioners when they number less than a quorum of the Commission or a quorum of a standing committee. It is the intention of the Commission to apply the Brown Act to include all non-ad-hoc committees created by the Commission, not just those identified as advisory commissions or committees. All meetings of non-ad-hoc committees created by the Commission, with the exception of closed sessions permitted by the Brown Act, shall be open meetings properly announced in accordance with the provisions of the Brown Act.

4.09. Notice of Meetings. Notice of regular committee meetings shall be given consistent with applicable provisions of the Brown Act and posted adjacent to the front door of the Bay Area Metro Center not less than 72 hours, preceding the date of the meeting. If a special meeting is called on short notice, then notice shall comply with the requirements of Subsection 3.04 B of these procedures. The notice shall announce the date, time, and location of the meeting together with an agenda. This notice shall be sent to all commissioners and to media representatives, concerned individuals, and organizations who have filed a request for receipt of notice of committee meetings and posted in the MTC library. Special meetings of committees shall comply with the minimum notice provisions of the Brown Act. Notices of postponed or canceled committee meetings shall be posted adjacent to the front door of the Bay Area Metro Center not less than 72 hours prior to the regular date of the meeting and shall state the date, time, and location of the next committee meeting if possible. Notices of meetings held earlier than the regular meeting date shall be sent out and posted adjacent to the front door of the Bay Area Metro Center as soon as possible.

Minutes shall include a record of attendance, a summary of motions, resolutions, consensus items, discussion on motions receiving a split vote and/or resulting in a direction to staff or a Commission committee, other business, and public comment.

4.13. Reimbursement and Travel Expenses. Commissioners who are members of standing or special committees shall be entitled to receive in lieu reimbursement for attendance at such committee meetings in accordance with Government Code Section 66504.1. (See Appendix B.) Members of special committees appointed by the Commission and members of advisory committees appointed through Commission resolutions shall be reimbursed for their necessary travel expenses in accordance with the Commission's current procedures regarding this subject. (See Appendix D.)

Commissioners appointed by the Chair or the full Commission to represent MTC on committees other than those created by MTC shall be entitled to receive the MTC per diem and necessary travel expenses for attendance at such committee meetings. If the procedures of such committees require or permit the appointment of an alternate representative, MTC alternates to such committees may not claim per diem or travel expenses for any meeting at which the MTC commissioner is also present and claiming per diem.
