MTC Resolution 4347, Revised.**Lifeline Transportation Program Cycle 5 Program of Projects**

Subject:

Revision to the Lifeline Transportation Program (LTP) Cycle 5 Program of Projects to redirect \$120,000 from the Porter Street Crossing Improvements to the Broadway Street Improvements project.

Background:

Since 2005, MTC's Lifeline Transportation Program (LTP) has been supporting projects that improve mobility for the region's low-income communities. The program is administered in coordination with the region's transit agencies and nine county transportation agencies (CTAs). Under LTP Cycle 5 (2018), \$400,000 was set aside to implement the projects included in the City of Vallejo's (City) Community Based Transportation Plan (CBTP). A total of three (3) projects were funded in Cycle 5. One of the projects, the Porter Street Crossing Improvements, is being funded by a private developer and as a result, the City is requesting that the LTP funds be reprogrammed to another high priority CBTP project. The City is requesting to reprogram the \$120,000 in State Transit Assistance funding from the Porter Street Crossing Improvements, to the Broadway Street Improvements project. The Broadway Street Improvements would construct a paved sidewalk on the west side of Broadway St. between Delaware St. and Texas St. to increase pedestrian safety.

Staff recommends reprogramming \$120,000 in State Transit Assistance (STA) funds from the City of Vallejo's Porter Street Crossing Improvements to the Broadway Street Improvements project in the LTP Cycle 5 program.

1	Preservation of Existing Services in Communities of Concern	AC Transit	The project aims to continue and improve transit service to several key Communities of Concern in the southern, central and northern portions of Alameda County. The routes (Route 20, 40, 51A, 51B, 72, 800, and 801) serve low-income communities that have been identified because of spatial gaps in service in the Community Based Transportation Plan (CBTP).	2,051,426	83,748		1,514,825	3,649,999	
2	Route 14 Operating Assistance	LAVTA	Wheels Route 14 provides service between the North Livermore Low Income Community and a variety of essential destinations including shopping, employment, healthcare, and direct regional rail connections via the Livermore Transit Center/ACE station and Dublin/Pleasanton BART station.	320,000				320,000	
3	Coliseum BART Elevator Renovation Project	BART	Renovation of two elevators at the Coliseum BART Station as part of Phase 1 for the Elevator Renovation Program. Notes

- (1) Because the FY 18 actual STA amounts will be confirmed by the State Controller after July 2018, only 95 percent of each county's STA amount will be available to be claimed by project sponsors until further notice. The County Lifeline Program Administrators programmed 95 percent of their county's STA amount, and then developed a contingency plan for the remaining five percent should it be available. Some agencies have contingencies unprogrammed.
- (2) On 12/19/18, Santa Clara County projects are being programmed.
- (3) Funds are being reserved for each PB Pilot program as listed. Specific projects will be amended and add into this Cycle 5 program, once projects have been recommended through the PB Pilot program process.
- (4) On 12/19/18, additional State Transit Assistance funds have been added to program due to higher than anticipated diesel sales tax revenue as a result of Senate Bill 1.
- (5) On 12/19/18, additional STA funds are being programmed to existing projects.
- (6) On 12/19/18, additional STA funds are being programmed to new projects in San Francisco County.
- (7) On 12/19/18, the 5% STA contingency and additional STA funds are being programmed to existing project in San Mateo County.
- (8) On 06/26/19, additional STA funds are being programmed to existing projects: \$104,940 for Coliseum BART Elevator Renovation, \$104, 940 for Operations Support for Route 2, and \$20,911 for Imola Avenue/SR 29 projects.
- (9) On 06/26/19, 5% STA contingency and additional STA funds are being programmed to new projects: \$77,468 for Solano Express in Solano County.
- (10) On 06/26/19, additional STA funds (\$123,947) and 5% STA contingency (\$53,534) are being programmed to a new project, Preserve Operating Support for Routes 200 and 201. The programming of \$53,534 in 5% STA contingency is conditioned on CCTA Board approval.
- (11) On 06/26/19, additional STA funds and remaining unprogrammed STA and 5% contingency funds are being programmed to Route 36 (funding exchange). The Marin County Lifeline Program Administrator (Transportation Authority of Marin (TAM) had originally programmed in STA funds \$75,151 for the School Transportation Service in Novato, \$68,000 for the Drake/Cole Pedestrian Improvements, and \$248,000 for Canal Neighborhood Crosswalk Improvements, but these three projects were found to be ineligible for STA funds. As a result, TAM pursued and approved a funding exchange with Marin Transit. Marin Transit will receive \$391,151 in STA funds for Route 36 and in exchange will give TAM, Measure AA Sales Tax Strategy 4: Local Busfunds to fully fund the three Lifeline projects.
