ABSTRACT

Resolution No. 3989, Revised

This resolution establishes the procedures governing the MTC Exchange Program. This resolution supersedes MTC Resolution No. 3018.

Attachment B was revised on October 26, 2011 to provide \$376,000 in Exchange Program funding to the intertribal Electric Vehicle project.

Attachments B and C were respectively revised on February 26, 2014 to include \$10 million in Exchange Program funding for Transit Oriented Affordable Housing (TOAH), and update final balances of the initial STP Exchange Program (Resolution 3018) to reflect final project close out.

Attachments A and B were revised on December 21, 2016 to program \$1.1 million to the Bay Bridge Forward Commuter Parking Initiative and update the name of the Transit Oriented Affordable Housing Program.

Attachments A and B were revised on July 26, 2017 to program \$8.2 million to the Regional Priority Conservation Area (PCA) program and \$2.8 million to the Regional Active Operational Management Program. An additional \$1 million in exchange funds will be committed to a specific project or program through a future Commission action. This action and associated agreement and programming actions are contingent upon California Transportation Commission (CTC) approval of the amendment to the baseline agreement for the Marin Sonoma Narrows project to accept STP/CMAQ funds rather than local funds.

Attachment B was revised on February 28, 2018 to program \$10 million to the Bay Area Preservation Pilot; \$1,024,000 to Richmond's Bike Share Capital and Outreach project;

Page 2

\$826,000 for the joint Transportation Authority of Marin/Sonoma County Transportation Authority (TAM/SCTA) Bike Share Capital and Outreach project along the SMART Corridor; and redirect \$2,800,000 from Regional Active Operational Management to the Bay Bridge Forward Commuter Parking Initiative project.

Attachment B was revised on March 28, 2018 to program \$30,000 to the Bay Area Greenprint Priority Conservation Area (PCA) Improvements.

Attachments A and B were revised on November 28, 2018 to add the SCVTA SR 85 Transit Guideway Study and the CCTA I-680 NB HOV/Express Lane exchange agreements, and to program \$4,000,000 in Exchange funds to the following projects: \$619,000 to CCTA for Innovative Deployment for Enhanced Arterials; \$621,000 to the city of Walnut Creek for innovative Deployment for Enhanced Arterials; \$500,000 to the city of Richmond for the Richmond-San Rafael Bridge Bikeway Access; \$1,160,000 to MTC for Richmond-San Rafael Bridge Forward; and \$1,100,000 to MTC for Napa Valley Transportation Demand Management Strategies.

Attachment B was revised on March 27, 2019 to change the recipient of the Concord IDEA project from CCTA to the City of Concord and reduce the funding from \$619,000 to \$589,000; and reduce the funding amount for the MTC Richmond-San Rafael Bridge Forward project from \$1,160,000 to \$1,046,000; and redirect these funds to a new project with MTC as the recipient for the Concord IDEA project for \$144,000. The matching funds for the Concord IDEA project as identified in MTC Resolution 4357, are included within the \$144,000 amount. These changes result in no net change to total funds committed to-date.

Attachment A was revised on June 26, 2019 to cancel the \$1,200,000 exchange agreement with the SCVTA for the SR 85 Transit Guideway Study as the funds provided through the exchange are no longer needed.

Attachment B was revised on September 25, 2019 to reflect MTC as the direct recipient of exchange funds for the Concord and Walnut Creek IDEA projects; funds will be provided on a reimbursement basis to each project sponsor pursuant to their respective funding agreements with MTC.

ABSTRACT

MTC Resolution No. 3989

Page 3

Attachment B was revised on November 20, 2019 to program \$6,023,000 to 13 projects as part of the Priority Conservation Area (PCA) Grant program; funds will be provided on a reimbursement basis to each project sponsor pursuant to their respective funding agreements with MTC.

Attachment B was revised on March 25, 2020 to redirect \$25,000 from MTC's Bay Bridge Forward Commuter Parking Initiative to MTC's Fruitvale Quick Build project.

Attachment B was revised on November 20, 2020 to program \$647,000 to four projects as part of the Priority Conservation Area (PCA) Grant program. For the Yerba Buena Island Multi-Use Pathway, which provides access to the San Francisco-Oakland Bay Bridge, \$1 million of federal OBAG 2 funds are being provided at this time for cash flow purposes. The Bay Area Toll Authority will repay non-federal funds to the MTC Exchange Program within three years. MTC's funds for the Twin Peaks trail will be provided to the Coastal Conservancy for management of the two fund sources for this project. Because the Conservancy is a state entity, the funds will be provided as an up-front grant rather than on a reimbursement basis. Funds for projects other than the Twin Peaks Trail will be provided on a reimbursement basis to each project sponsor pursuant to their respective funding agreements with MTC.

Attachment A was revised on May 26, 2021 to add the Transportation Authority of Marin's (TAM's) US 101 Marin-Sonoma Narrows (MSN) High-Occupancy Vehicle (HOV) Lanes project for \$75,651,097.

Attachment A was revised on June 23, 2021 to add the Solano Transportation Authority's (STA's) Solano I-80 Managed Lanes project for \$63,464,510.

Attachment A was revised on July 28, 2021 to add the Solano Transportation Authority's (STA's) Solano I-80 Managed Lanes project for \$1,845,000, and to add the Bay Area Infrastructure Financing Authority's (BAIFA's) Solano I-80 Managed Lanes Toll System project for \$2,822,000.

Attachment A and B were revised on March 23, 2022 to add the \$500,000 exchange agreement with Midpeninsula Regional Open Space District for programming an equal amount of federal funds to VTA's Highway 17 Bicycle/Pedestrian Trail and Wildlife Crossing project; and to

ABSTRACT

MTC Resolution No. 3989

Page 4

remove the \$251,000 funding commitment for Albany's Albany Hill Access Improvements project, as the sponsor will not be moving forward with the project scope as originally proposed. Attachment A was revised June 22, 2022 to add the Capitol Corridor Joint Powers Authority's (CCJPA's) State Route 84 Ardenwood Intermodal Bus Facility project for \$100,000, as part of a fund exchange agreement with CCJPA.

Attachment B was revised on March 22, 2023 to program \$15,940,000 to MTC for Bay Wheels Bikeshare E-bike Expansion.

Attachment B was revised on May 24, 2023 to reprogram \$5,000,000 from MTC's Transit Oriented Affordable Housing (TOAH) program to MTC's Bay Area Housing Finance Authority (BAHFA): Senior Rental Assistance Pilot Program.

Attachment B was revised on October 25, 2023 to program \$2,250,000 to MTC's Priority Production Area Pilot Program, \$1,500,000 to MTC's Community Engagement and Capacity-Building project, and \$600,000 to MTC for station siting, marketing, and incentives in support of the Bay Wheels Bikeshare E-bike Expansion project.

Attachment B was revised on November 15, 2023 to program \$1,500,000 to MTC for Priority Conservation Area (PCA) Grant Implementation.

Attachment B was revised on December 20, 2023 to program \$560,000 to MTC for various projects in the Regional Active Transportation Technical Assistance Program.

Attachment B was revised on February 28, 2024 to revise the project name for the City of Rohnert Park's Regional Active Transportation Technical Assistance grant for Highway 101 Bicycle/Pedestrian Overcrossing at Copeland Creek to include Sonoma County Transportation Authority (SCTA) as a co-sponsor.

Attachment B was revised on March 27, 2024 to program \$2,000,000 to MTC for the Enhancing Support for Safety in the Bay Area project, \$2,000,000 to MTC for Pavement Management Program (PMP) Pavement Asset Data Collection Updates, \$400,000 to MTC for two projects in the Regional Active Transportation Technical Assistance Program, and \$80,000 to MTC for the Bay Area Vision Zero Data System.

Re: MTC Exchange Program

METROPOLITAN TRANSPORTATION COMMISSION
RESOLUTION NO. 3989

WHEREAS, the Metropolitan Transportation Commission (MTC) is the regional transportation planning agency for the San Francisco Bay Area pursuant to California Government Code Section 66500 et seq.; and

WHEREAS, MTC is the designated Metropolitan Planning Organization (MPO) for the nine-county San Francisco Bay Area region (the region) and is the recipient for various federal fund sources for the San Francisco Bay Area; and

WHEREAS, MTC develops policies and procedures to be used in the selection of projects to be funded with various federal fund sources within the region consistent with the regional Transportation Plan (RTP); and

WHEREAS, selected projects are sometimes incompatible with or ineligible for federal funding and projects are often ready for implementation in advance of funding availability; and

WHEREAS, MTC assisted the Santa Clara County Traffic Authority (SCCTA) in 1994 by providing Surface Transportation Program (STP) funds, which initiated the original Exchange program implemented through MTC Resolution 3018; and

WHEREAS, the original exchange funding under MTC Resolution 3018 is nearly exhausted and MTC has entered into new funding exchange agreements where the implementation of specific projects with federal funds in exchange for local funds can achieve regional goals and objectives; now, therefore, be it

RESOLVED that Attachments A and B reflect the Exchange program balance and agreements approved by the Commission subject to this resolution; and be it further

RESOLVED, that attachment C lists the projects and amounts from the original STP Exchange program (MTC Resolution 3018) incorporated into the new MTC Exchange program; and be it further

RESOLVED that the Executive Director or designee is authorized to revise Attachments A, B and, C as necessary to reflect Commission actions and the on-going balances within the MTC Exchange program; and be it further

RESOLVED that MTC Resolution No. 3018 is superseded by this resolution.

METROPOLITAN TRANSPORTATION COMMISSION

Scott Haggerty, Chair

This resolution was entered into by the Metropolitan Transportation Commission at a regular meeting of the Commission held in Oakland, California on February 23, 2011.
