Subject: Hello - "Public Comment" to be read at Wed. Sept. 23rd, 2015 MTC Commission Meeting

Hello Public Information Officer.

My name is Clarence R. Fischer. I have spoken under "Public Comment" at times before, at the monthly MTC commission meetings.

I will be unable to attend on Wed. 9/23 (tomorrow's meeting).

I would appreciate, for the official record, that the following statement be read for me, in public, to be officially recorded under "Public Comment".

Greetings Commissioners

My name is Clarence R. Fischer. I have spoken before you at other times, but am unable to directly speak in front of you today.

I would like to bring up a quick topic for public comment.

Para - Transit tickets, are not able to be purchased under "Commuter Ticket Programs" !!! Why???

With the 25th Anniversary of the "A.D.A" (Americans with Disabilities Act"), this seems to be a slap in the face, and a giant step backwards for the disabled community, for those who need to ride para transit.

Disabled riders can purchase "regular fare instruments" via "Commuter Check" options, but not Para - Transit" tickets. This is DISCRIMINATION !!!

Again, another slap against the disabled community that needs to be changed, and I bring this up to you, in public, asking that this be immediately correct.

Thank you for your support of the disabled community, and for ALL METHODS of transporting disabled individuals.

Sincerely,

Clarence R. Fischer

Again, thank you for ensuring that this in included in the public comment sections of the Sept. 23'rd MTC Commission meeting, and look forward to appropriate responses.
