MTC Resolution No. 4035, Revised

Subject: Revision to the first round of the Surface Transportation

Program/Congestion Mitigation and Air Quality Improvement (STP/CMAQ) One Bay Area Grant program (OBAG 1) to add \$2.3

million to the Safe Routes to School (SRTS) Program.

Background: The OBAG 1 Program adopted by the Commission establishes

commitments and policies for investing Surface Transportation Program (STP), Congestion Mitigation and Air Quality Improvement (CMAQ) and Regional Transportation Improvement Program (RTIP) funds for regional and local programs. The Commission originally approved this program through FY 2015-16, but in December 2014 extended the program through

FY 2016-17 including funding for a year of the SRTS program at a

reduced amount of \$2.6 million.

In July 2015, staff presented a proposal to increase the funding for the SRTS program to make the program whole at \$25 million (\$5 million each year) for OBAG 1. This month, staff recommends programming \$2.4 million in additional funding to the SRTS Program to bring the total funding for the SRTS Program to \$5 million for FY 2016-17. This amount is consistent with the average annual programming level of the original four years of the program. Final county CMA amounts are shown

in Appendix A-3 to Attachment A of Resolution 4035, Revised.

Issues: None

Recommendation: Refer MTC Resolution No. 4035, Revised to the Commission for

approval.
