November 4, 2015

Resolution No. 4187, Revised

Subject: Allocate \$1.2 million in FY 2015-16 Transportation Development Act (TDA) funds to Petaluma Transit in support of transit operations.

Background: This month's proposed action continues the annual allocation process of these funds for FY 2015-16. The City of Petaluma has requested a total of \$1.6 million in TDA and State Transit Assistance (STA) funds. Staff recommends an allocation of \$1.2 million by the Commission with the balance to be allocated through the Executive Director's Delegated Authority process.

Petaluma Transit's total operating budget is approximately \$2.6 million and is increasing 13% or \$300,000. The two main components of the budget increase are:

- Staffing (\$72,000): 25% of the budget increase. In the past four years, fixed route service hours have increased over 30% and paratransit service hours have increased 12%. To address the increased service, additional staff have been hired—part-time marketing, mechanic, and evening Road Supervisor.
- Purchased Transportation (\$117,000): 40% of the budget increase due to a contracted rate increase as well as a 3% increase in service hours.

Issues: None

Recommendation: Refer MTC Resolution No. 4187, Revised to the Commission for approval.
