RE: MTC Resolution No. 3931, Revised — Policy Advisory Council Appointments

Since August 2016, staff has been recruiting to fill several vacancies on the Policy Advisory Council: two at-large seats in economy and environment, and two seats from Napa County.

MTC Resolution No. 3931, Revised (attached) — the resolution that created the Policy Advisory Council — states that appointments for all at-large advisors will be recommended by the Commission's chair and vice chair. In addition, the equity appointments are recommended by the county commissioners.

Staff received 25 applications, many of which were from highly qualified candidates. In consultation with the appointing Commissioners, staff is recommending the reappointment of two existing Council members to new categories, leaving three at-large vacancies to be filled by the recent applicants. Only one applicant resided in Napa County. Because of this and due to the large list of qualified candidates in the at-large categories, staff recommended reappointing already seated Council member Cathleen Baker to the Napa County low-income vacancy. Ms. Baker was formerly appointed to represent low-income interests in San Mateo County, but was reappointed to the environment category when she moved to Napa County. She is well qualified in either category, but has a wealth of knowledge regarding low-income, environmental health and equity issues, and has already begun to focus on housing and equity issues in Napa County where she now resides. As the appointing commissioner for Napa County, Mark Luce has agreed to her appointment in the low-income category, which opens up Ms. Baker's environment seat to be filled from the current applicant pool. Additionally, Commissioner Luce suggested Sudhir Chaudhary, the only Napa County applicant, be considered for the senior vacancy. Both Napa county seats are being recommended by Commissioner Luce.

The list of qualified applicants for three remaining at-large vacancies has been reviewed by staff and the appointing commissioners. Based on the applications received, the Commission chair and vice chair and the Napa County commissioner are recommending the following candidates for your approval.

Recommended Appointments

Napa County, Equity / Low-Income

Cathleen Baker is already a member of the Policy Advisory Council. The recommendation is to move her appointment to the Napa County low-income seat.

Napa County, Equity / Senior

Sudhir Chaudhary has lived in Napa for the past 37 years and is a professional land surveyor. His family owned business provides civil engineering, land surveying and construction management, and he has worked with various transportation agencies including Caltrans and BART. He looks forward to sharing the transportation needs of the Napa County senior community at the regional level.

At-Large, Economy

Jonathan Fearn's background in real estate development and city planning make him an excellent advisory candidate in the economy category. During this time when the Bay Area is focused on its housing crisis, his expertise will be a welcome addition to the Council.

At-Large, Environment

Sydney Fang is a staff member of the Asian Pacific Environmental Network (APEN), an organization that is a statewide leader in advancing and implementing equitable climate policies, as well as developing Asian American leadership to secure their healthy living environment. As a public health major and public policy minor at U.C. Berkeley, her focus has remained on environmental health issues and working to change policies that negatively impact health.

At-Large, Environment

Anna Lee is employed by the Alameda County Public Health Department as a policy coordinator and will bring an important health perspective to the environment seat. With a background in biology, she previously worked as a researcher/scientist at Communities for a Better Environment and has served on the Air District's CARE Advisory Committee.

All appointments would become effective upon Commission approval (October 26, 2016) and the appointees would serve through the term ending in July 2017.

Policy Advisory Council Chair and Vice Chair

Additionally, the Council has requested that Resolution 3931 be revised to allow the Council chair and vice-chair to be elected for two-year terms, as opposed to one-year terms as it now states. Staff concurs with this recommendation.

Recommendation

Staff requests the Legislation Committee recommend two-year terms for the Council chair and vice chair, and the appointment of Jonathan Fearn, Sydney Fang, and Anna Lee in the at-large categories; Sudhir Chaudhary in the Napa County senior category; and the reappointment of Cathleen Baker in the Napa County low-income category; and referral of Resolution 3931, Revised, to the Commission for approval.

Policy Advisory Council

A. Mission Statement

The mission of the Metropolitan Transportation Commission's Policy Advisory Council (Council) is to advise the Commission on transportation policies in the San Francisco Bay Area, incorporating diverse perspectives relating to the environment, the economy and social equity. The Council advises the Commission and its staff through the appropriate MTC standing committees on matters within MTC's jurisdiction and as assigned by the Commission.

B. Roles/Expectations

1. Advisors Provide Interest-Based and/or Geographic Perspectives

Advisors should represent the stakeholder interest under which they have been appointed. Although some advisors may be appointed based on an organizational affiliation, they should represent their constituency (not just their individual organization).

2. Responsibilities

Advisors will be expected to regularly attend their Council meetings and to maintain an ongoing engagement with organizations and individuals who make up the advisor's constituency.

3. Council Work Plan

The Commission will hold an annual workshop as a separately agendized meeting with the Policy Advisory Council to set the Council's work plan and schedule for the year. At this meeting, the Commission will identify several priority areas in which it desires feedback and/or research from the Council, and establish appropriate goals and performance measures. Advisors also will be given the opportunity to recommend initiatives of potential relevance to the Commission for inclusion in the work plan.

4. Reporting to the Commission

With the assistance of MTC staff, the Council will report on its work plan progress or present recommendations to the full Commission or MTC's standing committees, as appropriate.

5. Limitations on Advisor Activities

The role of the advisors is to advise the MTC Commission. Advisors are not to convey positions to outside agencies on behalf of the Council, independent of Commission action.

6. Conflict of Interest Policy

In order to avoid potential conflict of interest, no person shall sit on the Policy Advisory Council and concurrently be in a business relationship with MTC/BATA. A member is considered to have a business relationship with MTC/BATA when that member is employed by or serves on the Board of Directors of an organization that has received a grant or contract award from MTC – where MTC staff alone reviews proposals and recommends an organization or organizations for award of that grant or contract. In such cases, the member shall resign from the Council for the duration of the contract or grant, but may reapply for any vacancies upon completion of the contract or grant.

7. Ethics Training

All members of the Council shall complete an ethnics training course within the first year of their term on the Council.

C. Membership

The Council shall be composed of twenty-seven (27) members as follows.

A total of nine (9) members, one from each Bay Area county, shall be selected to represent interests related to the communities of color, environmental justice and low-income issues. A minimum of four members shall represent the communities of color, and a minimum of four shall represent environmental justice/low-income issues. The ninth member shall be selected from either category.

A total of nine (9) members, one from each Bay Area county, shall be selected to represent the interests of disabled persons and seniors. A minimum of four members shall represent senior issues, and a minimum of four shall represent disabled issues. The ninth member shall be selected from either category.

A total of nine (9) members shall be selected to represent interests related to the economy and the environment. A minimum of four members shall represent economy interests and a

minimum of four members shall represent environmental interests. The ninth member shall be selected from either category. Of these nine seats, at least five should be held by residents from each of the five most populous counties. The remaining four seats may be selected at large from throughout the entire Bay Area.

There shall be no alternates to the appointed membership.

D. Appointment Process

1. General

MTC staff shall secure nominations to fill terms and vacancies for the Council and present them to the appropriate Commissioners for confirmation. Appointments for advisors representing a particular county will be made by that county's Commissioners. Appointments for all the at-large advisors will be made by the Commission's chair and vice chair. Nominations for members of the Council will be solicited from a wide range of sources including, but not limited to: MTC Commissioners, current advisors, relevant organizations in the community, and via news releases or display ads sent to media outlets in the nine-county Bay Area.

2. Terms of Appointment

In general, advisors will serve four-year terms. Although there are no term limits, MTC Commissioners are to consider length of service and effectiveness before recommending the reappointment of advisors. All advisors wishing to be reappointed must reapply.

E. Procedures

Attendance and Participation

1. Advisors must attend at least two-thirds of the Council's regularly scheduled meetings each year and make a constructive contribution to the work of the Policy Advisory Council. Those who do not do so may be subject to dismissal from the Council at the discretion of the appointing Commissioner(s).

2. Residency Requirements

Advisors must live or work in the nine-county Bay Area.

3. Compensation

Subject to the Commission Procedures Manual (MTC Resolution No. 1058, Revised, Appendix D), advisors will receive a stipend per meeting and be reimbursed for actual expenses for travel, with a maximum of three meetings per month. Meetings are defined as a) publicly noticed meetings or meetings of ad hoc working groups of the Council; b)

noticed MTC Commission or committee meetings; or c) attendance at a community meeting at the request of the Commission or MTC staff to provide outreach assistance (i.e., when he/she attends a community meeting with MTC staff to provide an introduction to a particular community).

4. Meeting Frequency and Location of Meetings

The Council will meet regularly as required by its annual work plan. Public meetings will be held at the MTC offices or other locations at a regular time to be agreed upon by the members of the Council.

5. Ad Hoc Working Groups

To implement its work plan, the Council may establish working groups, with participation from MTC staff, on an ad hoc basis.

6. Quorum Requirements

At least 50 percent plus one of the Council's appointed membership must be present to constitute a quorum and vote on issues. The Council can hold discussions in the absence of a quorum, but cannot vote.

7. Election of Council Chair and Vice Chair

The Council will have a chair and a vice-chair, to be elected by the council for a two-year term. Although Council officers may be reelected, regular rotation of these positions among the Council membership is strongly encouraged.

8. Public Meetings

All Council meetings and any ad hoc working group meetings will be noticed and open to the public.
