

LEGISLATIVE HISTORY
2017-18 Session
April 7, 2017

Bill Number	Current Text	Status	Summary	MTC Position
AB 1 Frazier	Introduced 12/5/2016	Assembly Transportation	Transportation funding. Would create the Road Maintenance and Rehabilitation Program to address deferred maintenance on the state highway system and the local street and road system. The bill would require the California Transportation Commission to adopt performance criteria, consistent with a specified asset management plan, to ensure efficient use of certain funds available for the program. The bill would provide for the deposit of various funds for the program in the Road Maintenance and Rehabilitation Account, which the bill would create in the State Transportation Fund.	Support
AB 13 Eggman	Introduced 12/5/2016	Assembly Transportation	—580 Marine Highway. Would require the Department of Transportation to implement and oversee the —580 Marine Highway corridor project to reduce traffic by facilitating a permanent shift in container traffic away from truck transport to marine transport between the Port of Oakland and the Port of Stockton. The bill would require that the project be funded by an appropriation in the Budget Act of 2017 of \$85,000,000.	
AB 17 Holden	Introduced 12/5/2016	Assembly Transportation	Transit Pass Program: free or reduced-fare transit passes. Would create the Transit Pass Program to be administered by the Department of Transportation. The bill would require the Controller of the State of California to allocate moneys made available for the program, upon appropriation by the Legislature, to support transit pass programs that provide free or reduced-fare transit passes to specified pupils and students.	
AB 18 Garcia, Eduardo	Amended 2/23/2017	Senate Desk	California Clean Water, Climate, Coastal Protection, and Outdoor Access For All Act of 2018. Would enact the California Clean Water, Climate, Coastal Protection, and Outdoor Access For All Act of 2018, which, if approved by the voters, would authorize the issuance of bonds in an amount of \$3,105,000,000 pursuant to the State General Obligation Bond Law to finance a clean water, climate, coastal protection, and outdoor access for all program. This bill contains other related provisions.	
AB 28 Frazier	Chaptered 3/29/2017	Assembly Chaptered	Department of Transportation: environmental review process: federal pilot program. Current federal law requires the United States Secretary of Transportation to carry out a surface transportation project delivery pilot program, under which the participating states assume certain responsibilities for environmental review and clearance of transportation projects that would otherwise be the responsibility of the federal government. Current law, until January 1, 2017, provided that the State of California consents to the jurisdiction of the federal courts with regard to the compliance, discharge, or enforcement of the responsibilities it assumed as a participant in the pilot program. This bill would reinstate the operation of the latter provision. The bill would repeal that provision on January 1, 2020. This bill would declare that it is to take effect immediately as an urgency statute.	Support

AB 30 Caballero	Amended 4/3/2017	Assembly Rules	Environmental quality: judicial review: strip mall conversion housing projects. CEQA requires that an action or proceeding to attack, review, set aside, void or annul a determination, finding, or decision of a public agency, as provided, on the grounds of noncompliance with its provisions be brought in accordance with specified law governing administrative mandamus. CEQA requires a court to make specified orders if it finds that any determination, finding, or decision of a public agency has been made without compliance with CEQA, but prohibits a court from enjoining certain projects unless the court makes specified findings. This bill would similarly prohibit a court from enjoining a qualified strip mall conversion housing projects, as defined, unless the court makes specified findings.	
AB 33 Quirk	Amended 3/23/2017	Assembly C. & C.	Transportation electrification: electric vehicle service equipment: electrical corporations: rates. Would require the PUC, by March 30, 2018, in consultation with the State Air Resources Board and the Energy Commission, to authorize electrical corporations to offer programs and investments in electric vehicle service equipment, as defined, installed in residential garages of customers who purchase a used electric vehicle. The bill would require that the programs and investments be designed to accelerate widespread transportation electrification, achieve ratepayer benefits, reduce dependence on petroleum, meet air quality standards, and reduce emissions of greenhouse gases.	
AB 35 Quirk	Amended 3/23/2017	Assembly Natural Resources	Residential and nonresidential buildings: energy savings program. Current law requires the State Energy Resources Conservation and Development Commission to establish a regulatory proceeding to develop and implement a comprehensive program to achieve greater energy savings in California's existing residential and nonresidential building stock. Current law requires the commission to periodically update the program criteria and adopt any revision that, in its judgment, is necessary to improve or refine program requirements after receiving public input and, at least once every 3 years, to adopt an update to the program in furtherance of achieving a cumulative doubling of statewide energy efficiency savings in electricity and natural gas final end uses of retail customers by January 1, 2030. This bill would require the commission to adopt an update to the program at least once every 5 years instead of every 3 years.	
AB 45 Thurmond	Amended 4/6/2017	Assembly Education	California School Employee Housing Assistance Grant Program. Would require the California Housing Finance Agency to administer a program to provide financing assistance, as specified, to a qualified school district, as defined, and to a qualified developer, as defined, for the creation of affordable rental housing for school employees, including teachers. The bill would require the State Department of Education to certify that a school district seeking a grant meets the definition of qualified school district, as provided.	
AB 59 Thurmond	Introduced 12/7/2016	Assembly Housing and Community Development	Local Housing Trust Fund Matching Grant Program. Under the Local Housing Trust Fund Matching Grant Program, the department is authorized to make matching grants available to cities, counties, cities and counties, and existing charitable nonprofit organizations that have created, funded, and operated housing trust funds. This bill would recast these provisions to instead authorize the department to make grants to eligible recipients, defined as cities that meet specified criteria and charitable nonprofit organizations organized under certain provisions of the Internal Revenue Code that apply jointly with a qualifying city, that have created or are operating or will operate housing trust funds.	

AB 63 Frazier	Amended 4/5/2017	Assembly Transportation	Driver's licenses: provisional licenses. During the first 12 months after issuance of a provisional license, existing law prohibits the licensee from driving between the hours of 11 p.m. and 5 a.m. and transporting passengers who are under 20 years of age. This bill would expand the scope of the provisional licensing program by extending the applicable age range for the program to 16 to under 21 years of age. By expanding the scope of the provisional licensing program, the violation of which constitutes an infraction, the bill would impose a state-mandated local program.	
AB 65 Patterson	Introduced 12/13/2016	Assembly Transportation	Transportation bond debt service. Current law provides for transfer of certain vehicle weight fee revenues to the Transportation Debt Service Fund to reimburse the General Fund for payment of current year debt service on general obligation bonds issued for transportation purposes, including bonds issued for high-speed rail and associated purposes pursuant to the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century (Proposition 1A of 2008). This bill would specifically exclude from payment under these provisions the debt service for Proposition 1A bonds.	
AB 66 Patterson	Introduced 12/13/2016	Assembly Transportation	High-Speed Rail Authority: reports. Would require the business plan of the High-Speed Rail Authority to identify projected financing costs for each segment or combination of segments of the high-speed rail system, if financing is proposed by the authority. The bill would require the authority to identify in the business plan and in another report any significant changes in scope for segments of the high-speed rail system identified in the previous version of each report and to provide an explanation of adjustments in cost and schedule attributable to the changes.	
AB 69 Allen, Travis	Introduced 12/16/2016	Assembly Print	State highways: roadside rests. Current law provides that the Department of Transportation has full possession and control of the state highway system and associated property. Current law authorizes the department to plan, design, and construct a system of safety roadside rests along state highways. Current law requires the department to design only those safety roadside rests that are reasonably economical and that will provide the motorist a place where he or she may stop for a short time during daytime and nighttime hours. This bill would make nonsubstantive changes to these provisions.	
AB 71 Chiu	Amended 3/2/2017	Assembly Revenue and Taxation	Income taxes: credits: low-income housing: farmworker housing. Would, under the law governing the taxation of insurers, the Personal Income Tax Law, and the Corporation Tax Law, for calendar years beginning in 2018, increase the aggregate housing credit dollar amount that may be allocated among low-income housing projects to \$300,000,000, as specified, and would allocate to farmworker housing projects \$25,000,000 per year of that amount. The bill would delete that special needs exception and authorization to request state credits provided the applicant is not requesting a 130% basis adjustment for purposes of the federal credit amount.	Support
AB 72 Santiago	Introduced 12/16/2016	Assembly Housing and Community Development	Attorney General: enforcement: housing laws. Current law provides that the Attorney General has charge of all legal matters in which the state is interested, except as specified. This bill would appropriate \$_____ from the General Fund to the Attorney General to fund the Attorney General's duties in enforcing specified laws relating to housing. The bill would require the Attorney General to report to the Assembly Committee on Housing and Community Development and the Senate Committee on Transportation and Housing on or before December 31, 2018, and each year thereafter on the expenditure of the funds.	

AB 73 Chiu	Amended 3/28/2017	Assembly Natural Resources	Planning and zoning: housing sustainability districts. Would authorize a city, county, or city and county, including a charter city, charter county, or charter city and county, to establish by ordinance a housing sustainability district that meets specified requirements, including authorizing residential use within the district through the ministerial issuance of a permit. The bill would authorize the city, county, or city and county to apply to the Office of Planning and Research for approval for a zoning incentive payment and require the city, county, or city and county to provide specified information about the proposed housing sustainability district ordinance.	
AB 74 Chiu	Introduced 12/16/2016	Assembly Appropriations	Housing. Would require Department of Housing and Community Development to, on or before October 1, 2018, establish the Housing for a Healthy California Program and on or before April 1, 2019, and every year thereafter, subject to on appropriation by the Legislature, award grants on a competitive basis to eligible grant applicants based on guidelines that HCD would draft, as prescribed, and other requirements. The bill would provide that an applicant is eligible for a grant under the program if the applicant meets specified requirements. This bill contains other related provisions.	
AB 87 Ting	Introduced 1/5/2017	Assembly Transportation	Autonomous vehicles. Current law requires the Department of Motor Vehicles to adopt regulations no later than January 1, 2015, setting forth requirements for the submission of evidence of insurance, surety bond, or self-insurance, and for the submission and approval of an application to operate an autonomous vehicle. Under current law, it is unlawful and constitutes an infraction for any person to violate, or fail to comply with any provision of the Vehicle Code, unless otherwise specified. This bill would provide that violation of this section is not an infraction and would instead, among other things, require the department to revoke the registration of a vehicle that is being operated in violation of those provisions.	
AB 91 Cervantes	Amended 3/22/2017	Assembly Appropriations	High-occupancy vehicle lanes. Would prohibit, commencing July 1, 2018, a high-occupancy vehicle lane from being established in the County of Riverside, unless that lane is established as a high-occupancy vehicle lane only during the hours of heavy commuter traffic, as determined by the Department of Transportation. The bill would require any existing high-occupancy vehicle lane in the County of Riverside that is not a toll lane to be modified to operate as a high-occupancy lane under those same conditions.	
AB 96 Ting	Introduced 1/10/2017	Assembly Budget	Budget Act of 2017. This bill would make appropriations for the support of state government for the 2017–18 fiscal year. This bill contains other related provisions.	
AB 151 Burke	Amended 3/2/2017	Assembly Natural Resources	California Global Warming Solutions Act of 2006: market-based compliance mechanisms: scoping plan: report. Would require the State Air Resources Board to report to the appropriate policy and fiscal committees of the Legislature to receive input, guidance, and assistance before adopting guidelines and regulations implementing the scoping plan and a regulation ensuring statewide greenhouse gas emissions are reduced to at least 40% below the 1990 level by 2030. This bill contains other related provisions and other existing laws.	
AB 174 Bigelow	Introduced 1/17/2017	Assembly Transportation	California Transportation Commission: membership. Current law provides that the California Transportation Commission consists of 13 members, 11 voting members, of which 9 are appointed by the Governor subject to Senate confirmation, 1 is appointed by the Senate Committee on Rules, and 1 is appointed by the Speaker of the Assembly, and 2 Members of the Legislature who are appointed as nonvoting ex officio members. This bill would require that at least one voting member reside in a rural county with a population of less than 100,000 individuals.	

AB 179 Cervantes	Amended 2/14/2017	Assembly Transportation	California Transportation Commission. Current law creates the California Transportation Commission Current law provides that the commission consists of 13 members: 11 voting members, of which 9 are appointed by the Governor subject to Senate confirmation, one is appointed by the Senate Committee on Rules, and one is appointed by the Speaker of the Assembly, and 2 Members of the Legislature who are appointed as nonvoting ex officio members. This bill would require that 7 of those voting members have specified qualifications	
AB 193 Cervantes	Introduced 1/19/2017	Assembly Transportation	Air Quality Improvement Program: Clean Reused Vehicle Rebate Project. Would require the state board to establish the Clean Reused Vehicle Rebate Project, as a part of the Air Quality Improvement Program, to provide rebates or other incentives for the acquisition of an eligible used vehicle, as defined; the replacement or refurbishment of a battery and related components for an eligible used vehicle or an extended warranty for the battery or related components; or an extended service warranty to cover unexpected vehicle repairs not covered by the manufacturer's warranty related to unique problems in eligible used vehicles, as specified.	
AB 199 Chu	Amended 4/6/2017	Assembly Appropriations	Public works: private residential projects. Current law exempts private residential projects built on private property from certain requirements for projects that are defined as "public works," including, among other requirements, the payment of prevailing wages, unless the project is built pursuant to an agreement with a state agency, redevelopment agency, or local public housing authority. This bill would make the above-referenced exemption for private residential projects additionally inapplicable to a project built pursuant to an agreement with a successor agency to a redevelopment agency, as specified.	
AB 202 Steinorth	Amended 4/6/2017	Assembly Local Government	Planning and zoning: permits. Would, among other things, require all grading, foundation, building, and use permits required by a city, county, or city and county with a population greater than 15,000 for a development project that creates, or results in an increase of, not more than 50 residential dwelling units or guest rooms to be ministerially approved, conditionally approved, or denied by a director of the lead planning agency, or a designee, in accordance with this bill. The bill would require the director or designee to make certain findings before approving these permits.	
AB 239 Ridley-Thomas	Introduced 1/30/2017	Assembly Natural Resources	California Environmental Quality Act: urbanized areas. CEQA defines the terms "urban area" and "urbanized area" to mean, among other things, an unincorporated area that is completely surrounded by one or more incorporated cities and the population density of the unincorporated area at least equals the population density of the surrounding city or cities. This bill would instead specify that the population density of the unincorporated area be at least 1,000 persons per square mile.	
AB 241 Dababneh	Introduced 1/30/2017	Assembly Appropriations	Personal information: privacy: state and local agency breach. Current law requires a person or business, if it was the source of a data security breach, to offer to provide appropriate identity theft prevention and mitigation services at no cost to the person whose information was or may have been breached if the breach exposed or may have exposed the person's social security number, driver's license number, or California identification card number. This bill also would require a state or local agency, if it was the source of the breach, to offer to provide appropriate identity theft prevention and mitigation services at no cost to a person whose information was or may have been breached if the breach exposed or may have exposed the person's social security number, driver's license number, or California identification card number.	

AB 256 Steinorth	Introduced 1/31/2017	Assembly Print	Land use: housing. Current law declares the importance of, and general responsibility for, making housing available and affordable for all Californians. This bill would make nonsubstantive changes to this provision.	
AB 262 Bonta	Amended 3/27/2017	Assembly Accountability and Administrative Review	Public contracts: lowest responsible bidder: eligible materials. The State Contract Act governs the bidding and award of public works contracts by specific state departments. This bill would require an awarding department to require a prospective bidder to complete a standard form that states the cumulative amount of specified greenhouse gas emissions that were produced in the manufacturing of eligible materials, as defined, to be used on the project, and would provide that a prospective bidder may satisfy this standard by attaching to that form an Environmental Product Declaration, developed in accordance with standards established by the International Organization of Standardization, for that type of product.	
AB 278 Steinorth	Introduced 2/2/2017	Assembly Natural Resources	California Environmental Quality Act: exemption: existing transportation infrastructure. Would exempt from the provisions of CEQA a project, or the issuance of a permit for a project, that consists of the inspection, maintenance, repair, rehabilitation, replacement, or removal of, or the addition of an auxiliary lane or bikeway to, existing transportation infrastructure and that meets certain requirements. The bill would require the public agency carrying out the project to take certain actions.	
AB 302 Gipson	Amended 3/21/2017	Assembly Transportation	Vehicular air pollution: incentives. The Carl Moyer Memorial Air Quality Standards Attainment Program authorizes the state board to provide grants to offset the incremental cost of eligible projects that reduce emissions from covered vehicular sources. The program requires the state board and participating air pollution control and air quality management districts to institute an outreach program to inform fleet owners, among others, of the availability of grants under the program and of the requirements and objectives of the grant program. This bill would require air districts to notify in writing the operators of public and commercial motor vehicle fleets of incentive programs available for motor vehicle fleets and to post on the districts' Internet Web sites information on incentive programs available for motor vehicle fleets. By adding to the duties of air districts, this bill would impose a state-mandated local program.	
AB 330 Cooley	Amended 3/20/2017	Assembly Public Safety	Highway safety. Current law prohibits a person while having 0.08% or more, by weight, of alcohol in his or her blood from driving a vehicle and concurrently doing any act forbidden by law, or neglecting any duty imposed by law in driving the vehicle, when the act or neglect proximately causes bodily injury to a person other than the driver. This bill would authorize the court to order a person convicted of a crime described above to enroll and participate in, and successfully complete, a qualified "24/7 Sobriety program," as defined, as a condition of probation, parole, sentence, or work permit, if the program is available and deemed appropriate, and the person committed the crime within 10 years of one or more separate crimes described above that resulted in a conviction.	
AB 333 Quirk	Introduced 2/7/2017	Assembly Appropriations	State Highway Route 185: relinquishment: County of Alameda. Current law authorizes the California Transportation Commission to relinquish all or a portion of Route 185 in the City of Hayward to the city, as specified. This bill would additionally authorize the commission to relinquish all or a portion of Route 185 in the unincorporated area of the County of Alameda to that county, as specified.	

AB 342 Chiu	Amended 4/6/2017	Assembly P. & C.P.	Vehicles: automated speed enforcement: five-year pilot program. Would authorize, no later than January 1, 2019, the City of San Jose (San Jose) and the City and County of San Francisco (San Francisco) to implement a 5-year pilot program utilizing an automated speed enforcement system (ASE system) for speed limit enforcement on certain streets, if the system meets specified requirements, including that the presence of a fixed or mobile ASE system is clearly identified by signs, as specified, and trained peace officers or other trained designated municipal employees are utilized to oversee the operation of the fixed and mobile ASE systems.	Support
AB 344 Melendez	Introduced 2/7/2017	Senate Desk	Toll evasion violations. Would not require a person contesting a notice of toll evasion violation or notice of delinquent toll evasion from being required to pay the toll evasion penalty until after the processing agency or issuing agency finds as a result of an investigation, or the processing agency finds as a result of an administrative review, or a court finds as a result of a hearing, that the contestant did commit a toll evasion violation, whichever occurs later. This bill contains other existing laws.	
AB 351 Melendez	Introduced 2/8/2017	Assembly Transportation	Transportation funding. Current law provides for loans of revenues from various transportation funds and accounts to the General Fund, with various repayment dates specified. This bill, with respect to any loans made to the General Fund from specified transportation funds and accounts with a repayment date of January 1, 2019, or later, would require the loans to be repaid by December 31, 2018.	
AB 352 Santiago	Amended 4/6/2017	Assembly Local Government	State Housing Law: efficiency units. Current law, the State Housing Law, authorizes a city, county, or city and county to permit the construction and occupancy of efficiency units that have a minimum area of 150 square feet if they meet certain specified criteria. This bill would prohibit a city, county, or city and county from establishing a higher square footage requirement for efficiency units than the requirement in the International Building Code and from limiting the number of efficiency units in certain locations near public transit or university campuses, as specified.	
AB 378 Garcia, Cristina	Introduced 2/9/2017	Assembly Natural Resources	California Global Warming Solutions Act of 2006: regulations. Would require the State Air Resources Board to consider and account for the social costs of the emissions and greenhouse gases when adopting those rules and regulations. The bill would authorize the state board to adopt or subsequently revise new regulations that establish a market-based compliance mechanism, applicable from January 1, 2021, to December 31, 2030, to complement direct emissions reduction measures in ensuring that statewide greenhouse gas emissions are reduced to at least 40% below the 1990 level by 2030.	
AB 388 Mullin	Amended 3/23/2017	Assembly Third Reading	Greenhouse Gas Reduction Fund: wetland restoration projects. This bill would authorize the use of the moneys in the Greenhouse Gas Reduction Fund for the reuse of dredged material for wetland restoration projects, as specified, if the investment furthers the regulatory purposes of the California Global Warming Solutions Act of 2006 and is consistent with law.	
AB 398 Garcia, Eduardo	Amended 3/28/2017	Assembly Appropriations	Air pollution. Current law designates the air districts with the primary responsibility for control of air pollution from sources other than mobile sources. Current law designated the state board with the primary responsibility for control of air pollution from mobile sources. This bill would require the State Air Resources Board to hold annually one or more hearings in conjunction, singularly or in combination, with one or more specified air districts. By requiring the state board and the air districts to jointly hold hearings, this bill would impose additional duties on the air districts, thereby would impose a state-mandated local program.	

AB 399 Grayson	Amended 3/23/2017	Assembly Transportation	Autonomous vehicles: Contra Costa Transportation Authority: pilot project. Current law, until 180 days after the operative date of regulations promulgated by the Department of Motor Vehicles to allow testing of autonomous vehicles without a driver, authorizes the Contra Costa Transportation Authority to conduct a pilot project for the testing of autonomous vehicles that do not have a driver seated in the driver's seat and are not equipped with a steering wheel, a brake pedal, or an accelerator if the testing is conducted only at specified locations and the autonomous vehicle operates at speeds of less than 35 miles per hour. This bill would extend the authorization for the pilot project to 12 months after the operative date of regulations promulgated by the department.	
AB 419 Salas	Amended 3/13/2017	Assembly Natural Resources	Zero net energy residential buildings: report. Current law requires the State Resources Conservation and Development Commission to develop and implement a comprehensive program to achieve greater energy savings in current residential and nonresidential building stock. This bill would require the commission, no later than July 1, 2019, to report to the appropriate fiscal and policy committees of the Legislature on the commission's zero net energy residential buildings programs, as specified.	
AB 468 Santiago	Amended 3/23/2017	Assembly Transportation	Transit districts: prohibition orders. Current law authorizes the Sacramento Regional Transit District, the Fresno Area Express, and, until January 1, 2018, the San Francisco Bay Area Rapid Transit District to issue a prohibition order to any person cited for committing one or more of certain prohibited acts in specified transit facilities. Current law prohibits a person subject to the prohibition order from entering the property, facilities, or vehicles of the transit district for specified periods of time. Current law establishes notice requirements in that regard and provides for initial and administrative review of the order. This bill would apply these provisions to the Los Angeles County Metropolitan Transportation Authority.	
AB 476 Gipson	Introduced 2/13/2017	Assembly Transportation	Vehicular air pollution. Current law imposes various limitations on emissions of air contaminants for the control of air pollution from vehicular and nonvehicular sources. This bill would define a heavy-duty vehicle as having a manufacturer's maximum gross vehicle weight rating of 26,001 or more pounds, a light-duty vehicle as having a manufacturer's gross vehicle weight rating of under 10,001 pounds, and a medium duty vehicle as having a manufacturer's gross vehicle weight rating of between 10,001 and 26,000 pounds.	
AB 489 Chen	Introduced 2/13/2017	Assembly Print	Land use: general plans. The Planning and Zoning Law requires the legislative body of each county and city to adopt a comprehensive, long-term general plan for the physical development of the county or city and of any land outside its boundaries that bears relation to its planning. That law further requires the planning agency overseeing a general plan to render a report as to conformity with the adopted general plan before, among other things, the acquisition or disposition of real property or the construction or authorization of a public building or structure impacting the general plan. This bill would make nonsubstantive changes to these provisions.	
AB 494 Bloom	Amended 3/28/2017	Assembly Local Government	Land use: accessory dwelling units. The Planning and Zoning Law authorizes a local agency to provide by ordinance for the creation of accessory dwelling units in single-family and multifamily residential zones, as specified. That law requires the ordinance to require the accessory dwelling unit to comply with certain conditions, including, but not limited to, that the accessory dwelling unit is not intended for sale separate from the primary residence and may be rented. This bill would revise that condition to provide that the accessory dwelling unit may be rented separately from the primary residence.	

AB 495 Voepel	Amended 3/21/2017	Assembly Public Safety	Vehicles: use of personal identifying information: theft. Current law makes it a crime to willfully obtain the personal identifying information of another, as defined, and use it for an unlawful purpose. Current law makes it a crime to obtain goods by using an access card of another, as defined, without consent and with the intent to defraud. This bill would make it a felony for a person, without consent, to rent a vehicle using the personal identifying information of another or an access card or access card account information of another.	
AB 496 Fong	Amended 2/28/2017	Assembly Transportation	Transportation funding. Would create the Traffic Relief and Road Improvement Program to address traffic congestion and deferred maintenance on the state highway system and the local street and road system. The bill would provide for the deposit of various existing sources of revenue in the Traffic Relief and Road Improvement Account, which the bill would create in the State Transportation Fund, including revenues attributable to the sales and use tax on motor vehicles, revenues attributable to automobile and motor vehicle insurance policies from the insurer gross premiums tax, revenues from certain diesel fuel sales and use taxes, revenues from certain vehicle registration fees, and certain miscellaneous State Highway Account revenues.	
AB 499 Harper	Introduced 2/13/2017	Assembly Print	California Environmental Quality Act: infill development. The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment, as defined, or to adopt a negative declaration if it finds that the project will not have that effect, unless the project is exempt from the act. CEQA exempts a residential project located on an infill site within an urbanized area that meets specified criteria from its requirements. This bill would make nonsubstantive changes to this exemption.	
AB 515 Frazier	Introduced 2/13/2017	Assembly Appropriations	State Highway System Management Plan. Would require the Department of Transportation to prepare a State Highway System Management Plan, which would consist both of the 10-year state highway rehabilitation plan and the 5-year maintenance plan. The bill would require the department to make a draft of its proposed State Highway System Management Plan available to regional transportation agencies for review and comment, and would require the department to include and address any comments in its submittal of the plan to the commission by January 15 of each odd-numbered year.	
AB 523 Reyes	Amended 4/4/2017	Assembly Appropriations	Electric Program Investment Charge: allocation. Would require the Energy Commission to allocate at least 25% of the moneys in the Electric Program Investment Charge Fund for technology demonstration and deployment at sites located in, or benefiting, disadvantaged communities, as defined. The bill would require the Energy Commission to allocate at least 10% of the moneys in the fund for technology demonstration and deployment at sites located in, or benefiting, low-income communities, as defined. The bill would require the Energy Commission to give preference for funding to clean energy projects under the EPIC program that benefit residents of low-income or disadvantaged communities. This bill contains other existing laws.	
AB 544 Bloom	Amended 3/21/2017	Assembly Transportation	Vehicles: high-occupancy vehicle lanes. Would extend the authority of drivers of specified vehicles to use HOV lanes until the date federal authorization expires, or until the Secretary of State receives a specified notice, whichever occurs first. The bill would provide that identifiers issued for those specified vehicles are valid until January 1, 2019. The bill would authorize the Department of Motor Vehicles to issue other identifiers until the date federal authorization expires, or until the Secretary of State receives a certain notice, whichever occurs first.	

AB 548 Steinorth	Amended 4/4/2017	Assembly Transportation	Omnitrans Transit District. Would create the Omnitrans Transit District in the County of San Bernardino. The bill would provide that the jurisdiction of the district would initially include the Cities of Chino, Chino Hills, Colton, Fontana, Grand Terrace, Highland, Loma Linda, Montclair, Ontario, Rancho Cucamonga, Redlands, Rialto, San Bernardino, Upland, and Yucaipa, and unspecified portions of the unincorporated areas of the County of San Bernardino. The bill would authorize other cities in the County of San Bernardino to subsequently join the district.	
AB 555 Cunningham	Amended 3/21/2017	Assembly Natural Resources	Greenhouse Gas Reduction Fund: schoolbuses. Current law requires all moneys, except for fines and penalties, collected by the state board as part of a market-based compliance mechanism to be deposited in the Greenhouse Gas Reduction Fund and to be available upon appropriation. Existing law continuously appropriates 35% of the annual proceeds of the fund for transit, affordable housing, and sustainable communities programs and 25% of the annual proceeds of the fund for certain components of a specified high-speed rail project. This bill would continuously appropriate 4% of the annual proceeds of the fund for each of 3 specified fiscal years to the state board to implement a grant program to replace older, high-polluting schoolbuses with zero-emission or near-zero-emission schoolbuses, as specified.	
AB 571 Garcia, Eduardo	Introduced 2/14/2017	Assembly Revenue and Taxation	Income taxes: insurance tax: credits: low-income housing: farmworker housing assistance. Would authorize the California Tax Credit Allocation Committee to allocate the farmworker housing credit even if the taxpayer receives federal credits for buildings located in designated difficult development areas or qualified census tracts. The bill would also redefine farmworker housing to mean housing in which at least 50% of the units are available to, and occupied by, farmworkers and their households. This bill contains other related provisions.	
AB 577 Caballero	Amended 3/9/2017	Assembly Environmental Safety and Toxic Materials	Disadvantaged communities. Current law defines a disadvantaged community as a community with an annual median household income that is less than 80% of the statewide annual median household income for various purposes, that include, but are not limited to, the Water Quality, Supply, and Infrastructure Improvement Act of 2014, eligibility for certain entities to apply for funds from the State Water Pollution Cleanup and Abatement Account, and authorization for a community revitalization and investment authority to carry out a community revitalization plan. This bill would expand the definition of a disadvantaged community to include a community with an annual per capita income that is less than 80% of the statewide annual per capita income.	
AB 623 Rodriguez	Introduced 2/14/2017	Assembly Transportation	Autonomous vehicle testing: accident reporting. Would require an accident involving operation of an autonomous vehicle that results in catastrophic bodily injury or the death of a person to be reported to the Department of Motor Vehicles within 24 hours of occurrence. The bill would require the department to suspend the approval granted to the manufacturer of the autonomous vehicle for 5 business days following the reporting of the accident, during which time the department and other appropriate agencies would be required to review the accident to determine if it was caused by a failure of the autonomous vehicle technology.	

AB 633 Harper	Amended 3/30/2017	Assembly Transportation	City of Laguna Woods: golf cart crossing zones. Current law authorizes a local authority to establish, by ordinance or resolution, crossing zones for use by golf carts, as defined, at any time other than darkness, on any street, other than a state highway, that has a posted speed limit of 45 miles per hour or less and that is immediately adjacent to a golf course. Current law specifies that the ordinance or resolution is not effective until the law enforcement agency with primary jurisdiction over the street determines, as specified, that the conditions of the street will permit the establishment of a golf cart crossing zone with reasonable safety. This bill would authorize the City of Laguna Woods to establish crossing zones for use by golf carts, pursuant to all of the above-described requirements except for the requirement that the crossing zone must be immediately adjacent to a golf course, at 2 specified intersections.	
AB 636 Irwin	Amended 3/28/2017	Assembly Consent Calendar	Local streets and roads: expenditure reports. Current law, with limited exceptions, requires each city and county to submit to the Controller a complete report of expenditures for street and road purposes by October 1 of each year relative to the preceding fiscal year ending on June 30. This bill would instead require the report to be submitted to the Controller within 7 months after the close of the fiscal year adopted by a county, city, or city and county. The bill would make other conforming changes.	
AB 673 Chu	Introduced 2/15/2017	Assembly Transportation	Public transit operators: vehicle safety requirements. Would require a public transit operator, before placing a new bus into revenue operations, to take into consideration recommendations of, and best practices standards developed by, the exclusive representative of the recognized organization representing bus operators of the transit operator for the purpose of protecting bus operators from the risk of assault from persons and by removing blind spots. By creating new duties for public transit operators, this bill would impose a state-mandated local program.	
AB 678 Bocanegra	Amended 3/21/2017	Assembly Housing and Community Development	Housing Accountability Act. The Housing Accountability Act, among other things, prohibits a local agency from disapproving, or conditioning approval in a manner than renders infeasible, a housing development project for very low, low-, or moderate-income households or an emergency shelter unless the local agency makes specified written findings based upon substantial evidence in the record. This bill would extend the provisions of the Housing Accountability Act to apply to housing development projects for above moderate-income households. The bill would also require the findings of the local agency to instead be based on clear and convincing evidence in the record.	
AB 686 Santiago	Amended 4/6/2017	Assembly Judiciary	Housing discrimination: affirmatively further fair housing. Would require a public agency to administer its programs and activities relating to housing and community development in a manner to affirmatively further fair housing, and to not take any action that is inconsistent with this obligation. The bill would make it unlawful under the California Fair Employment and Housing Act for a public agency to fail to meet its obligation to affirmatively further fair housing, and would provide that failure would constitute housing discrimination under the act.	

AB 694 Ting	Introduced 2/15/2017	Assembly Transportation	Bicycles. Current law requires any person operating a bicycle under specified conditions to ride as close as practicable to the right-hand curb or edge of the roadway, except under specified conditions. This bill would recast those provisions to instead require a person operating a bicycle to ride in the right-hand lane or bicycle lane, if one is present, and would additionally require a person operating a bicycle in a lane that is wide enough for a vehicle and bicycle to travel safely side by side within the lane to ride far enough to the right in order to allow vehicles to pass, except when it is reasonably necessary to avoid conditions that make it hazardous to continue along the right-hand edge of the lane, and when approaching a place where a right turn is authorized.	
AB 697 Fong	Introduced 2/15/2017	Assembly Appropriations	Tolls: exemption for privately owned emergency ambulances. Current law provides for the exemption of authorized emergency vehicles, as defined, from the payment of a toll or charge on a vehicular crossing, toll highway, or high-occupancy toll (HOT) lane and any related fines, when the authorized emergency vehicle is being driven while responding to or returning from an urgent or emergency call, engaged in an urgent or emergency response, or engaging in a fire station coverage assignment directly related to an emergency response. This bill would expand the exemption from the payment of a toll or charge on a vehicular crossing, toll highway, or high-occupancy toll (HOT) lane and any related fines under these conditions to include a privately owned emergency ambulance licensed by the California Highway Patrol.	
AB 709 McCarty	Amended 3/23/2017	Assembly Local Government	Sacramento Regional Transit District: bonds: transactions and use tax. Under current law, whenever the Sacramento Regional Transit District of the district deems it necessary for the district to incur a bonded indebtedness for the acquisition, construction, or repair of specified improvements, works, property or facilities, the board is required to, by ordinance adopted by a 2/3 vote of the board, declare and call an election to be held in the district for the purpose of submitting to the qualified voters of the district the proposition of incurring indebtedness by the issuance of bonds of the district. This bill would authorize that ordinance to state that the transaction and use taxes shall be levied and used to the extent required to pay the principal of, and interest on, the bonds as they become due, to provide any sinking fund payments required therefor, and to create or maintain any reserve fund required therefor.	
AB 730 Quirk	Introduced 2/15/2017	Assembly Consent Calendar	Transit districts: prohibition orders. Current law authorizes the Sacramento Regional Transit District, the Fresno Area Express, and, until January 1, 2018, the San Francisco Bay Area Rapid Transit District to issue a prohibition order to any person cited for committing one or more of certain prohibited acts in specified transit facilities. Current law prohibits a person subject to the prohibition order from entering the property, facilities, or vehicles of the transit district for specified periods of time. Existing law establishes notice requirements in that regard and provides for initial and administrative review of the order. This bill would permanently apply these provisions to the San Francisco Bay Area Rapid Transit District.	

AB 733 Berman	Amended 3/23/2017	Assembly Local Government	Enhanced infrastructure financing districts: projects: climate change. Current law authorizes the legislative body of a city or a county to establish an enhanced infrastructure financing district to finance public capital facilities or other specified projects of communitywide significance, and makes related findings and declarations. This bill would additionally authorize the financing of projects that enable communities to adapt to the impacts of climate change, including, but not limited to, extreme weather events, sea level rise, flooding, heat waves, wildfire, and drought, and would make conforming changes to the Legislature's findings and declarations.	
AB 734 Bonta	Amended 3/23/2017	Assembly Local Government	Infrastructure financing districts: City of Oakland: freight rail. Current law authorizes an infrastructure financing district to finance only public capital facilities of communitywide significance which provide significant benefits to an area larger than the area of the district, including, among others, highways, interchanges, ramps and bridges, arterial streets, parking facilities, transit facilities, facilities for the collection and treatment of water for urban uses, child care facilities, libraries, and facilities for the transfer and disposal of solid waste. This bill would additionally authorize an infrastructure financing district within the City of Oakland to finance public capital facilities or projects that include freight rail.	
AB 756 Ting	Amended 3/22/2017	Assembly Transportation	Prima facie speed limits: Golden Gate Park. Current law establishes prima facie speed limits, including 15 miles per hour and 25 miles per hour, for various circumstances relating to traversing a railway grade crossing, approaching or passing a school building, and passing a senior center, among others. A violation of the Vehicle Code is a crime. This bill would establish a prima facie speed limit of 15 miles per hour when driving on a street or road, with specified exclusions, within Golden Gate Park in the City of San Francisco, as prescribed. Because the bill would create a new crime, it would impose a state-mandated local program.	
AB 758 Eggman	Amended 3/21/2017	Assembly Transportation	Transportation: Tri-Valley-San Joaquin Valley Regional Rail Authority. Would establish the Tri-Valley-San Joaquin Valley Regional Rail Authority for purposes of planning and delivering a cost effective and responsive interregional rail connection between the San Joaquin Valley and the Bay Area Rapid Transit District's rapid transit system and the Altamont Corridor Express in the Tri-Valley, that meets the goals and objectives of the community. The bill would require the authority's governing board to be composed of 14 representatives and would authorize the authority to appoint an executive who may appoint staff or retain consultants. The bill would provide specified authorizations and duties to the authority.	
AB 829 Chiu	Amended 3/23/2017	Assembly Local Government	Planning and zoning: annual report. The Planning and Zoning Law requires, after the legislative body of the city or county has adopted all or part of a general plan, that the planning agency provide by April 1 of each year an annual report to the legislative body, the Office of Planning and Research, and the Department of Housing and Community Development that includes specified information. This bill would require that this report additionally include the relationship between jobs and housing, including any imbalance between jobs and housing.	

AB 852 Grayson	Introduced 2/16/2017	Assembly Appropriations	Planning and zoning: general plan: report. The Planning and Zoning Law, after adoption of the general plan, requires the planning agency to provide by April 1 of each year an annual report to the legislative body, the Office of Planning and Research, and the Department of Housing and Community Development that contains specified information pertaining to the implementation of the general plan. This bill would require that this report also include the number of housing development applications received in the prior year, units included in all development applications in the prior year, and units approved and disapproved in the prior year.	
AB 863 Cervantes	Introduced 2/16/2017	Assembly Housing and Community Development	Affordable Housing and Sustainable Communities Program. Current law continuously appropriates specified portions of the annual proceeds in the Greenhouse Gas Reduction Fund to various programs, including 20% for the Affordable Housing and Sustainable Communities Program administered by the Strategic Growth Council. This bill would require the Strategic Growth Council, in selecting projects for funding under the program, to seek methods for inclusion of local entrepreneurs in the implementation of the projects and workforce training and certification of workers hired to work on the projects.	
AB 879 Grayson	Introduced 2/16/2017	Assembly Housing and Community Development	Planning and zoning: housing element. The Planning and Zoning Law requires a city or county to adopt a general plan for land use development within its boundaries that includes, among other things, a housing element. That law requires the housing element to include an analysis of potential and actual governmental constraints upon the maintenance, improvement, or development of housing for all income levels, as specified. This bill would require the housing element to also include an analysis of potential and actual nongovernmental constraints upon the maintenance, improvement, or development of housing for all income levels, as specified.	
AB 891 Garcia, Eduardo	Amended 3/15/2017	Assembly Appropriations	California Communities Environmental Health Screening. Would require the State Air Resources Board, in partnership with the Office of Environmental Health Hazard Assessment, to include one year of data from certain local air monitoring studies, including data on particulate matter with a diameter of 2.5 micrometers or less, ozone, and diesel particulate matter. The bill would require funds to be allocated, upon appropriation by the Legislature, to the board and the office to support the continued collection of this data.	
AB 915 Ting	Amended 3/15/2017	Assembly Housing and Community Development	Planning and zoning: density bonus: affordable housing ordinances. Would require a city, county, or city and county that has adopted an ordinance requiring an affordable housing minimum percentage for housing developments to apply that ordinance to the total number of housing units in the development, including any additional housing units granted pursuant to these provisions, unless the city, county, or city and county exempts those additional housing units from the ordinance.	
AB 932 Ting	Amended 3/23/2017	Assembly Housing and Community Development	Shelter crisis: homeless shelters and permanent supportive housing. Would, until January 1, 2027, upon a declaration of a shelter crisis by the City and County of San Francisco, authorize emergency housing to include homeless shelters and permanent supportive housing in the City and County of San Francisco. The bill, in lieu of compliance with state and local building, housing, health, habitability, or safety standards and laws, would authorize the City and County of San Francisco to adopt by ordinance reasonable local standards for homeless shelters and permanent supportive housing, as specified.	

AB 943 Santiago	Introduced 2/16/2017	Assembly Local Government	Land use regulations: local initiatives: voter approval. Current law establishes procedures by which city ordinances may be enacted by initiative, including requiring that an ordinance proposed by the voters or submitted by the legislative body of the city be approved by a majority of the votes cast on the ordinance. This bill, in the case of an ordinance that would curb, delay, or deter growth or development within a city, require that an ordinance proposed by the voters or submitted by the legislative body of the city receive 2/3 of the votes cast on the ordinance in order to become effective. The bill would declare that it addresses a matter of statewide concern.	
AB 964 Gomez	Introduced 2/16/2017	Assembly Transportation	Economic development: Capital Access Loan Program: low emission vehicles. Would create the California Affordable Clean Vehicle Program to assist low-income or high financial risk individuals in the purchase of low-emission vehicles. The bill would require the California Pollution Control Financing Authority to adopt regulations to implement the program. The bill would establish the California Affordable Clean Vehicle Program Fund, a continuously appropriated fund, for purposes of the program, and would transfer \$50,000,000 from the Greenhouse Gas Reduction Fund to the California Affordable Clean Vehicle Program Fund.	
AB 970 Frazier	Amended 3/28/2017	Assembly Transportation	Vehicles: distracted driving. Would require a mobile telephone carrier, as defined, to provide customers with the ability to disable, at the network level, the distracting capabilities of their mobile telephones when notified that the customer is driving a motor vehicle.	
AB 975 Friedman	Amended 3/23/2017	Assembly Third Reading	Natural resources: wild and scenic rivers. Current law establishes that it is the policy of the state that certain rivers that possess extraordinary scenic, recreational, fishery, or wildlife values shall be preserved in their free-flowing state, together with their immediate environments, for the benefit and enjoyment of the people of the state. This bill would revise that policy to specify that certain rivers that possess scenic, recreational, fishery, wildlife, historical, cultural, geological, ecological, hydrological, botanical, or other similar values shall be preserved in their free-flowing state, together with their immediate environments, for the benefit and enjoyment of the people of the state, and would revise the definition of "immediate environments," and define the term "extraordinary value" for purposes of that policy.	
AB 980 Wood	Introduced 2/16/2017	Assembly C. & C.	Department of Transportation: broadband: fiber optic cables: priority areas. Current law requires the Department of Transportation to notify companies and organizations working on broadband deployment on its Internet Web site of specified department-led highway construction projects and authorizes those companies and organizations to collaborate with the department to install broadband conduits as part of those projects. This bill would require the department, as part of those projects that are located in priority areas, as defined, to install broadband conduits capable of supporting fiber optic communication cables.	
AB 1015 Mathis	Introduced 2/16/2017	Assembly Print	State highways. Current law establishes the Department of Transportation and the California Transportation Commission, provides that the department has full possession and control of all state highways and all property and rights in property acquired for state highway purposes, and authorizes and directs the department to lay out and construct all state highways between the termini designated by law and on the locations as determined by the commission. This bill would make technical, nonsubstantive changes to these provisions.	

AB 1063 Fong	Introduced 2/16/2017	Assembly Print	Transportation funds. Current law requires funds in the State Highway Account to be programmed, budgeted, and expended to maximize the use of federal funds and according to a specified sequence of priorities. Current law requires the Department of Transportation to provide certain information to the Legislature to substantiate the department's proposed capital outlay support budget. This bill would make nonsubstantive changes to these provisions.	
AB 1069 Low	Introduced 2/16/2017	Assembly C. & C.	Local government: taxicab transportation services. Would authorize a city or county to establish a maximum rate structure that would prohibit a taxicab transportation service from charging a rate to a passenger that is greater than a rate established by the city. This bill also would require that a city or county ensure that any charge imposed on a taxicab transportation service does not exceed the reasonable regulatory costs of administering and enforcing the program.	
AB 1073 Garcia, Eduardo	Introduced 2/16/2017	Assembly Natural Resources	California Clean Truck, Bus, and Off-Road Vehicle and Equipment Technology Program. Would require the State Air Resources Board, when funding a specified class of projects, to allocate, until January 1, 2023, no less than 20% of that available funding to support the early commercial deployment or existing zero- and near-zero-emission heavy-duty truck technology. This bill contains other existing laws.	
AB 1081 Burke	Amended 3/30/2017	Assembly Revenue and Taxation	Sales and use taxes: exclusion: low-emission motor vehicle: trade-in. Current sales and use tax laws impose taxes on retailers measured by gross receipts from the sale of tangible personal property sold at retail in this state, or on the storage, use, or other consumption in this state of tangible personal property purchased from a retailer for storage, use, or other consumption in this state, measured by sales price. The Sales and Use Tax Law defines the terms "gross receipts" and "sales price." This bill would exclude from the terms "gross receipts" and "sales price" the value of a motor vehicle traded in for a qualified motor vehicle, as defined, if the value of the trade-in motor vehicle is separately stated on the invoice or bill of sale or similar document provided to the purchaser.	
AB 1088 Eggman	Amended 3/28/2017	Assembly Natural Resources	Multifamily residential housing: energy programs. Would require the Energy Commission to set statewide performance-based goals to reduce energy consumption, source energy demand, and emissions of greenhouse gases from the multifamily residential properties, taking into consideration the state's requirements for reducing emissions of greenhouse gases and the climate equity, doubling of energy efficiency, and increased use of renewable energy resources requirements set forth in the Clean Energy and Pollution Reduction Act of 2015. The bill would require the Energy Commission, by July 15, 2019, in consultation with relevant state agencies and the public, to adopt regulations to set the performance-based goals, as specified.	
AB 1094 Choi	Introduced 2/17/2017	Assembly Transportation	Vehicles: automated traffic enforcement systems. Current law defines an "official traffic control signal" as any device, whether manually, electrically, or mechanically operated, by which traffic is alternately directed to stop and proceed and which is erected by authority of a public body or official having jurisdiction. This bill would also require a stop to be made at an official traffic control signal erected and maintained at a freeway or highway on ramp. The bill would also make technical, nonsubstantive changes to that provision.	

AB 1113 Bloom	Amended 3/28/2017	Assembly Transportation	State Transit Assistance program. Current law requires funds in the Public Transportation Account to be allocated to various public transportation and transportation planning purposes, with specified revenues in the account to be allocated by the Controller to specified local transportation agencies for public transportation purposes, pursuant to the State Transit Assistance (STA) program. Current requires STA funds to be allocated by formulas based 50% on population and 50% on transit operator revenues. This bill would revise and recast the provisions governing the STA program. The bill would provide that only STA-eligible operators, as defined, are eligible to receive an allocation from the portion of program funds based on transit operator revenues.	
AB 1117 Fong	Introduced 2/17/2017	Assembly Natural Resources	California Environmental Quality Act. Would prohibit a lead agency from being required to evaluate the aesthetic effects of a project subject to CEQA and would prohibit aesthetic effects from being considered significant effects on the environment, except in certain circumstances. This bill contains other related provisions and other existing laws.	
AB 1121 Chiu	Amended 3/28/2017	Assembly Transportation	San Francisco Bay Area Water Emergency Transportation Authority. Current law establishes the San Francisco Bay Area Water Emergency Transportation Authority, composed of 3 members appointed by the Governor, one member appointed by the Senate Committee on Rules, and one member appointed by the Speaker of the Assembly. Current law prescribes the functions and duties of the authority with regard to the regulation of public transportation ferries and related water transportation. This bill would increase the membership of the authority to 9 members, with 5 members to be appointed by the Governor, 2 members appointed by the Senate Committee on Rules, and 2 members appointed by the Speaker of the Assembly.	
AB 1122 Limón	Amended 3/28/2017	Assembly Education	Teachers: dual-language immersion programs. Would require the Commission on Teacher Credentialing to encourage the establishment and expansion of partnerships between local educational agencies and institutions of higher education to offer integrated teacher preparation programs, as specified, that prepare educators to teach in dual-language immersion programs through integrated programs offering professional preparation concurrently with the completion of a baccalaureate degree.	
AB 1137 Maienschein	Amended 3/28/2017	Assembly Housing and Community Development	Housing developments: pet permissibility. Current law prohibits a public agency that owns and operates rental housing accommodations from preventing an elderly person or person requiring supportive services from keeping not more than 2 pets in the rental housing. This bill would require the Department of Housing and Community Development to require each housing development, as defined, that is financed on or after January 1, 2018, pursuant to various provisions of existing law, to authorize a resident of the housing development to own or otherwise maintain one or more common household pets, as defined, within the resident's dwelling unit, subject to applicable state laws and local government ordinances related to public health, animal control, and animal anticruelty.	
AB 1141 Berman	Amended 3/28/2017	Assembly Transportation	Autonomous vehicles: freight vehicles. Current law requires the Department of Motor Vehicles to adopt regulations no later than January 1, 2015, setting forth requirements for the submission of evidence of insurance, surety bond, or self-insurance, and for the submission and approval of an application to operate an autonomous vehicle. Under existing law, a violation of the Vehicle Code is an infraction, unless otherwise specified. This bill would, notwithstanding the above provisions, authorize the Department of the California Highway Patrol, or a manufacturer approved by the department, to conduct testing of autonomous technology using freight vehicles on a highway.	

<u>AB 1156</u> <u>Ting</u>	Introduced 2/17/2017	Assembly Local Government	Planning and zoning: general plan: report. The Planning and Zoning Law, after adoption of the general plan, requires the planning agency to provide by April 1 of each year an annual report to the legislative body, the Office of Planning and Research, and the Department of Housing and Community Development that contains specified information pertaining to the implementation of the general plan. This bill would require this report to also include the number of housing units at each income level remaining to be accommodated within the planning period, and an update to the inventory of land suitable for residential development, as specified.	
<u>AB 1160</u> <u>Bonta</u>	Introduced 2/17/2017	Assembly Transportation	Autonomous vehicles. Would change the definition of autonomous vehicle to mean any vehicle equipped with autonomous technology that has been integrated into that vehicle and is operated without the active physical control or monitoring by a human operator.	
<u>AB 1218</u> <u>Obernolte</u>	Introduced 2/17/2017	Assembly Appropriations	California Environmental Quality Act: exemption: bicycle transportation plans. CEQA, until January 1, 2018, exempts from its requirements bicycle transportation plans for an urbanized area for restriping of streets and highways, bicycle parking and storage, signal timing to improve street and highway intersection operations, and related signage for bicycles, pedestrians, and vehicles under certain conditions. CEQA, until January 1, 2018, also exempts from its requirements projects consisting of restriping of streets and highways for bicycle lanes in an urbanized area that are consistent with a bicycle transportation plan under certain conditions. This bill would extend indefinitely those 2 exemptions.	
<u>AB 1233</u> <u>Cunningham</u>	Introduced 2/17/2017	Assembly Transportation	Transportation Inspector General. Current law creates various state agencies, including the Department of Transportation and the High-Speed Rail Authority, with specified powers and duties. Existing law provides for the allocation of state transportation funds to various transportation purposes. This bill would create the Office of the Transportation Inspector General in state government, as an independent office that would not be a subdivision of any other government entity, to ensure that the above-referenced state agencies and all other state agencies expending state transportation funds are operating efficiently, effectively, and in compliance with federal and state laws.	
<u>AB 1239</u> <u>Holden</u>	Introduced 2/17/2017	Assembly Housing and Community Development	Building standards: electric vehicle charging infrastructure. The California Building Standards Law law requires the Department of Housing and Community Development to propose mandatory building standards for the installation of future electric vehicle charging infrastructure for parking spaces in multifamily dwellings. That law also requires the department and the California Building Standards Commission to use specified provisions of the California Green Building Standards Code as a starting point for those mandatory building standards. This bill would instead require the department and the commission to adopt mandatory building standards that include specified mandatory provisions.	
<u>AB 1259</u> <u>Calderon</u>	Amended 3/30/2017	Assembly Transportation	Capital Access Loan Program: electric vehicles. Would expand the Capital Access Loan Program to include the purchase of an electric vehicle by low- and middle-income consumers and families, as specified.	
<u>AB 1282</u> <u>Mullin</u>	Amended 4/4/2017	Assembly Transportation	Transportation Permitting Taskforce. Would require, by April 1, 2018, the Secretary of Transportation, in consultation with the Secretary of the Natural Resources Agency, to establish a Transportation Permitting Taskforce consisting of representatives from specified state entities to develop a process for early engagement for all parties in the development of transportation projects, establish reasonable deadlines for permit approvals, and provide for greater certainty of permit approval requirements.	

AB 1328 Limón	Amended 4/3/2017	Assembly Natural Resources	Oil and gas: wells. Would require the owner or operator of any well to disclose quarterly to the Division of Oil, Gas, and Geothermal Resources, in a format determined by the division, specified information relating to chemical constituents injected or added to the well. The bill would authorize the division to request from the owner or operator of a well additional data or chemical analyses of chemical constituents disclosed pursuant to these provisions to enhance the division's injection fluid analysis or to determine the potential consequences of that chemical constituent for the environment and human health. Because a violation of these requirements would be a crime, the bill would impose a state-mandated local program.	
AB 1331 Gipson	Amended 3/21/2017	Assembly Governmental Organization	Gambling licenses: corporations. Would extend certain time periods relating to the licensing of individuals doing business on behalf of or with a corporation that is licensed as the owner of a gambling enterprise. The bill would extend the time period that an individual is required to sell a security in the corporation from 60 to 75 calendar days upon the individual's license denial or revocation.	
AB 1341 Calderon	Amended 3/29/2017	Assembly Transportation	Zero-emission and near-zero-emission vehicles: tax credits and exemptions. The Sales and Use Tax Law defines the terms "gross receipts" and "sales price." This bill, on and after January 1, 2018, would exclude from "gross receipts" and "sales price" that portion of the cost of a used near-zero-emission or zero-emission vehicle purchased by a low-income purchaser, as defined, that does not exceed \$40,000.	
AB 1342 Flora	Introduced 2/17/2017	Assembly Natural Resources	Greenhouse Gas Reduction Fund: appropriations. Would continuously appropriate \$100,000,000 from the Greenhouse Gas Reduction Fund to the Department of Forestry and Fire Protection for healthy forest programs that reduce greenhouse gas emissions caused by uncontrolled wildfires, as specified. The bill would continuously appropriate \$100,000,000 from the fund to the Department of Resources Recycling and Recovery for instate organic waste recycling projects that reduce greenhouse gas emissions, as specified.	
AB 1350 Friedman	Amended 3/27/2017	Assembly Local Government	Land use: housing element: regional housing need: noncompliant cities and counties: penalty. The Planning and Zoning Law requires that assessment to include the city's or county's share of the regional housing need, as determined by the Department of Housing and Community Development in consultation with each council of governments, and requires a council of governments to develop a proposed methodology for distributing the existing and projected regional housing need, as specified. This bill would require a noncompliant city or county, as defined, to pay a penalty, as provided, to the Department of Housing and Community Development.	
AB 1383 Fong	Introduced 2/17/2017	Assembly Natural Resources	California Global Warming Solutions Act of 2006: regulations. The State Air Resources Board is required to approve a statewide greenhouse gas emissions limit equivalent to the statewide greenhouse gas emissions level in 1990 to be achieved by 2020 and to ensure that statewide greenhouse gas emissions are reduced to at least 40% below the 1990 level by 2030. The California Global Warming Solutions Act requires the state board to adopt rules and regulations in an open public process to achieve the maximum technologically feasible and cost-effective greenhouse gas emissions reductions. This bill would require the state board to take specified actions and make specified findings prior to adopting a regulation under the act.	

AB 1395 Chu	Amended 3/30/2017	Assembly Transportation	State highways: uniform financial plan. Would require the Department of Transportation, on or before January 1, 2019, to develop a uniform financial plan to remediate debris to maintain and preserve the state highway and freeway systems. The bill would require the uniform financial plan to include recommendations that allow a municipality to carry out obligations specified in the plan with reimbursement provided by the state. By imposing new duties on local municipalities, the bill would impose a state-mandated local program.	
AB 1397 Low	Introduced 2/17/2017	Assembly Housing and Community Development	Local planning: housing element: inventory of land for residential development. Would revise the inventory of land suitable for residential development to include vacant sites and sites that have realistic and demonstrated potential for redevelopment to meet a portion of the locality's housing need for a designated income level. By imposing new duties upon local agencies with respect to the housing element of the general plan, this bill would impose a state-mandated local program.	
AB 1418 O'Donnell	Amended 3/28/2017	Assembly Public Safety	City prosecutors. Current law authorizes the charter of any city to establish the office of city prosecutor with specified powers and duties. Current law makes it a crime for a person to maintain, permit, or allow a public nuisance to exist upon his or her property or premises, or to maintain, permit, or allow a public nuisance to exist on property or premises he or she is occupying or leasing from another person, after reasonable notice in writing from a city attorney. This bill would also authorize a city prosecutor to prosecute a person for allowing a public nuisance to exist in those situations.	
AB 1423 Chiu	Amended 3/28/2017	Assembly Local Government	Housing: annual reports: charter cities. Current law requires the planning agency of a city or county, after the adoption of a general plan, to investigate and make recommendations to the legislative body of the city or county regarding reasonable and practical means for implementing the general plan or element of the general plan and to provide by April 1 of each year an annual report to the legislative body, the Office of Planning and Research, and the Department of Housing and Community Development that includes, among other things, the status of the plan and progress in its implementation and the progress in meeting its share of regional housing needs, as specified, and local efforts to remove governmental constraints to the maintenance, improvement, and development of housing, as specified. This bill would apply the above report requirement to charter cities.	
AB 1427 Eggman	Amended 3/21/2017	Assembly Water, Parks and Wildlife	Water: underground storage. Current law provides for the reversion of water rights to which a person is entitled when the person fails to beneficially use the water for a period of 5 years. Current law declares that the storing of water underground, and related diversions for that purpose, constitute a beneficial use of water if the stored water is thereafter applied to the beneficial purposes for which the appropriation for storage was made. This bill would revise the above declaration to additionally provide that certain uses of stored water while underground constitute beneficial use.	
AB 1433 Wood	Amended 4/6/2017	Assembly Natural Resources	Climate Adaptation and Resilience Based on Nature Act. Would create the Climate Adaptation and Resilience Based on Nature Account in the Greenhouse Gas Reduction Fund and would transfer, beginning in the 2017–18 fiscal year, 20% of the annual proceeds of the fund to the account. The bill would, upon appropriation by the Legislature in the annual Budget Act, make available the moneys in the account to the Wildlife Conservation Board for grants and programs that facilitate actions to protect and improve the resilience of natural and working land systems and enhance habitat, while reducing emissions of greenhouse gases and increasing sequestration.	

AB 1436 Levine	Amended 3/28/2017	Assembly Local Government	County highways. Current law authorizes the board of supervisors of a county, by resolution adopted by a 4/5 vote of its members, to determine that specified activities relating to streets are of general county interest and that county aid shall be extended therefore. This bill would instead authorize the board of supervisors of a county to adopt this resolution by a 3/5 vote of its members and would make nonsubstantive changes to this law.	
AB 1442 Allen, Travis	Amended 3/28/2017	Assembly Transportation	Bonds: transportation: water projects. Would provide that no further bonds shall be sold for high-speed rail purposes pursuant to the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century, except as specifically provided with respect to an existing appropriation for high-speed rail purposes for early improvement projects in the Phase 1 blended system. The bill, subject to the above exception, would require redirection of the unspent proceeds received from outstanding bonds issued and sold for other high-speed rail purposes prior to the effective date of these provisions, upon appropriation, for use in retiring the debt incurred from the issuance and sale of those outstanding bonds.	
AB 1444 Baker	Amended 4/5/2017	Assembly Transportation	Livermore Amador Valley Transit Authority: demonstration project. Would authorize the Livermore Amador Valley Transit Authority, in accordance with substantially similar conditions, to conduct a shared autonomous vehicle demonstration project for the testing of autonomous vehicles that do not have a driver seated in the driver's seat and are not equipped with a steering wheel, a brake pedal, or an accelerator, as specified. This bill contains other existing laws.	
AB 1445 Reyes	Amended 3/28/2017	Assembly Jobs, Economic Development and the Economy	Public contracts: small business participation. Would require all state agencies, departments, boards, and commissions to establish and achieve an annual goal of 25% small business participation in state procurements and contracts, to ensure that the state's procurement and contract processes are administered in order to meet or exceed the goal, and to report to the director statistics regarding small business participation in the agency's procurements and contracts.	
AB 1469 Grayson	Introduced 2/17/2017	Assembly Education	School transportation. Current law authorizes the governing board of a school district to provide for the transportation of pupils to and from school whenever in the judgment of the board the transportation is advisable and good reasons exist to do so. This bill would entitle a pupil who attends a public, noncharter school that receives Title 1 federal funding to free transportation to and from school if certain conditions are met.	
AB 1470 Wood	Introduced 2/17/2017	Assembly Transportation	State highways: bypasses of a city or business district. Would, with respect to a bypass that is completed on or after January 1, 2014, provide that a city or county shall be eligible to receive funding from an unspecified account for the purposes of revitalizing a city or business district due to the loss of tourism business resulting from the highway relocation.	
AB 1505 Bloom	Introduced 2/17/2017	Assembly Housing and Community Development	Land use: zoning regulations. Would authorize the legislative body of any city, county, or city and county to adopt ordinances to require, as a condition of development of residential rental units, that the development include a certain percentage of residential rental units affordable to, and occupied by, moderate-income, lower income, very low income, or extremely low income households, as specified, and would declare the intent of the Legislature in adding this provision. The bill would also make nonsubstantive changes.	

AB 1509 Baker	Amended 4/6/2017	Assembly Local Government	San Francisco Bay Area Rapid Transit District. Would prohibit BART from redirecting any existing funds dedicated for system infrastructure capital improvements or rolling stock to cover operating expenses following the approval of Measure RR. The bill would also require BART in any fiscal year that it makes an expenditure of Measure RR revenues to expend from other sources of revenue an amount not less than the annual average of its expenditures on acquisition, construction, or completion of rapid transit facilities during the 2013–14, 2014–15, and 2015–16 fiscal years. By imposing new duties on a local governmental entity, the bill would create a state-mandated local program.	
AB 1512 McCarty	Amended 3/28/2017	Assembly Health	Opioid Addiction Prevention and Rehabilitation Act. Current law imposes various fees and taxes, including taxes on the privilege of engaging in certain activities. The Fee Collection Procedures Law, the violation of which is a crime, provides procedures for the collection of certain fees and surcharges. This bill, the Opioid Addiction Prevention and Rehabilitation Act, would impose a tax upon the distribution of opioids by every person including, but not limited to, a manufacturer or wholesaler, that makes the first sale in this state of opioids, where the sale is for the purpose of resale in the regular course of business, at the rate of \$0.01 per milligram of active opioid ingredient.	
AB 1515 Daly	Introduced 2/17/2017	Assembly Housing and Community Development	Planning and zoning: housing. Would specify that a housing development project or emergency shelter is deemed consistent with an applicable plan, program, policy, ordinance, standard, requirement, or other similar provision if there is sufficient evidence that would lead a reasonable person to conclude that the housing development project or emergency shelter is consistent. The bill would make additional findings related to the Housing Accountability Act in this regard.	
AB 1519 Cervantes	Amended 3/28/2017	Assembly Water, Parks and Wildlife	Adopt-A-Riverway Program. Current law authorizes the Department of Food and Agriculture to accept funds or services from any person for maintenance or enhancement of a section of a state riverway, as defined, for purposes of operating the government-volunteer partnership Adopt-A-Riverway Program. Current law authorizes local authorities to place and maintain highway signs recognizing sponsors of that program that donate a minimum of \$5,000 annually to the Adopt-A-Riverway Fund. This bill would change the minimum annual donation amount to \$4,000.	
AB 1523 Oberholte	Amended 3/28/2017	Assembly Local Government	Local agencies: contracts: design-build projects. Would modify the design-build procurement authorization for entities responsible for the construction of transit projects to also apply to entities responsible for the construction of transportation projects. The bill, for cities and counties, would include local streets and roads among those projects eligible for the design-build procurement process. The bill, for entities responsible for the construction of transportation projects, would include the construction of local street and road projects among those projects eligible for the design-build procurement process. This bill contains other existing laws.	

<u>AB 1531</u> <u>Berman</u>	Amended 3/28/2017	Assembly U. & E.	Public agency renewable energy self-generation program. Current law authorizes a local governmental entity, which, except for the individual campuses of the University of California, does not include the state or any of its agencies or departments, to receive a bill credit to a designated benefiting account for electricity exported by the local government to the electrical grid by a specific type of renewable generating facility and requires the Public Utilities Commission to adopt a rate tariff for the benefiting account. This program is known as the local government renewable energy self-generation program. his bill would change the reference to the program to the public agency renewable energy self-generation program and would make state agencies and departments eligible for the program.	
<u>AB 1561</u> <u>Quirk-Silva</u>	Amended 3/20/2017	Assembly Local Government	Inland Port Infrastructure Financing Act. Current law authorizes 2 or more harbor agencies to establish an authority under the joint powers law, with various powers and duties, for the purpose of establishing an infrastructure fund and financing port or harbor infrastructure, as specified. This bill would authorize 2 or more local agencies to establish an authority under the joint powers law for the purpose of establishing an infrastructure fund and financing inland port infrastructure.	
<u>AB 1568</u> <u>Bloom</u>	Amended 3/28/2017	Assembly Local Government	Enhanced infrastructure financing districts. Would, enact the Neighborhood Infill Finance and Transit Improvements Act which would authorize an infrastructure finance plan to provide, under specified circumstances, for the receipt and use of any increase of the total receipts of local sales and use tax or transactions and use tax from one year to the next collected by a consenting local agency and attributable to the area of the district under specified circumstances.	
<u>AB 1585</u> <u>Bloom</u>	Introduced 2/17/2017	Assembly Housing and Community Development	Planning and zoning: affordable housing: single application. Would establish in each city, county, and city and county in the state an affordable housing zoning board and procedures by which a public agency or nonprofit organization proposing to build affordable housing units, as defined, or a developer proposing to build a housing project that meets specified affordability criteria, could submit to that board a single application for a comprehensive conditional use or other discretionary permit.	
<u>AB 1598</u> <u>Mullin</u>	Amended 4/6/2017	Assembly Local Government	Affordable housing authorities. Would authorize a city, county, or city and county to adopt a resolution creating an affordable housing authority with power limited to providing low- and moderate-income housing funded through a low- and moderate-income housing fund, as specified. The bill would authorize an authority created pursuant to those provisions to have boundaries that are identical to the boundaries of the city, county, or city and county that created the authority. The bill would require the authority to adopt an affordable housing investment plan that includes, among other things, an affordable housing program.	
<u>AB 1613</u> <u>Mullin</u>	Introduced 2/17/2017	Assembly Local Government	San Mateo County Transit District: retail transactions and use tax. Current law authorizes the board of the San Mateo County Transit District to adopt a retail transactions and use tax ordinance in accordance with specified provisions of law, including a requirement that the combined rate of all such taxes that may be imposed in the county not exceed 2%. This bill would authorize the board to exceed that 2% limit to impose a retail transactions and use tax set at a rate of no more than 0.5%, if approved by the board before January 1, 2021.	
<u>AB 1623</u> <u>Acosta</u>	Introduced 2/17/2017	Assembly Print	State Air Resources Board. Current law designates the State Air Resources Board as the state agency charged with coordinating efforts to attain and maintain ambient air quality standards, to conduct research into the causes of and solution to air pollution, and to systematically attack the serious problem caused by motor vehicles. This bill would make a technical, nonsubstantive change to that provision.	

AB 1640 Garcia, Eduardo	Introduced 2/17/2017	Assembly Transportation	Transportation funding: low-income communities. Would require, beginning January 1, 2020, each regional transportation improvement program to allocate a minimum of 25% of available funds to projects or programs that provide direct, meaningful, and assured benefits to low-income individuals who live in certain identified communities or to riders of transit service that connects low-income residents to critical amenities and services. The bill would require the Department of Transportation, in consultation with residents of low-income communities and specified state agencies, to adopt guidelines for this allocation no later than January 1, 2018.	
AB 1652 Kalra	Amended 3/28/2017	Assembly B.&p.	Cannabis: distribution and transportation: evaluation. The Control, Regulate and Tax Adult Use of Marijuana Act of 2016, added by an initiative statute at the November 8, 2016, statewide general election, authorizes the possession and use of marijuana by persons 21 years of age and over and provides for the licensure and regulation of certain commercial nonmedical marijuana activities. This bill would require the Legislative Analyst's Office to evaluate the existing framework of medicinal cannabis and nonmedical marijuana. The bill would require the Legislative Analyst's Office, in consultation with stakeholders, to report to the Legislature by June 1, 2018, on whether additional changes are necessary to help alleviate the unlawful commercial distribution and transportation of medical cannabis and nonmedical marijuana.	
AB 1670 Gomez	Amended 3/28/2017	Assembly Housing and Community Development	Income taxes: credits: qualified developer: affordable housing. The Personal Income Tax Law and the Corporation Tax Law allow various credits against the taxes imposed by those laws. This bill would allow a credit against those taxes for each taxable year beginning on or after January 1, 2017, and before January 1, 2022, in an amount equal to 50% of the amount paid to a qualified developer during the taxable year by a taxpayer for the development of a qualified project, as defined, not to exceed \$250,000. This bill would take effect immediately as a tax levy.	
AB 1679 Burke	Amended 4/6/2017	Assembly Insurance	Motor vehicle insurance: auto body repair. Current law requires any insurer that conducts an auto body repair labor rate survey to determine and set a specified prevailing auto body repair labor rate in a specific geographic area to report the results of that survey to the Department of Insurance, which is required to make the information available upon request. This bill would delete the above-described provisions regarding an auto body repair labor rate survey and instead would require an insurer that conducts or uses a survey that establishes a prevailing auto body repair labor rate in a specific geographic area to report the results of the survey to the department at least every 24 months and would require the survey results to contain specified information, including, among other things, the name and physical address of each auto body repair shop surveyed, the total number of auto body repair shops surveyed, and a description of the geographic area covered.	
AB 1683 Burke	Amended 4/3/2017	Assembly Natural Resources	Transformative Climate Communities Program: report. Current law establishes the Transformative Climate Communities Program, administered by the Strategic Growth Council, to award competitive grants to specified eligible entities for the development and implementation of neighborhood-level transformative climate community plans that include greenhouse gas emissions reduction projects that provide local economic, environmental, and health benefits to disadvantaged communities, as defined. This bill would require the council, no later than January 1, 2019, to submit a specified report on the program to the Governor and specified committees of the Legislature.	

ACA 4 Aguiar-Curry	Introduced 2/17/2017	Assembly Print	Local government financing: affordable housing and public infrastructure: voter approval. Local government financing: affordable housing and public infrastructure: voter approval.	
SB 1 Beall	Enrolled 4/6/2017	Senate Enrollment	Transportation funding. Would create the Road Maintenance and Rehabilitation Program to address deferred maintenance on the state highway system and the local street and road system. The bill would require the California Transportation Commission to adopt performance criteria, consistent with a specified asset management plan, to ensure efficient use of certain funds available for the program. This bill contains other related provisions and other existing laws.	Support
SB 2 Atkins	Amended 3/23/2017	Senate Appropriations Suspense File	Building Homes and Jobs Act. Would enact the Building Homes and Jobs Act. The bill would make legislative findings and declarations relating to the need for establishing permanent, ongoing sources of funding dedicated to affordable housing development. The bill would impose a fee, except as provided, of \$75 to be paid at the time of the recording of every real estate instrument, paper, or notice required or permitted by law to be recorded, per each single transaction per single parcel of real property, not to exceed \$225.	Support
SB 3 Beall	Amended 3/28/2017	Senate Appropriations Suspense File	Affordable Housing Bond Act of 2018. Would enact the Affordable Housing Bond Act of 2018, which, if adopted, would authorize the issuance of bonds in the amount of \$3,000,000,000 pursuant to the State General Obligation Bond Law. Proceeds from the sale of these bonds would be used to finance various existing housing programs, as well as infill infrastructure financing and affordable housing matching grant programs, as provided.	Support
SB 4 Mendoza	Introduced 12/5/2016	Senate Gov. & F.	Goods Movement: allocation of federal funds: Goods Movement and Clean Trucks Bond Act. Would, subject to voter approval at the June 5, 2018, statewide primary election, enact the Goods Movement and Clean Trucks Bond Act to authorize \$600,000,000 of state general obligation bonds as follows: \$200,000,000 to the California Transportation Commission for projects and programs eligible for funding from the Trade Corridors Improvement Fund; \$200,000,000 to the State Air Resources Board for projects and programs consistent with the Goods Movement Emission Reduction Program; and \$200,000,000 to the State Air Resources Board for projects and programs to expand the use of zero- and near-zero emission trucks in areas of the state that are designated as severe or extreme nonattainment areas for ozone and particulate matter.	
SB 5 De León	Amended 3/28/2017	Senate Appropriations	California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018. Would enact the California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018, which, if approved by the voters, would authorize the issuance of bonds in an amount of \$3,000,000,000 pursuant to the State General Obligation Bond Law to finance a drought, water, parks, climate, coastal protection, and outdoor access for all program.	

SB 13 Gaines	Introduced 12/5/2016	Senate Gov. & F.	Sales and use taxes: exemption: manufacturing and research. Sales and use tax laws partially exempt from those taxes, for a specified period, the gross receipts from the sale of, and the storage, use, or other consumption of, specified tangible personal property purchased for use by a qualified person, as defined, to be used primarily in manufacturing or other processes, and in research and development. Consumables with a useful life of less than one year do not qualify for exemption, and useful life is defined by reference to state income or franchise taxes. This bill, on and after January 1, 2018, would expand the definition of a qualified person to include software publishers, as specified, and otherwise qualified persons that conduct agricultural business activities, as specified, thereby expanding the exemption.	
SB 19 Hill	Amended 3/14/2017	Senate Appropriations	Public Utilities Commission: duties and responsibilities: governance. Would prohibit an executive of a public utility from serving as a commissioner within 2 years after leaving the employment of the utility. The bill would require the Public Utilities Commission to maintain an updated Conflict of Interest Code and Statement of Incompatible Activities. The bill would establish an ethics officer within the legal division of the commission. The ethics officer would be appointed by the commission and would be responsible for instituting a program of enhanced ethics training for all commissioners and employees of the commission.	
SB 20 Hill	Amended 4/6/2017	Senate Appropriations	Vehicles: buses: seatbelts. Would require a passenger in a bus that is equipped with safety belts to be properly restrained by a safety belt and would require a motor carrier to maintain those safety belts in good working order for the use of the passengers. The bill would exempt a passenger leaving his or her seat to use an onboard bathroom from the seatbelt requirement. The bill would also require a motor carrier operating a bus equipped with safety belts to either: (1) require the bus driver to inform passengers of the requirement to wear a seatbelt or (2) post, or allow to be posted, signs or placards informing passengers of the requirement to wear a seatbelt, as specified.	
SB 21 Hill	Amended 3/23/2017	Senate Judiciary	Law enforcement agencies: surveillance: policies. Would, beginning July 1, 2018, except in exigent circumstances, as defined, require each public agency, as defined, to submit to its governing body at a regularly scheduled hearing, open to the public, a proposed plan for the use of each type of surveillance technology and the information collected, as specified. The bill would require that the public agency submit an amendment to the surveillance plan, pursuant to the same open meeting requirements, for each new type of surveillance technology sought to be used.	
SB 35 Wiener	Amended 4/4/2017	Senate Gov. & F.	Planning and zoning: affordable housing: streamlined approval process. The Planning and Zoning Law requires a planning agency, after a legislative body has adopted all or part of a general plan, to provide an annual report to the legislative body, the Office of Planning and Research, and the Department of Housing and Community Development on the status of the general plan and progress in meeting the community's share of regional housing needs. This bill would require the planning agency to include in its annual report specified information regarding units of housing, including rental housing and housing designated for homeownership, that have secured all approvals from the local government and special districts needed to qualify for a building permit.	

SB 41 Galqiani	Amended 3/23/2017	Senate Environmental Quality	State Air Resources Board: compliance: regulations. The State Air Resources Board has adopted a regulation to significantly reduce emissions particulate matter, oxides of nitrogen, and other criteria air pollutants from existing diesel trucks and buses operating in the state, commonly known as the Truck and Bus Regulation. This bill would require the state board, until January 1, 2023, to deem a person, as defined, to be in compliance with the Truck and Bus Regulation and would prohibit the state board from requiring a person to expend further moneys to achieve compliance with, or from seeking to enforce against that person, that regulation if specified conditions are met.	
SB 79 Allen	Amended 3/9/2017	Senate Environmental Quality	Sales and use taxes: exemption: used electric vehicles. Would, on and after July 1, 2018, and before January 1, 2025, exempt from sales and use taxes the gross receipts from the sale in this state of, and the storage, use, or other consumption in this state of, a qualified motor vehicle purchased by a qualified buyer, as defined. The bill would require the State Air Resources Board to undertake a cost-benefit analysis of this tax exemption and the greenhouse gas emission reduction from the vehicles traded in and submit a report to the Legislature.	
SB 145 Hill	Introduced 1/17/2017	Senate Transportation and Housing	Autonomous vehicles: testing on public roads. Current law requires the Department of Motor Vehicles to notify the Legislature if it receives an application from a manufacturer seeking approval to operate an autonomous vehicle capable of operating without the presence of a driver inside the vehicle. Current law prohibits such an application from becoming effective any sooner than 180 days after that application is submitted. This bill would repeal the requirement that the department notify the Legislature of receipt of an application seeking approval to operate an autonomous vehicle capable of operating without the presence of a driver inside the vehicle.	
SB 185 Hertzberg	Amended 3/20/2017	Senate Public Safety	Crimes: infractions. Existing law requires a court, in any case when a person appears before a traffic referee or judge of the superior court for adjudication of a violation of the Vehicle Code, upon request of the defendant, to consider the defendant's ability to pay, as specified. This bill would require the court, in any case involving an infraction filed with the court, to determine whether the defendant is indigent for purposes of determining what portion of the statutory amount of any associated fine, fee, assessment, or other financial penalties the person can afford to pay.	
SB 195 Cannella	Introduced 1/30/2017	Senate Rules	Vehicle registration. Current law prohibits a person from driving, moving, or leaving standing upon a highway any motor vehicle, as defined, that has been registered in violation of provisions regulating vehicle emissions. This bill would make technical, nonsubstantive changes to those provisions, and would delete an obsolete provision of law.	
SB 196 Cannella	Introduced 1/30/2017	Senate Rules	Land use: general plans. The Planning and Zoning Law requires each city, county, and city and county to prepare and adopt a general plan that contains certain mandatory elements, including a housing element. This bill would make nonsubstantive changes to that law.	
SB 229 Wieckowski	Amended 3/13/2017	Senate Appropriations	Accessory dwelling units. The Planning and Zoning Law authorizes the legislative body of a city or county to regulate the intensity of land use, and also authorizes a local agency to provide by ordinance for the creation of accessory dwelling units in single-family and multifamily residential zones, as specified. Current law requires the ordinance to designate areas within the jurisdiction of the local agency where these units may be permitted and impose specified standards on these units. This bill would authorize the ordinance to include more permissive maximums of increased floor area and total floor space.	

SB 251 Cannella	Introduced 2/7/2017	Senate Transportation and Housing	Autonomous vehicles: pilot project. Current law permits the operation of an autonomous vehicle on public roads for testing purposes if, among other requirements, a driver is seated in the driver's seat and is capable of taking immediate manual control of the vehicle in the event of an autonomous technology failure or other emergency. This bill would, until 180 days after the operative date of the above specified regulations, allow the County of Merced to conduct a pilot project for the testing of autonomous vehicles that do not have a driver seated in the driver's seat and are not equipped with a steering wheel, a brake pedal, or an accelerator if the testing is conducted at the Castle Commerce Center.	
SB 262 Wieckowski	Introduced 2/8/2017	Senate Appropriations	Climate change: climate adaptation: advisory council. Current law requires the Office of Planning and Research to establish an advisory council, comprised of members for a range of disciplines, to support the office's goals to facilitate coordination among state, regional, and local agency efforts to adapt to the impacts of climate change. This bill would specify that the members on the advisory council serve staggered terms of 4 years. The bill would require the members of the advisory council to select a chairperson from their members.	
SB 263 Leyva	Amended 3/21/2017	Senate Natural Resources and Water	Climate Assistance Centers. Would require the Strategic Growth Council to establish no less than 10 regional climate assistance centers, as specified. The bill would require the climate assistance centers to provide to target user groups technical assistance in applying for moneys, provide to target user groups assistance and training in project management and implementation, and work with local organizations to formulate policy ideas that accomplish specified goals. The bill would authorize the council and climate assistance centers to solicit and accept nonstate money.	
SB 264 Nguyen	Amended 4/4/2017	Senate Transportation and Housing	High-occupancy toll lanes: Interstate 405 Improvement Project high-occupancy toll lanes. Current law requires certain excess revenue generated by the toll facility to be used in the corridor from which the revenue was generated pursuant to an expenditure plan developed by the sponsoring agency, as provided. This bill would instead require net excess toll revenues, as defined, received from high-occupancy toll lanes on a specified portion of an approximately 16-mile-long project corridor in the County of Orange on Interstate 405 and that traverses the Cities of Costa Mesa, Fountain Valley, Huntington Beach, Westminster, and Seal Beach to be allocated to the Orange County Transportation Authority and certain project corridor jurisdictions according to a specified schedule.	
SB 277 Bradford	Amended 3/22/2017	Senate Transportation and Housing	Land use: zoning regulations. Would authorize the legislative body of any city or county to adopt ordinances to require, as a condition of development of residential rental units, that the development include a certain percentage of residential rental units affordable to, and occupied by, moderate-income, lower income, very low income, or extremely low income households, as specified. The bill would also make a nonsubstantive change and legislative findings and declarations.	
SB 279 Fuller	Introduced 2/9/2017	Senate Rules	Local government: land use: general plans. Current law requires each planning agency to prepare, and the legislative body of each county and city to adopt, a comprehensive, long-term general plan for the physical development of the county or city, as specified. This bill would make nonsubstantive changes to those provisions.	

SB 369 Hertzberg	Introduced 2/14/2017	Senate Transportation and Housing	Autonomous vehicles. Current law authorizes the operation of an autonomous vehicle on public roads for testing purposes by a driver who possesses the proper class of license for the type of vehicle being operated if specified requirements are met. Current law defines an "autonomous vehicle: for this purpose as any vehicle equipped with autonomous technology that has been integrated into that vehicle. This bill would specify that a vehicle equipped with a collision avoidance system, as specified, that is not capable of driving the vehicle without a human driver remaining fully engaged in the driving task is not an autonomous vehicle.	
SB 389 Roth	Amended 3/21/2017	Senate Transportation and Housing	Department of Transportation: programmatic testing and inspection services. Would authorize the Department of Transportation to establish a special subaccount of the State Highway Account to accommodate deposits and expenditures of moneys relative to routine programmatic testing and inspection services requested by a local agency or other entity that are not directly related to a particular project, including, but not limited to, aggregate qualifications, mix verifications, plant inspections, and laboratory certifications.	
SB 400 Portantino	Amended 3/20/2017	Senate Transportation and Housing	Highways: victim memorial signs. Current law requires the Department of Transportation to design, construct, place, and maintain, or cause to be designed, constructed, placed, and maintained, "Please Don't Drink and Drive" signs on state highways in memory of accident victims killed in accidents involving another party who was convicted of drunk driving or various other alcohol-related offenses, as specified, if the sign is requested, or consented to, by an immediate family member of the accident victim, and the requester pays a fee to cover the department's costs, as specified. This bill would expand these provisions to also include "Please Drive Safely" signs in memory of victims killed in vehicular accidents unrelated to drugs or alcohol.	
SB 406 Leyva	Amended 3/23/2017	Senate Transportation and Housing	Vehicles: high-occupancy vehicle lanes: exceptions. Current state law authorizes the Department of Transportation to designate certain lanes for the exclusive use of HOVs, which lanes may also be used by certain low-emission, hybrid, or alternative fuel vehicles not carrying the requisite number of passengers otherwise required for the use of an HOV lane, if the vehicle displays a valid identifier issued by the Department of Motor Vehicles (DMV). A violation of provisions relating to HOV lane use by vehicles, including operating or owning a vehicle displaying a decal, label, or other identifier that was not issued to that vehicle, is a crime. This bill would similarly authorize a blood transport vehicle that is transporting blood between collection points and hospitals or storage centers to use HOV lanes.	
SB 414 Vidak	Introduced 2/15/2017	Senate Transportation and Housing	Transportation bonds: highway, street, and road projects. Would provide that no further bonds shall be sold for high-speed rail purposes pursuant to the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century, except as specifically provided with respect to an existing appropriation for high-speed rail purposes for early improvement projects in the Phase 1 blended system. The bill, subject to the above exception, would require redirection of the unspent proceeds from outstanding bonds issued and sold for other high-speed rail purposes prior to the effective date of these provisions, upon appropriation, for use in retiring the debt incurred from the issuance and sale of those outstanding bonds.	

SB 415 Vidak	Introduced 2/15/2017	Senate Transportation and Housing	High-speed rail: rights-of-way. Would require the High-Speed Rail Authority to make a good faith effort to sell or exchange real property or an interest in real property acquired by the state for high-speed rail purposes on or after January 1, 2018, within 3 years from the date of acquisition if the authority has not begun construction on the property or interest in the property within that 3-year period. For real property or an interest in real property acquired before January 1, 2018, the bill would require the authority to dispose of the property on or before January 1, 2021, or, for property subject to a lease as of January 1, 2018, within 3 years of the expiration of the lease, if the authority has not begun construction during those 3-year periods.	
SB 418 Hernandez	Introduced 2/15/2017	Senate Third Reading	Public works: public subsidies. Would provide that a public subsidy is de minimis if it is both less than \$275,000, and less than 2% of the total project cost. The bill would specify that those provisions do not apply to a project that was advertised for bid, or a contract that was awarded, before July 1, 2018.	
SB 431 Bates	Amended 3/20/2017	Senate Rules	Planning and zoning: building codes: accessory dwelling units. Would, if a local agency makes its provisions applicable by ordinance or resolution, authorize a local building inspector for 5 years following adoption of the ordinance or resolution to waive some or all requirements, with specified exceptions for certain health and safety requirements, of an applicable building code with respect to an accessory dwelling unit constructed prior to January 1, 2008, for the purpose of issuing a building permit for that accessory dwelling unit. The bill would specify that an accessory dwelling unit issued a permit pursuant to these provisions would not count toward the local agency's allocation of the regional housing need.	
SB 445 Gaines	Introduced 2/15/2017	Senate Rules	California Environmental Quality Act: infill development. The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment, as defined, or to adopt a negative declaration if it finds that the project will not have that effect, unless the project is exempt from the act. CEQA exempts a residential project located on an infill site within an urbanized area that meets specified criteria from its requirements. This bill would make nonsubstantive changes to this exemption.	
SB 446 Gaines	Introduced 2/15/2017	Senate Rules	Housing element. The Planning and Zoning Law requires each city, county, or city and county to prepare and adopt a general plan for its jurisdiction that contains certain mandatory elements, including a housing element. That law requires the housing element to identify the current and projected housing needs of all economic segments of the community. This bill would make a nonsubstantive change to that law.	

SB 469 Skinner	Amended 3/20/2017	Senate Judiciary	Child support guidelines: low-income adjustments. Current law establishes a rebuttable presumption that an obligor with a net disposable income, as defined, of a specified amount per month is entitled to a low-income adjustment to his or her child support obligation. Until January 1, 2018, the net disposable income threshold is \$1,500 per month, and is requested to be adjusted annually for cost-of-living increases. Current law requires the Judicial Council to determine the adjustment amount based on the change in the annual California Consumer Price Index, as specified. Effective January 1, 2018, the net disposable income threshold is \$1,000 per month and is not requested to be annually adjusted for cost-of-living increases. This bill would delete the January 1, 2018, date of repeal for the version of existing that is currently operative, thereby maintaining indefinitely the net disposable income threshold at \$1,500 per month, adjusted annually for cost-of-living increases, and would repeal the successor version of that law that becomes operative on January 1, 2018.	
SB 530 Vidak	Introduced 2/16/2017	Senate Transportation and Housing	Employee housing: agricultural employees. Would require that certain agricultural worker housing be deemed an agricultural land use for purposes of the general plan of a local agency and, except as provided, would prohibit the local agency from requiring a conditional use permit or other discretionary permit, zoning variance, or other zoning clearance for that housing that is not required for any other agricultural use within the same zone. The bill would define "local agency" for these purposes as a city, county, or city and county, including a charter city, charter county, or charter city and county.	
SB 540 Roth	Amended 3/29/2017	Senate Gov. & F.	Workforce Housing Opportunity Zone. Would authorize a local government, as defined, to establish a Workforce Housing Opportunity Zone by preparing an EIR pursuant to CEQA and adopting a specific plan that is required to include text and a diagram or diagrams containing specified information. The bill would require a local government that proposes to adopt a Workforce Housing Opportunity Zone to hold public hearings on the specific plan. The bill would authorize a local government, after a specific plan is adopted and the zone is formed, to impose a specific plan fee upon all persons seeking governmental approvals within the zone.	
SB 578 Glazer	Introduced 2/17/2017	Senate Transportation and Housing	Highways: Safety Enhancement-Double Fine Zone. Current law requires the Department of Transportation to designate a state highway segment as a Safety Enhancement-Double Fine Zone if specified conditions are met, including that the governing board of the city or county in which the segment is located has by resolution indicated that it supports the designation. This bill would, notwithstanding these requirements and until January 1, 2021, designate the segment of county highway known as Vasco Road, between the State Highway Route 580 junction in Alameda County and the Marsh Creek Road intersection in Contra Costa County, as a Safety Enhancement-Double Fine Zone upon the approval of the boards of supervisors of Alameda County and Contra Costa County.	
SB 591 Berryhill	Introduced 2/17/2017	Senate Rules	Motor vehicle fuel tax. The Motor Vehicle Fuel Tax Law imposes a tax upon each gallon of motor vehicle fuel removed from a refinery or terminal rack in this state, entered into this state, or sold in this state, at a specified rate per gallon. This bill would make a nonsubstantive change to this provision.	

SB 594 Beall	Amended 4/5/2017	Senate Transportation and Housing	Department of Transportation: contracts. Current federal law implements the Disadvantaged Business Enterprise Program to foster equal opportunity to firms owned by disadvantaged individuals on United States Department of Transportation-assisted contracts. This bill would require the Department of Transportation, to the extent permitted under state and federal law, to establish and meet specified goals relating to the participation rates by small businesses and disadvantaged business enterprises in both federally funded projects and state-funded projects, and to the participation rate by disabled veteran business enterprises in state-funded projects.	
SB 595 Beall	Amended 4/5/2017	Senate Transportation and Housing	Department of Transportation: report on redundant positions. Current law specifies the powers and duties of the Department of Transportation, and provides that the department has full possession and control of all state highways and all property and rights on property acquired for state highway purposes. This bill would require the department to, no later than January 1, 2019, identify at least 500 redundant positions at the department and would require the department to put any savings from eliminating those positions into state-owned roadway maintenance and upkeep.	
SB 603 Glazer	Introduced 2/17/2017	Senate Public Employment and Retirement	San Francisco Bay Area Rapid Transit District: work stoppages. Current law establishes provisions regulating the collective bargaining of BART employees and its board of directors. This bill would prohibit BART from entering into an agreement that would limit its ability to prepare for a work stoppage or operate during a work stoppage. By imposing new duties on a local governmental entity, the bill would create a state-mandated local program.	
SB 604 Glazer	Introduced 2/17/2017	Senate Public Employment and Retirement	San Francisco Bay Area Rapid Transit District: strikes: prohibition. Would prohibit employees of the San Francisco Bay Area Rapid Transit District from engaging in a strike or work stoppage if the transit district board maintains all provisions of an expired contract and an employee or employee organization has agreed to a provision prohibiting strikes in the expired or previous written labor contract. The bill would provide that an employee whom the transit district employer finds willfully engaged in a strike or work stoppage in violation of these provisions is subject to dismissal if that finding is sustained upon conclusion of the appropriate proceedings necessary for the imposition of a disciplinary action.	
SB 614 Hertzberg	Amended 4/5/2017	Senate Transportation and Housing	Public transportation agencies: administrative penalties. Current law makes it a crime, punishable as an infraction or misdemeanor, as applicable, for a person to commit certain acts on or in a facility or vehicle of a public transportation system. Current law authorizes a public transportation agency to adopt and enforce an ordinance to impose and enforce civil administrative penalties for and other passenger misconduct on or in a transit facility vehicle in lieu of the criminal penalties otherwise applicable. Current law requires these administrative penalties to be deposited in the general fund of the county in which the citation is administered. This bill would instead require the administrative penalties to be deposited with the public transportation agency that issued the citation.	

SB 622 Wiener	Introduced 2/17/2017	Senate Transportation and Housing	Local Agency Public Construction Act: Golden Gate Bridge, Highway and Transportation District. The Local Agency Public Construction Act requires a bridge and highway district to advertise for contracts for all vessel repair, maintenance, and alteration work whenever the estimated expenditure exceeds \$20,000 and for all other construction, repair, maintenance, and alteration work and for all insurance purchased by the district if the estimated expenditure exceeds \$5,000. The act would require a bridge and highway district to comply with specified emergency contracting procedures if the notice for bids to let a contract will not be given. This bill would repeal those requirements and authorization and, instead, require a bridge and highway district to publicize contracts for the construction of facilities and public works whenever the estimated expenditure exceeds \$100,000.	
SB 638 Leyva	Introduced 2/17/2017	Senate Transportation and Housing	Heavy-duty motor vehicles. Current law requires the State Air Resources Board, in consultation with the Bureau of Automotive Repair and a specified review committee, to adopt regulations requiring owners or operators of heavy-duty diesel motor vehicles to perform regular inspections of their vehicles for excessive emissions of smoke. Current law requires the state board, in consultation with the State Energy Resources Conservation and Development Commission, to adopt regulations requiring heavy-duty diesel motor vehicles to use emission control equipment and alternative fuels. This bill would delete the references and requirements pertaining to excessive emissions of smoke by heavy-duty diesel vehicles.	
SB 680 Wieckowski	Introduced 2/17/2017	Senate Transportation and Housing	San Francisco Bay Area Rapid Transit District Current law authorizes the San Francisco Bay Area Rapid Transit District to take by gift, or take or convey by grant, purchase, devise, or lease, and hold and enjoy, real and personal property of every kind within and without the district necessary for, incidental to, or convenient for, transit-oriented joint development projects, as commercial, residential, or mixed-use developments that are undertaken in connection with existing, planned, or proposed transit facilities and are located 1/4 mile or less from the external boundaries of that facility. This bill would extend the maximum distance in that definition to 1/2 mile.	
SB 711 Hill	Amended 4/6/2017	Senate Gov. & F.	Electrical corporations and gas corporations: rates and charges. Current law requires the Public Utilities Commission to designate a baseline quantity of electricity and gas necessary for a significant portion of the reasonable energy needs of the average residential customer and to establish a higher energy allowance above the baseline for residential customers dependent on life-support equipment. This bill would revise the definition of "baseline quantity" to provide that, for residential gas customers and for all-electric residential customers, the baseline quantity is required to be established at from 60% to 70% of average residential consumption during each month of the winter heating season.	
SB 732 Stern	Amended 3/29/2017	Senate Transportation and Housing	General plan: open-space element: agricultural land. Would, upon the next revision of the housing element on or after January 1, 2018, authorize a city and county to develop an agricultural land component of the open-space element. The bill would require a city or county to comply with specified requirements when preparing that component, including identifying and mapping, where applicable, using specified data, agricultural lands that are within the city's or county's jurisdiction; establishing a comprehensive set of goals, policies, and objectives to support the long-term protection of agricultural land; and identifying and establishing a set of feasible implementation measures designed to promote those goals, policies, and objectives.	

SB 745 Stern	Introduced 2/17/2017	Senate Rules	California Global Warming Solutions Act of 2006. The California Global Warming Solutions Act of 2006 requires the State Air Resources Board to consult with other states, the federal government, and other nations to identify the most effective strategies and methods to reduce greenhouse gases, manage greenhouse gas control programs, and facilitate the development of integrated and cost-effective regional, national, and international greenhouse gas reduction programs. This bill would make technical, nonsubstantive changes to these provisions.	
SB 760 Wiener	Introduced 2/17/2017	Senate Transportation and Housing	Transportation funding: active transportation: complete streets. Would establish a Division of Active Transportation within the Department of Transportation and require that an undersecretary of the Transportation Agency be assigned to give attention to active transportation program matters to guide progress toward meeting the department's active transportation program goals and objectives. The bill would require the California Transportation Commission to give high priority to increasing safety for pedestrians and bicyclists and to the implementation of bicycle and pedestrian facilities.	
SB 768 Allen	Amended 3/27/2017	Senate Transportation and Housing	Transportation projects: comprehensive development lease agreements. Current law authorizes the Department of Transportation and regional transportation agencies to enter into comprehensive development lease agreements with public and private entities, or consortia of those entities, for certain transportation projects that may charge certain users of those projects tolls and user fees, subject to various terms and requirements. These arrangements are commonly known as public-private partnerships. Current law provides that a lease agreement may not be entered into under these provisions on or after January 1, 2017. This bill would extend this authorization indefinitely.	
SB 775 Wieckowski	Introduced 2/17/2017	Senate Environmental Quality	California Global Warming Solutions Act of 2006: greenhouse gas emissions reduction. The California Global Warming Solutions Act of 2006 designates the State Air Resources Board as the state agency charged with monitoring and regulating sources of emissions of greenhouse gases. The act requires the state board to consult with other states, the federal government, and other nations to identify the most effective strategies and methods to reduce greenhouse gases, manage greenhouse gas control programs, and facilitate the development of integrated and cost-effective regional, national, and international greenhouse gas reduction programs. This bill would require the state board also to consult with local agencies for these purposes.	
SB 802 Skinner	Amended 3/23/2017	Senate Transportation and Housing	Autonomous vehicles: registration. Current law establishes regulations for the operation of an autonomous vehicle on public roads for testing purposes by a driver who possesses the proper class of license for the type of vehicle being operated if the manufacturer meets prescribed requirements. This bill would make a level 4 or level 5 autonomous vehicle eligible for initial registration, or renewal or transfer of registration, by the department only if the vehicle is a zero-emission vehicle, as defined, that is programmed to optimize fuel efficiency, in order to meet California's goals for zero-emission vehicle deployment and transportation electrification and to improve the stability and reliability of the state's electricity grid.	
SCA 2 Newman	Amended 3/30/2017	Senate Third Reading	Motor vehicle fees and taxes: restriction on expenditures: appropriations limit. Would add Article XIXD to the California Constitution to require revenues derived from vehicle fees imposed under a specified chapter of the Vehicle License Fee Law to be used solely for transportation purposes. The measure would prohibit these revenues from being used for the payment of principal and interest on state transportation general obligation bonds that were authorized by the voters on or before November 8, 2016.	

SCA 6 Wiener	Amended 3/29/2017	Senate Transportation and Housing	Local transportation measures: special taxes: voter approval. Would require that the imposition, extension, or increase of a special tax by a local government for the purpose of providing funding for transportation purposes, as specified, be submitted to the electorate and approved by 55% of the voters voting on the proposition. The measure would also make conforming and technical, nonsubstantive changes. The California Constitution provides that a proposed amendment of the constitution, upon submission to, and approval by, the voters takes effect the day after the election unless the measure provides otherwise. This measure would provide that the amendments of the constitution in this measure shall take effect on the date of the election.
