TO: BATA Oversight Committee

DATE: May 3, 2017

FR: Executive Director

W. I. 1256

RE: BATA Resolution No. 118, Revised – Toll Bridge Program Operating and Capital Budget Revision

Staff is requesting an amendment to the BATA Toll Bridge Operating and Capital Project Budget (BATA Resolution No. 118, Revised) to update allocations among projects within BATA's operating and capital programs.

A. Toll Bridge Operating Budget

Caltrans requested an additional \$1.6 million in Toll Bridge and Facility Maintenance funding for structural steel painting maintenance work on the Richmond-San Rafael and Benicia-Martinez bridges for FY 2016-17. Staff has evaluated the request and concurs with the need. Staff proposes to fund the increase from an equal reduction in Toll Bridge Rehabilitation Program funds for FY 2016-17.

In addition to the recommended budget change for structural steel bridge painting, the operating budget has been augmented by approximately \$1.3 million in carryover encumbrances, primarily for contracts executed in FY 2015-16 with work continuing in FY 2016-17.

These changes are shown in Attachment A to the resolution.

B. Toll Bridge Rehabilitation Program

Staff requests a decrease to the Toll Bridge Rehabilitation Program Budget by \$1.6 million for the transfer to the Toll Bridge and Facility Maintenance Budget as described above.

The rest of the adjustments to the Toll Bridge Rehabilitation Program are reallocations of the remaining budget within the Program. These changes are shown in Attachment C-1 and C-2 of the resolution.

C. Toll Bridge Seismic Retrofit Program

Caltrans has proposed a plan to the Toll Bridge Program Oversight Committee (TBPOC) to accelerate the demolition of the old east span SFOBB marine foundations. As currently permitted, Caltrans planned to implode the foundations over the next two years. Based on recent pier implosion experiences, Caltrans believes that the remaining planned pier implosions can be

performed this year. To achieve this acceleration and reduce future costs and risks, the TBPOC approved a supplemental budget request of \$1.5 million in capital outlay and \$1 million in FY 2016-17 capital outlay support to cover activities related to the early completion of demolition. Staff has evaluated the request and concurs with the need. Staff proposes to fund the increase from available Toll Bridge Seismic Retrofit Program contingency funds. These changes and other minor budget adjustments to actual are shown in Attachment E-1 and E-2 of the resolution.

Staff recommends that the Committee refer BATA Resolution No. 118, Revised to the Authority for approval.
