RE: Plan Bay Area 2040 Action Plan: Small Group Discussions

The May 10 Policy Advisory Council meeting will largely consist of small group discussion sessions – what we’ve referred to in the past as “brainstorming.” The discussions will center on the three main topics of the Action Plan: 1) Housing Production, Preservation and Protection; 2) Economic Development; and 3) Resilience. Please consider questions and ideas you have for how the region can best address these topics.

MTC and ABAG staff will give a brief overview of the three main topics, and then you will break into three small groups. The discussion will rotate from each of the three topics in these groups. Once we’ve concluded the discussion time, you will reconvene to the larger Council format for a short report back to the full group.
