Programming and Allocations Committee**

**COMMISSION AGENDA ITEM 7C - Agenda Item 5a**

**MTC Resolution No. 4035, Revised**

**Subject:** Transit Performance Initiative (TPI) Investment Program – North Bay Programming. Recommendations for approximately \$2.3 million in STP/CMAQ funds through the Transit Performance Initiative (TPI) Investment program to projects in Marin, Napa, Solano, and Sonoma counties.

**Background:** **Transit Performance Initiative – Investment Program, Round 3**  
The TPI Investment program funds low-cost capital investments that can improve operations and customer experience on major transit corridors and systems, and that can be implemented rapidly. In October 2012, the Commission committed \$82 million in federal Cycle 2 STP/CMAQ funds to the TPI Investment Program. To date, \$80 million of the STP/CMAQ TPI Investment funding has been programmed to projects, with 89% of the funds going to the region's large operators. The TPI program is also receiving funding in round 2 of the One Bay Area Grant program (OBAG 2); the next cycle of programming is expected to occur in mid-2018.

**North Bay Program Funding Recommendations**

Staff recommends programming the remaining \$2.3 million in the OBAG 1 TPI Investment Program to projects in each of the North Bay counties in the amounts listed below. Through each county's Congestion Management Agency, the following priority projects were identified:

<b>County</b>	<b>Project</b>	<b>Amount (\$ thousands)</b>
Marin	Novato Downtown SMART Station	\$500
Sonoma	Santa Rosa CityBus New Transit System Optimization	\$411
Napa	NVTA Imola Avenue and SR-29 Express Bus Improvements	\$411
Solano	SolanoExpress Fairgrounds Drive/SR 37 Bus Stop	\$1,000
<b>Total</b>		<b>\$2,322</b>

The recommended grant awards fund project elements that reduce travel times, increase schedule reliability, enhance customer experience, and/or provide new transit options, and can be implemented in a relatively fast timeframe consistent with program objectives. Fact sheets for the recommended corridors are attached as Attachment A.

For federal funds, a local funding match of at least 11% is required. Due to fund source eligibility restrictions, TPI funds for the SolanoExpress Fairground Drive/SR 37 Bus Stop project will be programmed to the City of Fairfield for SolanoExpress replacement buses, and the Solano Transportation Authority will use State Transit Assistance funds for the bus stop project.

**Issues:** None.

**Recommendation:** Refer MTC Resolution No. 4035, Revised to the Commission for approval.
