FR: Catalina Alvarado, Acting Staff Liaison WI: 1114
RE: Subcommittee Work Plan Elements

The Equity and Access Subcommittee discusses the impacts of policies on low income residents, seniors and disabled, as well as on communities of concern. We will begin to consider items of interest to committee members for the subcommittee's work plan. We will review topics the committee has weighed-in on in the past, along with any suggestions that arise from the joint meeting with MTC commissioners, plus any new topics from Council members.

This meeting will be discussion only. A work plan for the subcommittee will be incorporated into the Council's work plan.
