RE: MTC Resolution No. 4329 – FY 2018-19 Overall Work Program (OWP), Planning Certification, and Authorization for Execution of Agreements for Federal and State Planning Grants

Staff requests that the Committee refer the OWP (MTC Resolution No. 4329) to the Commission for approval.

**Background and Overall Work Program Overview**

The OWP is the principal document governing the budget, allocation, and use of federal and State transportation planning funds in the nine-county San Francisco Bay Area. It is prepared with the Association of Bay Area Governments and California Department of Transportation (Caltrans), which are partners in regional transportation planning activities in the Bay Area. MTC’s portion of the OWP includes MTC’s unified work program for FY 2018-19, as well as certain activities of MTC’s transportation planning partners, including the congestion management agencies (CMAs) and transit operators.

On November 28, 2017, MTC held the annual Metropolitan Planning Organization meeting with FHWA, FTA and Caltrans where attendees discussed the FY 2018-19 Planning Emphasis areas which are the basis for this OWP. These agencies’ comments on the draft OWP have been incorporated into the final OWP.

Attached for your review and consideration for referral to the Commission is MTC Resolution No. 4329, which includes the following actions:

- Approves the final Overall Work Program (OWP) for FY 2018-19;
- Authorizes the programming of approximately \$18 million in FY 2018-19 transportation planning funds which also includes estimated FHWA PL, FTA 5303 and SB1 FY 2018-19 carryover funds as follows:

|                                   |                      |
|-----------------------------------|----------------------|
| FHWA PL FY'19                     | \$ 8,142,204         |
| Estimated FHWA PL FY17-18 c/o     | 2,533,042            |
| FTA 5303 FY'19                    | 3,437,418            |
| Estimated FTA 5303 FY17-18 c/o    | 616,409              |
| Estimated FTA 5304 FY'18 c/o      | 741,657              |
| Estimated SP&R FY'18 c/o          | 220,569              |
| Estimated SB1 c/o and Grant Award | 2,804,513            |
| <b>Total</b>                      | <b>\$ 18,495,812</b> |

- Certifies that MTC's planning process will be implemented in accordance with applicable statutes and regulations; and
- Authorizes the Executive Director or his designee to apply for grants and execute agreements to secure federal and other funds for transportation planning activities in FY 2018-19. These funds are used to support staff and consultant costs for activities related to the federal planning emphasis areas and activities managed by the Bay Conservation Development Commission and CMAs.

The carryover estimates will not be final until the completion of the audit and reconciliation of final expenditure is sent to Caltrans.

In addition to the transportation planning funds authorized in MTC Resolution No. 4329, a number of grant and project funds are included in the MTC Budget Summary tab of the OWP.

Commission approval is the first step in authorizing the FY 2018-19 expenditure of federal and state funds. Following approval by the Commission, Caltrans will review and approve the OWP budget, which must then be included in the MTC Operating budget for FY 2018-19.

An electronic version of the FY 2018-19 OWP can be reviewed at the following link:

**Recommendation**

Staff recommends that the Committee refer MTC Resolution No. 4329 to the Commission for approval.
