

Plan BayArea 2040

ACTION PLAN
UPDATE

May 11, 2018

ABAG Regional Planning
Committee

The Plan meets our environmental goals, but it does not solve the region's affordability challenges.

Plan Bay Area 2040
Agenda Item 7

TARGET ACHIEVED (5)

-  Climate Protection
-  Adequate Housing
-  Open Space and Agricultural Preservation
-  Middle-Wage Job Creation
-  Goods Movement/ Congestion Reduction

RIGHT DIRECTION (4)

-  Healthy and Safe Communities
-  Affordable Housing
-  Non-Auto Mode Shift
-  Transit Maintenance

WRONG DIRECTION (4)

-  Housing + Transportation Affordability
-  Displacement Risk
-  Access to Jobs
-  Road Maintenance

The Plan meets our environmental goals, but it does not solve the region's affordability challenges.

Plan Bay Area 2040
Agenda Item 7

	Goal	Draft Plan Performance	
Goods Movement/Congestion Reduction	-20%	-29%	<div>BEST</div> <div></div> <div>WORST</div>
Middle-Wage Job Creation	+38%	+43%	
Climate Protection	-15%	-16%

Housing + Transportation Affordability	-10%	+13%	

Plan Bay Area 2040

- The **Plan**, including the **Action Plan**, was jointly approved **July 2017**.
- The **Action Plan** includes 19 specific actions to address **housing**, **transportation**, and **environmental** challenges in the Bay Area.
- The **Action Plan** identifies Partners and Timeframe.

Plan Bay Area 2040

Section 1 – *The Bay Area Today*

Agenda Item 7

Section 2 – *What is Plan Bay Area 2040?*

Section 3 – *Forecasting the Future*

Section 4 – *Strategies and Performance*

Section 5 – *Action Plan*

Supplemental Reports

Environmental Impact Report

Read the Plan online at: **<http://2040.planbayarea.org>**

Section 5: Action Plan

- Summarizes progress on Plan Bay Area implementation to date
- Proposes specific shorter-term actions focused on areas where Plan falls short
- Shared implementation commitment

Housing

**Economic
Development**

Resilience

OBJECTIVE:

Lower the share of income spent on housing and transportation costs, lessen displacement risk, and increase the availability of housing affordable to low- and moderate-income households.

ACTIONS:

Financing	Legislative	Policy	Technical Assistance	Data
CASA is evaluating funding and financial solutions	MTC/ABAG Legislative Committees continue to track housing-related bills	Approval of TOAH2, Bay Area Preservation Pilot, and Jumpstart	Assessment and evaluation of current efforts, CASA action plans for technical assistance and policy toolkits	Regional tracking and monitoring of housing production and preservation, Online Housing Policy and Data Explorer

OBJECTIVE:

Improve transportation access to jobs, increase middle wage job creation, and maintain the region’s infrastructure.

ACTIONS:

Middle Wage Jobs	Workforce Training	Job Access	Regional Growth	Data
Comprehensive Economic Development Strategy (CEDS), Regional Economic Development District (EDD), and Economic Action Plan (EAP)	Regional Economic Development District (EDD)	Horizon’s project performance assessment, Bay Area Council Economic Institute approaches to reducing travel costs	Priority Production Area program	Regional open-access land uses and policies database

OBJECTIVE:

Enhance climate protection and adaptation efforts, strengthen open space protections, create healthy and safe communities, and protect communities against natural hazards.

ACTIONS:

Coordination	Policy	Funding	Technical Services	Infrastructure
BARC released Raising the Bar on Regional Resilience report , Adapting to Rising Tides (ART), BCDC’s Bay Plan, and Resilient by Design (RbD)	Partner in the USGS HayWired , North Bay fires tools for recovery, legislative support, Cooperative Technical Partnership with FEMA	RbD Finance Guide for a range of resources available for financing resilience and adaptation projects , Restoration Authority	MTC/ABAG, BCDC, and BARC collaboration	Resilient by Design (RbD), Adapting to Rising Tides (ART), RAMP

MTC and ABAG will provide semi-annual updates of implementation efforts

Agenda Item 7

Future updates will also highlight efforts among partners, including local jurisdictions

See Attachment A for a complete synopsis of efforts
