RE: BATA Financial Statements for January 2019

Attached are the BATA financial statements for the seven month period ending January 2019. Major financial highlights include:

- (1) **Revenues**: Toll bridge revenue of \$516 million is slightly below the budget projections. Total interest revenue earned of \$29 million is 115% of the budget to date. The strong interest earnings are a result of higher market interest rates. Year-to-date (YTD) toll violation revenue of \$13.8 million is slightly below the budget. YTD subsidy payments from the U.S. Government to offset the interest expense of the Build America Bonds is at \$18.5 million and the next subsidy payment is expected in the upcoming months.
- (2) **Expense:** Total operating expense of \$225 million is 25% of the approved budget. The total encumbrance balance of \$66 million is 10% of the remaining budget balance. Expense are expected to fluctuate as the major debt service payments will not be made until the later part of the fiscal year.
- (3) **Transfers to MTC and Association of Bay Area Governments (ABAG)**: The budgeted annual 1% administration fee for MTC and operating contribution to the ABAG Estuary Partnership was transferred at the beginning of the fiscal year. The balance of the transfers are generally made on a drawdown basis.
