Agenda Item 2h

Resolution Nos. 3880, Revised, 3881, Revised, and 4347, Revised

Subject: Revisions to the Lifeline Transportation Program (LTP) Cycles 2 and 5 Program of Projects and the Proposition 1B – Regional Transit Program.

Background: MTC's Lifeline Transportation Program funds projects that improve mobility for the region's low-income communities. The program is administered by the nine county congestion management agencies (CMAs), and in Santa Clara County via a joint arrangement between the CMA and the County.

Staff recommends the following changes to the county programs, as requested by the CMAs:

1) Cycle 5 Program Additions (MTC Resolution No. 4347, Revised)

- a. Programming of additional State Transit Assistance (STA) and 5% STA contingency funds for Alameda, Contra Costa, Marin, Napa, and Solano Counties

The Cycle 5 Lifeline Transportation Program received nearly \$900,000 in additional STA funds due to the higher than anticipated diesel sales tax revenue as a result of Senate Bill 1. Today's item proposes programming approximately \$450,000 in STA funds for Alameda, Contra Costa, Marin, Napa, and Solano Counties, to projects requested by those counties. Generally the funds are being used to support transit operations.

- b. Marin County

Last year, the Transportation Authority of Marin (TAM) selected four projects from their Community-Based Transportation Plan to fund under Lifeline Cycle 5. One of these projects has been programmed and is underway. The remaining three projects (\$75,151 for the School Transportation Service in Novato, \$68,000 for the Drake/Cole Pedestrian Improvements, and \$248,000 for the Canal Neighborhood Crosswalk Improvements) however, were found to be ineligible for STA funds. As a result, TAM pursued and approved a funding exchange with Marin Transit. Marin Transit will receive \$391,151 in STA funds for the Route 36 project, serving communities of concern between Marin City and the Canal area of San Rafael, and in exchange, Marin Transit will give TAM Measure AA Sales Tax Strategy 4: Local Bus funds to fully fund the three remaining Lifeline projects.

2) Cycle 2 Program Changes (MTC Resolution Nos. 3880, Revised and 3881, Revised)

- a. Santa Clara County – This item proposes to waive LTP requirements for the approximately \$470,000 in Proposition 1B funds and reprogram the funds to the Santa Clara Valley Transportation Authority's (VTA) Non-Revenue Vehicle project. In 2016, VTA served as a pass-through for the Outreach and Escort. Twenty-six Toyota Mirai hydrogen-electric sedans were purchased for approximately \$470,000 using Proposition 1B funds under Lifeline Cycle 2 as part of the Paratransit Vehicle and Equipment Purchase Project under Outreach and Escort, which is now a discontinued project and program. In the last year, VTA has been evaluating ways to utilize these 26 vehicles for current paratransit or access and mobility services, and has found the configuration of the vehicles to be a poor fit for VTA's programs. Based on discussions between VTA and MTC staff, the options for using the vehicles on an LTP project are limited. VTA has requested that the vehicles be used as part of its non-revenue fleet (a Proposition 1B eligible use but non-compliant with LTP). However, these Prop 1B funds are from several years ago, and therefore the options are limited as to any reprogramming, and therefore staff supports VTA's request.

Issues: None.

Recommendation: Refer MTC Resolution Nos. 3880, Revised, 3881, Revised, and 4347, Revised to the Commission for approval.

Through this exchange, SFMTA will receive \$17.5M in CMAQ funding instead of Prop 1B PTMISEA Urban Core funding.

* Note added 10/28/15: MTC approved \$6,189,054 for the Van Ness BRT project in April 2015. Upon receipt of SFMTA's Van Ness BRT allocation request, Caltrans PTMISEA staff and the State Controller's Office (SCO) discovered that, in fall 2014, they had mistakenly allocated \$639,282 in MTC's PTMISEA Pop-Based (99313) funds to SFMTA for their Light Rail Vehicle (LRV) project instead of PTMISEA Revenue-Based (99314) funds. Therefore, Caltrans staff and the SCO issued only \$5,549,772 in 99313 funds to the Van Ness BRT project, and instructed SFMTA to submit a Corrective Action Plan (CAP) to move \$639,282 in 99313 funds from the LRV project to the Van Ness BRT project to make the Van Ness BRT project whole. SFMTA submitted and MTC approved such a CAP in October 2015.

*** On 5/24/2017, \$1,000,000 in Proposition 1B funding was transferred from AC Transit's Vehicle Replacement project to AC Transit's East Bay Bus Rapid Transit (BRT) Vehicles, Design & Construction project as a result of project cost savings on the Vehicle Replacement project. This project is also known as the "Diesel Electric Hybrid Articulated Buses for Rapid Service and/or design and construction of the East Bay Bus Rapid Transit Project".

**** On 9/27/17 \$28,023 was transferred from the Purchase of 15 ADA paratransit Vehicles to Marin County Bus Stop Improvements.

ABSTRACT

Resolution No. 3881, Revised

This resolution adopts the FY 2009 through FY 2011 Program of Projects for MTC's Second-Cycle Lifeline Transportation Program, funded with State Transit Assistance (STA), Proposition 1B Transit and Job Access Reverse Commute (JARC) funds.

The evaluation criteria established in Resolution 3860 were used by the county entities administering the program to develop the program of projects.

The following attachments are provided with this resolution:

Attachment A — Second-Cycle Lifeline Transportation Program of Projects -
FY2009-2011

This resolution was revised on May 27, 2009 to amend Attachment A to incorporate changes to STA-funded projects based on STA reductions in the final FY2009 state budget, and adds two new projects – new transit and shuttle service in Napa County and a SamTrans bus purchase in San Mateo County.

This resolution was revised on October 28, 2009 to amend Attachment A to revise and add STA funds to the Balboa Park Station entrance project in San Francisco County and to incorporate Proposition 1B-funded projects in Santa Clara County.

This resolution was revised December 16, 2009 to add the Tier 2 program of projects.

This resolution was revised February 24, 2010, to revise funding amounts of Tier 2 Proposition 1B-funded projects to reflect actual state appropriations for FY2009-10 and to add four new Tier 2 projects in San Mateo County.

This resolution was revised April 28, 2010, to add Tier 2 funds to three existing projects and one new project in San Francisco County and to three existing projects in Santa Clara County.

Notes

- (1) Because the FY 18 actual STA amounts will be confirmed by the State Controller after July 2018, only 95 percent of each county's STA amount will be available to be claimed by project sponsors until further notice. The County Lifeline Program Administrators programmed 95 percent of their county's STA amount, and then developed a contingency plan for the remaining five percent should it be available. Some agencies have contingencies unprogrammed.
- (2) On 12/19/18, Santa Clara County projects are being programmed.
- (3) Funds are being reserved for each PB Pilot program as listed. Specific projects will be amended and add into this Cycle 5 program, once projects have been recommended through the PB Pilot program process.
- (4) On 12/19/18, additional State Transit Assistance funds have been added to program due to higher than anticipated diesel sales tax revenue as a result of Senate Bill 1.
- (5) On 12/19/18, additional STA funds are being programmed to existing projects.
- (6) On 12/19/18, additional STA funds are being programmed to new projects in San Francisco County.
- (7) On 12/19/18, the 5% STA contingency and additional STA funds are being programmed to existing project in San Mateo County.
- (8) On 06/26/19, additional STA funds are being programmed to existing projects: \$104,940 for Coliseum BART Elevator Renovation, \$104, 940 for Operations Support for Route 2, and \$20,911 for Imola Avenue/SR 29 projects.
- (9) On 06/26/19, 5% STA contingency and additional STA funds are being programmed to new projects: \$77,468 for Solano Express in Solano County.
- (10) On 06/26/19, additional STA funds (\$123,947) and 5% STA contingency (\$53,534) are being programmed to a new project, Preserve Operating Support for Routes 200 and 201. The programming of \$53,534 in 5% STA contingency is conditioned on CCTA Board approval.
- (11) On 06/26/19, additional STA funds and remaining unprogrammed STA and 5% contingency funds are being programmed to Route 36 (funding exchange). The Marin County Lifeline Program Administrator (Transportation Authority of Marin (TAM) had originally programmed in STA funds \$75,151 for the School Transportation Service in Novato, \$68,000 for the Drake/Cole Pedestrian Improvements, and \$248,000 for Canal Neighborhood Crosswalk Improvements, but these three projects were found to be ineligible for STA funds. As a result, TAM pursued and approved a funding exchange with Marin Transit. Marin Transit will receive \$391,151 in STA funds for Route 36 and in exchange will give TAM, *Measure AA Sales Tax Strategy 4: Local Bus* funds to fully fund the three Lifeline projects.
