Agenda Item 3a

**MTC Resolution No. 4370, Revised –
FY 2019-20 Overall Work Program (OWP) - Amendment**

Subject: This item requests that the Committee authorize the referral of the Overall Work Program (OWP) Amendment (MTC Resolution No. 4370, Revised) to the Commission for approval.

Background: The Fixing America's Surface Transportation Act (FAST Act) calls for the development of the OWP by the federally designated Metropolitan Planning Organization (MPO). The Metropolitan Transportation Commission (MTC), as the federally designated MPO for the nine-county San Francisco Bay Area region, annually develops and maintains the OWP. The OWP is the principal document governing the budget, allocation, and use of federal and state transportation planning funds in the nine-county San Francisco Bay Area region.

The FY 2019-20 OWP is developed in consultation and coordination with the region's transit operators, congestion mitigation agencies (CMAs), the Association of Bay Area Governments, Caltrans, the Federal Highway Administration (FHWA), and the Federal Transit Administration (FTA). The Final FY 2019-20 OWP includes Caltrans' Unified Work Program and transportation and air quality related planning activities proposed for the nine-county San Francisco Bay Area region for the state fiscal year July 1, 2019 to June 30, 2020.

The FY 2019-20 OWP was approved by MTC on June 26, 2019 and was jointly approved by FHWA and FTA on June 30, 2019.

The OWP is subject to periodic adjustments resulting from changes in activities/scope of work/project tasks and deliverables as well as revisions in revenues and expenditures during the fiscal year. The proposed Amendment No. 1 to the FY 2019-20 OWP accounts for the following changes:

- Work Element 1520: MTC was awarded an FTA 5304 planning grant in the amount of \$466,559. The grant was awarded for the San Francisco Bay Area Rapid Transit (BART) Metro 2030 and Beyond, which will be used to better connect communities with seamless mobility. BART will develop a 2030 system wide service plan and identify capital projects to improve operational efficiency and financial stability, maximize ridership, reduce Greenhouse Gas (GHG) emissions, and provide an alternative to regional congestion.

- Work Element 1415: Caltrans awarded MTC a Senate Bill 1 (SB1) Adaptation Planning grant in the amount of \$500,000 for State Route 37 Resilient Corridor Program for Marin and Sonoma Counties. Grant funding will be expended to plan, identify and develop adaptation strategies that would protect vulnerable transportation infrastructure from sea level rise and flooding, including the Bay Area Toll Authority (BATA) bridge assets.
- Work Element 1611: The final SB1 formula-funded allocation of \$64,013 is programmed in this amendment and will be utilized for the Transportation for Livable Communities Program.

MTC's OWP for FY 2019-2020 is available to view/download on MTC's website at https://mtc.ca.gov/sites/default/files/FINAL_FY_2019-20_OWP.pdf.

Recommendation: Staff recommends that this Committee refer MTC Resolution No. 4370, Revised to the Commission for approval, which would amend the OWP to add two new grant awards and a final SB1 allocation.
