BATA Financial Statements for August 2019

Subject:

Attached are the BATA financial statements for the two-month period ending August 2019. Major financial highlights include:

- (1) **Revenues:** Total operating revenue of \$154 million is 3% above the projected budget for FY 2019-20. Toll revenue of \$128 million and interest revenue of \$8.3 million are both relatively in line with the budget. YTD subsidy payments from the U.S. Government to offset the interest expense of the Build America Bonds is at \$12.6 million.
- (2) **Expense:** Total operating expense of \$43 million is 4.8% of the total FY 2019-20 budget. As we get closer to midyear, contract and debt service costs will kick in giving us a more accurate expense picture.
- (3) Transfers to MTC and Association of Bay Area Governments (ABAG): The budgeted annual 1% administration fee for MTC and operating contribution to the ABAG Estuary Partnership were transferred at the beginning of the fiscal year. BATA also transferred the budgeted PERS retirement payment to MTC.
- (4) Actions under Executive Director Contract signature authority: please see Attachment A page 2.
