**Agenda Item 8**

**Committee Input on MTC/ABAG Workshop Item regarding AB 1487 Implementation**

**Subject:** A discussion to provide input on the MTC/ABAG Workshop item regarding AB 1487 Implementation.

**Overview:** The Committee will be asked to consider how best to frame the discussion of AB 1487 implementation at the MTC/ABAG Workshop on January 31<sup>st</sup>. Policy questions for consideration by the committee include, but are not limited to:

- What role should MTC/ABAG have in local elected official and public outreach to help inform the regional expenditure plan and overall structure of ballot measure?
- What additional information is needed from polling?
- How and at what point should MTC/ABAG reconcile housing and transportation measures priorities for the November 2020 ballot?
- Should there be a discussion of potential funding sources at this stage or is the committee comfortable focusing on a general obligations bond at this time, as currently supported by the measure's primary proponents—the Nonprofit Housing Association of Northern California and Enterprise Community Partners.
