Mr. Crain,

On behalf of Tennis Wick:

On 17 December 2019, the Board of Supervisors adopted unanimously (Supervisor Rabbitt absent) the attached resolution directing staff to apply for the Priority Development Area placetype to replace the to-be-defunct Rural Community Investment Area placetype so that the Springs Specific Plan may be concluded later this year.

On behalf of the County of Sonoma and Permit Sonoma, I thank MTC for your support and partnership in this important work.

**Resolution of the Board of Supervisors of the County Of Sonoma, State Of California,
Nominating the Springs Specific Plan Area as a Priority Development Area to the Association
of Bay Area Governments & Metropolitan Transportation Commission for Inclusion into Plan
Bay Area 2050.**

Whereas, Senate Bill 375, the Sustainable Communities and Climate Protection Act of 2008, defines implementation requirements to reduce greenhouse gas emissions from vehicles through better coordination between transportation and land use planning; and

Whereas, SB 375 requires each regional planning area to prepare a "Sustainable Communities Strategy" (SCS) in the regional transportation plan that demonstrates how the region will meet the greenhouse gas emission targets; and

Whereas, the Association of Bay Area Governments (ABAG) and the Metropolitan Transportation Commission (MTC) together are the governmental agencies responsible for planning, financing and coordinating transportation and land use planning for the nine-county San Francisco Bay Area, including preparation of the SCS; and

Whereas, MTC/ABAG adopted Plan Bay Area 2040 on July 26, 2017, the current Regional Transportation Plan and Sustainable Communities Strategy for the nine-county Bay Area; and

Whereas, MTC/ABAG are currently preparing Plan Bay Area 2050 (the Plan), an update to Plan Bay Area 2040 that will outline strategies for growth and investment through 2050; and

Whereas, MTC/ABAG are creating a Regional Growth Framework to be used in the Plan;

Whereas, this Framework includes locally nominated Priority Development Areas (PDAs) as locations to coordinate local and regional planning for housing, jobs, and future investment; and

Whereas, jurisdictions with PDAs have access to regional funding dedicated to planning and infrastructure improvements within PDAs; and

Whereas, the Springs Specific Plan Area was previously designated as a “Rural Community Investment Area,” a Priority Development Area placetype; and

Whereas, the County was awarded a PDA grant for the development of a Specific Plan for the area and the Springs Specific Plan is currently in process; and

Whereas, the Springs Specific Plan area (depicted generally in Exhibit A to this resolution) meets all the required “Connected Community” PDA criteria as follows: (1) the area is within an urbanized area; (2) a Specific Plan for housing growth, including affordable housing, and job growth will be adopted before 2025; (3) the area is served by an existing or planned bus route with peak headways of 30 minutes or less; and (4) the Specific Plan will include two or more policies related to the reduction of vehicle miles traveled.

Now, Therefore, Be It Resolved that the Board of Supervisors submit a nomination to MTC/ABAG to designate the Springs Specific Plan Area as a PDA for inclusion within Plan Bay Area 2050.

Adopted December 17, 2019 by the Board of Supervisors of the County of Sonoma by the following vote:
