Metropolitan Transportation Commission Programming and Allocations Committee

March 11, 2020 Agenda Item 2i MTC Resolution Nos. 3989, Revised and 4035, Revised Subject: Revisions to the exchange program and One Bay Area Grant program (OBAG 1) to redirect of \$25,000 in exchange funds from the Bay Bridge Forward Commuter Parking Initiative project to the Fruitvale Quick Build project. **Background:** In July 2016, the Commission directed approximately \$40 million within the OBAG 1 and 2 programs and Regional Measure 2 to implement the first set of Bay Bridge Forward near-term improvements to reduce single occupancy vehicles and increase shared use modes on the San Francisco-Oakland Bay Bridge corridor. **Commuter Parking Initiative** A key component of Bay Bridge Forward program is the Commuter Parking Initiative, which is constructing commuter parking facilities on underutilized

Initiative, which is constructing commuter parking facilities on underutilized Caltrans airspaces at three locations in the East Bay: I-880 and Fruitvale Avenue and I-880 and High Street in Oakland, and I-80 and Buchanan Street in Albany. Designed to support the shift from single-occupancy vehicles to shared-use modes leading to and across the San Francisco-Oakland Bay Bridge, these secured lots will provide AC Transit Transbay service and loading zones for carpool and employer shuttles, and will include electronic bike lockers, bike racks, and electric vehicle (EV) charging stations.

Following this initial fund programming for this project within the OBAG 1 and 2 programs, the Commuter Parking Initiative was redirected to MTC's exchange program to accelerate project delivery. This month, staff recommends redirecting \$25,000 in exchange funds from the Commuter Parking Initiative project to the Fruitvale Quick Build project, as part of an internal fund exchange with SAFE program balances.

Fruitvale Quick Build

During the contract approval for commuter parking operations and management for the three parking facilities in September 2019, Commissioners directed staff to work the local community and agency partners to improve bicycle and pedestrian access to the Fruitvale Commuter lot.

In working with the City of Oakland and the Unity Council, staff identified an opportunity to build upon Oakland's upcoming Fruitvale Alive! project, which is anticipated for construction in FY 2020-21. The Fruitvale Alive! project will provide bicycle and pedestrian infrastructure and safety improvements on Fruitvale Avenue from East 12th Street to Alameda Avenue. These improvements will provide a direct and safe bicycle and pedestrian connection to one of the commuter parking lots at the Fruitvale location. However, the project does not provide a direct bicycle connection to the commuter lots to the west of Fruitvale Avenue.

MTC staff proposes to address this critical infrastructure gap by developing and designing safety, connectivity, and access improvements on East 9th Street between Fruitvale Avenue to Del Monte Way. This project will engage with the local community throughout the process to analyze safety improvements and develop conceptual plans to implement a low-stress, protected bicycle connection. Final design and construction for these improvements would be completed by the City of Oakland.

Staff recommends redirecting \$25,000 from the Commuter Parking Initiates within the exchange program to fund the Fruitvale Quick Build project. Using non-federalized fund source will accelerate the Fruitvale project timeline so it would coincide with Commuter Parking Lot Initiative operations and the Fruitvale Alive! project phasing.

ABSTRACT

Resolution No. 3989, Revised

This resolution establishes the procedures governing the MTC Exchange Program. This resolution supersedes MTC Resolution No. 3018.

Attachment B was revised on October 26, 2011 to provide \$376,000 Exchange Program funding to the intertribal Electric Vehicle project.

Attachments B and C were respectively revised on February 26, 2014 to include \$10 million in Exchange Program funding for Transit Oriented Affordable Housing (TOAH), and update final balances of the initial STP Exchange Program (Resolution 3018) to reflect final project close out.

Attachments A and B were revised on December 21, 2016 to program \$1.1 million to the Bay Bridge Forward Commuter Parking Initiative and update the name of the Transit Oriented Affordable Housing Program.

Attachments A and B were revised on July 26, 2017 to program \$8.2 million to the Regional Priority Conservation Area (PCA) program and \$2.8 million to the Regional Active Operational Management Program. An additional \$1 million in exchange funds will be committed to a specific project or program through a future Commission action. This action and associated agreement and programming actions are contingent upon California Transportation Commission (CTC) approval of the amendment to the baseline agreement for the Marin Sonoma Narrows project to accept STP/CMAQ funds rather than local funds.

Attachment B was revised on February 28, 2018 to program \$10 million to the Bay Area Preservation Pilot; \$1,024,000 to Richmond's Bike Share Capital and Outreach project; \$826,000 for the joint Transportation Authority of Marin/Sonoma County Transportation Authority (TAM/SCTA) Bike Share Capital and Outreach project along the SMART Corridor; and redirect \$2,800,000 from Regional Active Operational Management to the Bay Bridge Forward Commuter Parking Initiative project. ABSTRACT MTC Resolution No. 3989 Page 2

Attachment B was revised on March 28, 2018 to program \$30,000 to the Bay Area Greenprint Priority Conservation Area (PCA) Improvements.

Attachments A and B were revised on November 28, 2018 to add the SCVTA SR 85 Transit Guideway Study and the CCTA I-680 NB HOV/Express Lane exchange agreements, and to program \$4,000,000 in Exchange funds to the following projects: \$619,000 to CCTA for Innovative Deployment for Enhanced Arterials; \$621,000 to the city of Walnut Creek for innovative Deployment for Enhanced Arterials; \$500,000 to the city of Richmond for the Richmond-San Rafael Bridge Bikeway Access; \$1,160,000 to MTC for Richmond-San Rafael Bridge Forward; and \$1,100,000 to MTC for Napa Valley Transportation Demand Management Strategies.

Attachment B was revised on March 27, 2019 to change the recipient of the Concord IDEA project from CCTA to the City of Concord and reduce the funding from \$619,000 to \$589,000; and reduce the funding amount for the MTC Richmond-San Rafael Bridge Forward project from \$1,160,000 to \$1,046,000; and redirect these funds to a new project with MTC as the recipient for the Concord IDEA project for \$144,000. The matching funds for the Concord IDEA project as identified in MTC Resolution 4357, are included within the \$144,000 amount. These changes result in no net change to total funds committed to-date.

Attachment A was revised on June 26, 2019 to cancel the \$1,200,000 exchange agreement with the SCVTA for the SR 85 Transit Guideway Study as the funds provided through the exchange are no longer needed.

Attachment B was revised on September 25, 2019 to reflect MTC as the direct recipient of exchange funds for the Concord and Walnut Creek IDEA projects; funds will be provided on a reimbursement basis to each project sponsor pursuant to their respective funding agreements with MTC.

Attachment B was revised on November 20, 2019 to program \$6,023,000 to 13 projects as part of the Priority Conservation Area (PCA) Grant program; funds will be provided on a reimbursement basis to each project sponsor pursuant to their respective funding agreements with MTC.
