

ABAG MTC Governance: Important Next Steps

Bay Area Regional Collaborative (BARC)
May 15, 2020

Where We Left Off

1. Conduct initial Field Visits – March/April

- Sacramento Area Council of Governments (SACOG)
- Puget Sound Regional Council (PSRC)
- San Diego Association of Governments (SANDAG)
- Met Council (Twin Cities, MN)

❖ STATUS: Defer due to COVID-19 travel restrictions

2. Develop Board Protocol Alignment proposal for ABAG General Assembly and MTC approval in June 2020

❖ STATUS: Recommendations being advanced to ABAG EB and General Assembly

Where We Left Off

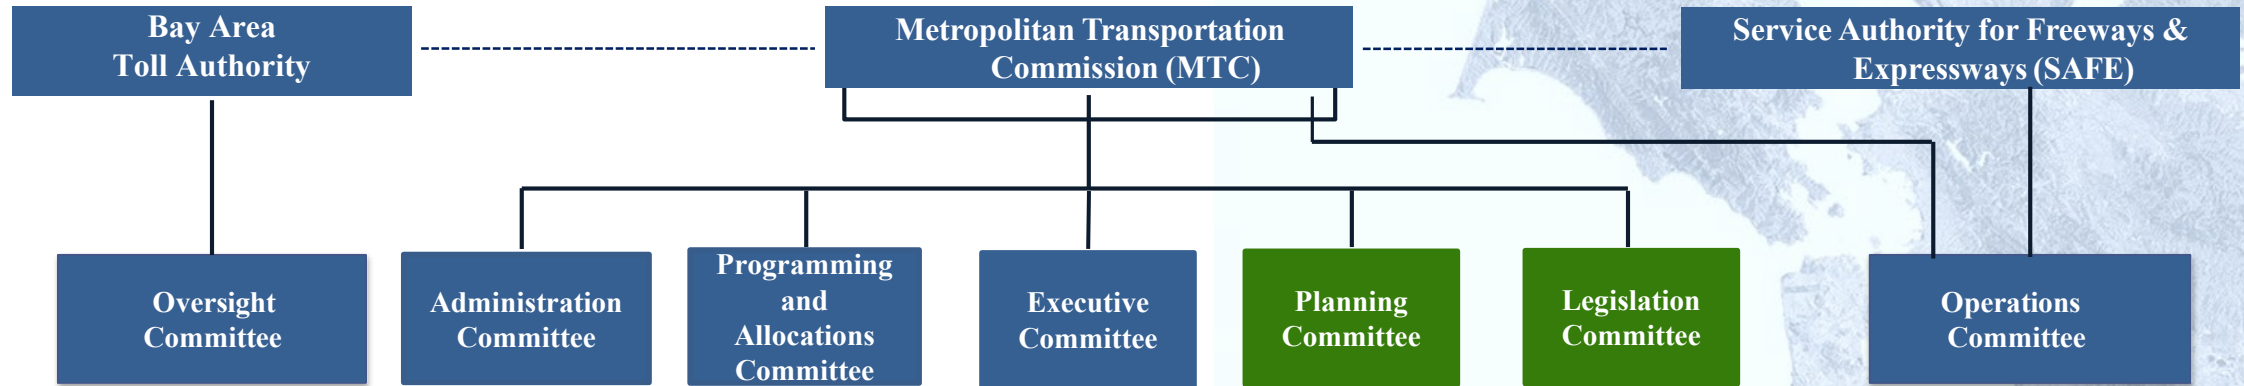

3. Bring Committee restructuring proposal to Joint Governance Committee by June 2020

❖ **STATUS: Current Proposal → Committee Consolidation Framework**

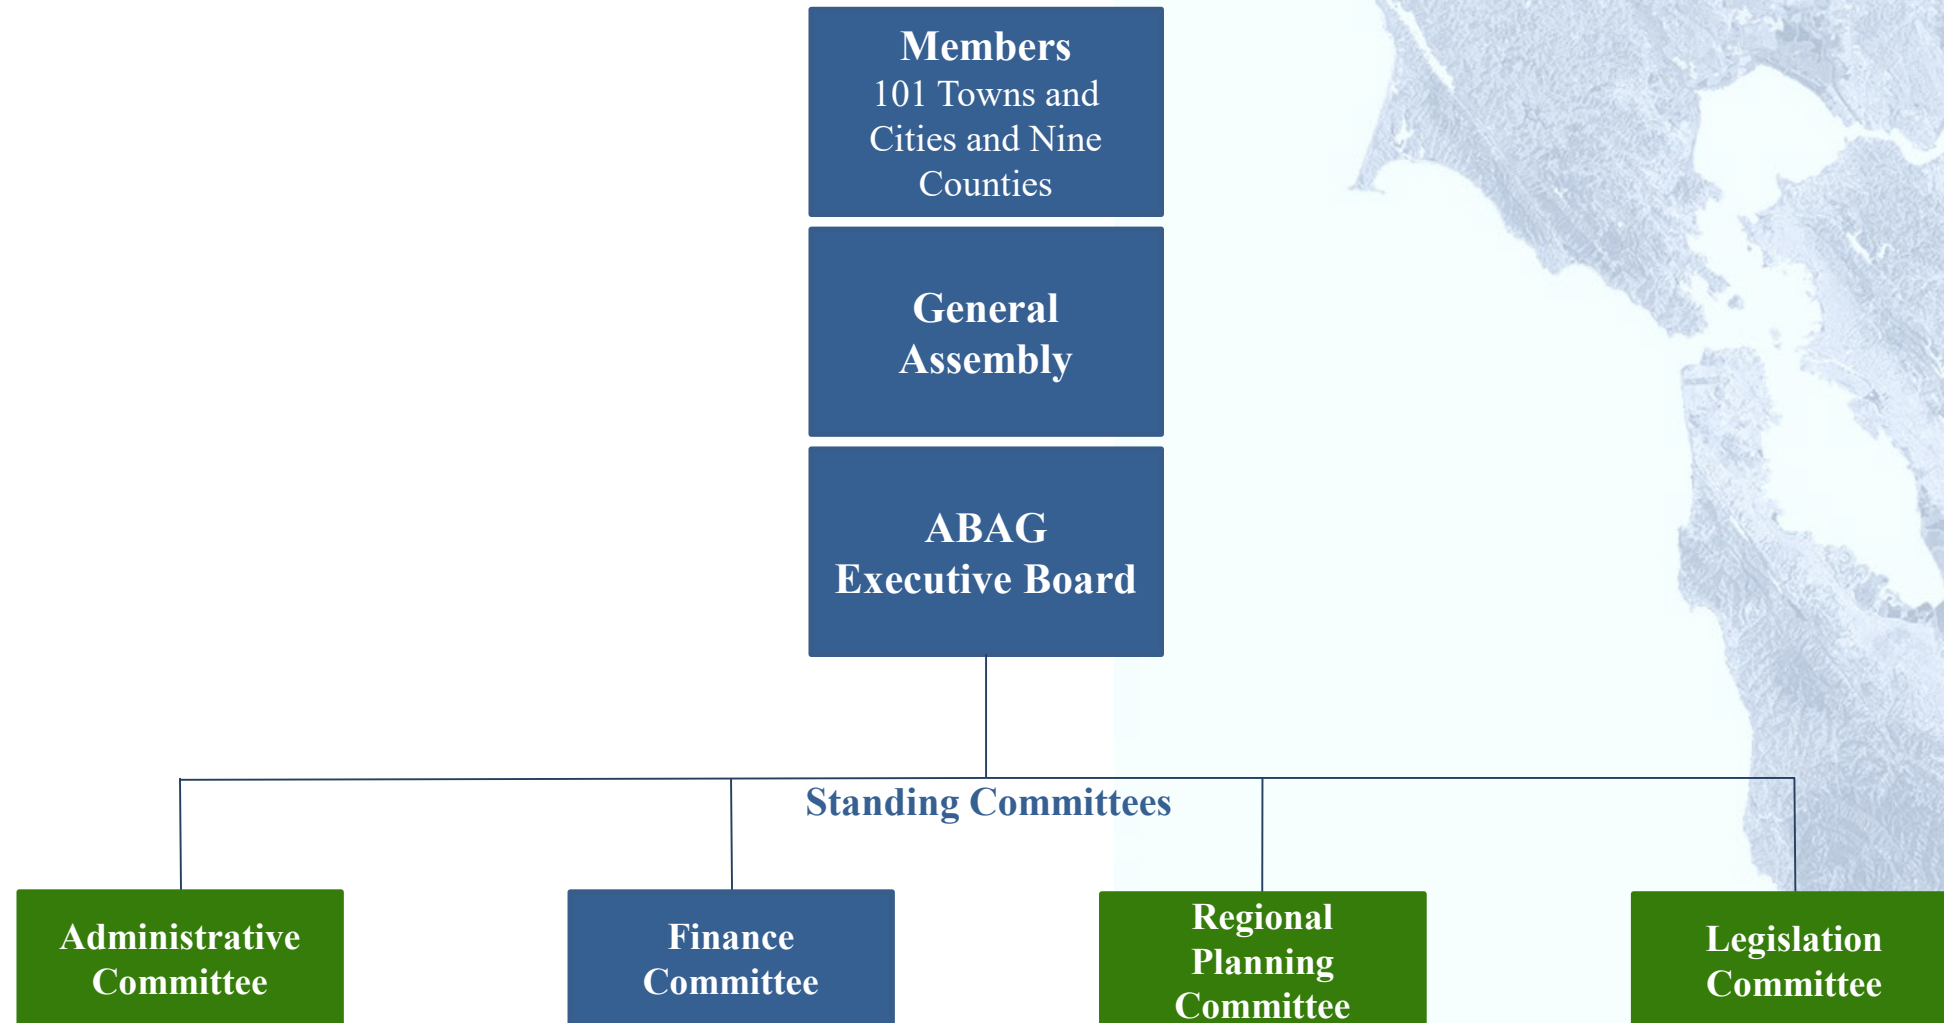

Committee Consolidation Framework: Core Principles

- Existing Standing Committees at MTC and ABAG are building blocks for integrated decision making
- Not all Standing Committees would be tapped; only those with oversight and interest in shared agendas (flagged as green in following charts)
- “Alternative framework combinations” that follow suggest “building block” committees, and potential modifications for consideration

MTC Standing Committees

ABAG Governance and Standing Committees

NEXT STEPS: Committee Consolidation Framework

Premise: Combining similar ABAG and MTC committees could help us better address *shared* decision making in areas of *shared* interest, including:

- **Legislation** focused on transportation, housing, land use and resilience
 - **Planning work** involving PBA, housing, transportation, resilience
 - **Housing** programs/funding (AB 1487) to help alleviate regional housing crisis
 - **Citizen Input** on PBA Blueprint, RHNA, REAP, BAHFA, etc.
- ❖ Objective: Structure a set of consolidated committees to help our agencies and staff provide more effective, efficient regional leadership on these issues.

Example of Committee Consolidation #1

LEGISLATION: Currently operates as separate MTC and ABAG Legislative committees meeting jointly

Areas of Shared Interest:

- Transportation
- Land use
- Housing
- Environment/Climate/Resilience

Alternative Framework Combination

- Current MTC Legislation Committee
- ABAG Legislation Committee with modifications
 - Better represent breadth of interests and geographies on Exec Board

Example of Committee Consolidation #2:

PLANNING: Currently operates as MTC Planning and ABAG Administrative Committees meeting jointly

Areas of Shared Interest

- PBA 2050: Regional planning for transportation, housing, resilience, etc.
- Work supporting local jurisdiction's housing elements (e.g. RHNA, REAP)
- Implementation of AB1487 (*NEW as of Jan. 2020*: noting legislated decision-making roles between ABAG and MTC)
- Environmental issues/climate change/resilience

Alternative Framework Combination

- MTC Planning Committee
- ABAG Administrative Committee's *planning function* with modifications
 - Adjust county and city balance to capture range of local experience with Planning and Housing issues/programs

Assess how to integrate the funding/finance function of Bay Area Housing Finance Authority (assigned to MTC by AB 1487) with housing policy and implementation assigned to consolidated Planning committee

Example of Committee Consolidation #3

STAKEHOLDER ENGAGEMENT: PBA Blueprint, RHNA, REAP, BAHFA

Some Combination of our Existing Committees that Lead Advisory Engagement

- MTC's Policy Advisory Council (non-elected officials)
- ABAG's Regional Planning Committee (non-elected officials and elected officials)

Proposed Framework Combination

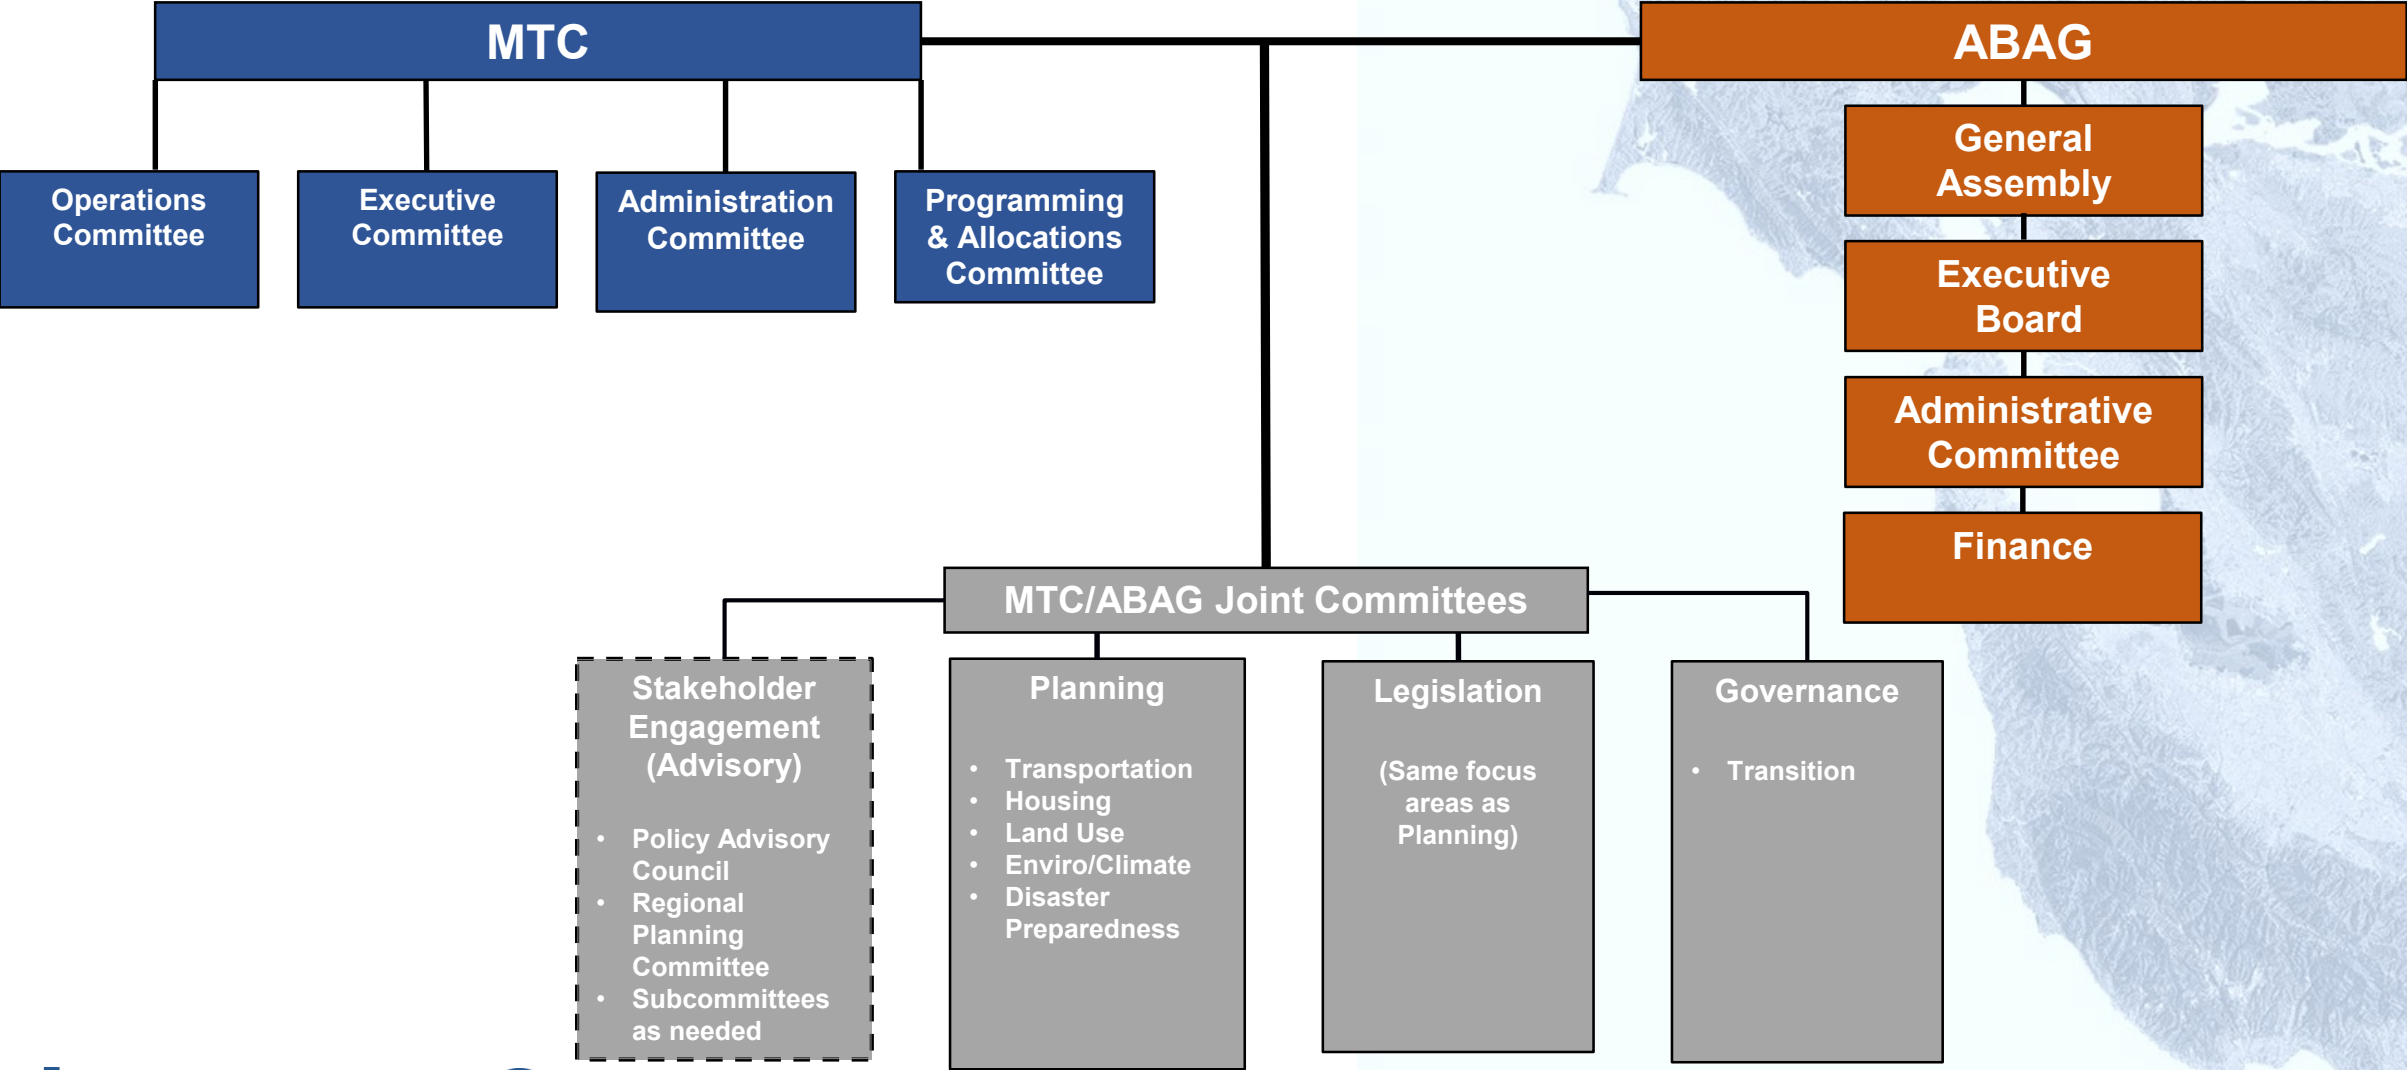

- Decide what sectors should be represented on single Committee (environment, equity, business, senior disabled mobility, youth)
- Appointments equally between MTC and ABAG leadership

Existing Consolidated Committee

GOVERNANCE ISSUES

- MTC and ABAG have already created a unified Governance Committee made up of members both governing boards
- Consider retaining to oversee transition to consolidated committee structure, and periodic review

Consolidated Committee Framework: View from the Top

Benefits of Adopting Consolidated Committees

A system of combined committees could help further discussion between our two agencies on how best to structure our relationship based on the shared interests discussed above, one that could help address...

- How best to carry out the shared work in our two work plans (e.g. PBA 2050, housing/BAHFA, resilience/climate change);
- How irrespective of color of money and the amount—the two governing boards can be jointly accountable for implementing this shared work plan—with a clear understanding of the available resources— and the opportunities and limits of such;
- How the two boards can navigate appropriate Discussions versus Decisions within this shared work plan — restructured combined committee meetings may aid in that effort.

April 10th ABAG/MTC Governance Committee Action

- **Committee voted unanimously to recommend proposal to ABAG and MTC governing boards with several modifications including:**
 - Retain MTC ABAG Governance Committee to oversee this transition to a consolidated committee structure and provide for periodic review
 - Explore ways BARC can contribute to Planning Committee's work, possibly by referring topics to BARC for review and recommendations back to Committee.
 - Establish periodic reevaluation
 - Present concept to PAC and RPC and report back their response before ABAG or MTC take any final action on proposal to consolidate Advisory Committees

April 22nd MTC Commission Meeting

April 23rd ABAG Exec Board Meeting

- **Both boards voted unanimously to endorse the concept (Phase 1) and asked staff to come back with a detailed analysis and questions that will have to be addressed prior to implementation (Phase 2) including:**
 - A report on the Administrative, Procedural, Legal and Representation issues that would need to be addressed before committees could be consolidated
 - A set of factors that would inform the structure and membership of committees
 - A report on feedback received from MTC's Policy Advisory Committee (PAC) and ABAG's Regional Planning Committee (RPC)

NEXT STEPS: Implementation

Factors to Consider in Implementing Committee Consolidation Concept

- Membership of each consolidated committee must sufficiently represent the breadth of interests, geographies and jurisdictions of the Bay Area.
- Enough MTC and ABAG board members should be assigned to each committee to ensure a balance of views from each board, while maintaining a total number conducive to effective decision making.
- Existing representation structures underlying MTC Commission and ABAG Executive Board remain the same; consolidated committees must strike a balance between each, e.g. how are counties and cities represented within any single committee.
- Procedures will need to address consideration of issues unique to either MTC or ABAG that may fall within consolidated committee jurisdiction
