Agenda Item 6.c.

San Francisco Bay Trail Project

Subject: Adoption of Resolution No. 14-2020 Authorization to receive \$731,706 in bridge toll funds from the Metropolitan Transportation Commission (MTC) to support the San Francisco Bay Trail Project in Fiscal Year 2020/2021

Background: On June 22, 2011, MTC adopted revised programming and allocation policies for the Two Percent Bridge Toll Reserve Funds and Five Percent Unrestricted State Funds. These funds are allocated to projects which are designed to reduce vehicular traffic congestion – such as the San Francisco Bay Trail, a visionary plan for a shared-use bicycle and pedestrian path that will one day allow 500 miles of continuous travel around San Francisco Bay. MTC Resolution No. 4015 establishes annual program management and capital support for the San Francisco Bay Trail Project by identifying Bridge Toll funds for this purpose.

Bridge Toll Funds provide a stable annual funding source for program management and capital support to complete the remaining 145 miles of planned Bay Trail. MTC has been providing program operations support since 1989.

Issues: None

Recommended Action: The Executive Board is requested to adopt Resolution No. 14-2020 authorizing the Executive Director of the Metropolitan Transportation Commission, or her designee, on behalf of the Association of Bay Area Governments and the San Francisco Bay Trail, to receive Fiscal Year 2020/2021 Two Percent Bridge Toll Reserve Funds and Five Percent Unrestricted State Funds in the amount of \$731,706 for program and capital support of the San Francisco Bay Trail Project.
