Agenda Item 7.e.

AB 1487 Implementation

Subject: Direction on Future Regional Housing Work Plan

Discussion of Bay Area Regional Housing Portfolio and Range of Activities for Potential Future Regional Housing Work Plan.

Preliminary overview of options and strategies for Bay Area regional agencies to expand their existing housing portfolio and seek new funding to support tenant protections, preservation of existing housing, and production of new affordable housing.

Background: On May 18, 2020, the ABAG Administrative Committee met jointly with the MTC Executive Committee and received a report on a potential future regional housing work plan.

The ABAG Administrative Committee and the MTC Executive Committee's recommendations will be forwarded to the ABAG Executive Board and MTC Commission, respectively.

Issues: None

Recommended Action: The Executive Board is requested to consider whether to direct staff to develop an expanded future regional housing work plan based on the recommendation from the ABAG Administrative Committee.
