Agenda Item 2c - 20-0615

MTC Resolution No. 4202, Revised

Subject: Revisions to the One Bay Area Grant 2 Program (OBAG 2), to reflect changes in the Freeway Performance Program and Priority Conservation Area Grant program.

Background: The OBAG 2 program adopted by the Commission establishes commitments and policies for investing Surface Transportation Block Grant Program (STP) and Congestion Mitigation and Air Quality Improvement (CMAQ) funds for regional and county programs from FY2017-18 through FY2021-22.

This month, staff recommends the following changes to regional programs.

Freeway Performance Program

- **I-80 (Contra Costa, Alameda, and San Francisco Counties):** Within the Freeway Performance Program, expand the limits of the planning-only project on I-80 to extend from the Carquinez Bridge in Contra Costa County to Fremont Street in San Francisco. Previously, the scope was limited to Contra Costa and Alameda Counties, with the Alameda County terminus at the San Francisco Oakland Bay Bridge (SFOBB) Toll Plaza.

This planning-only project will identify a range of innovative near- to mid-term operational improvement and demand management strategies to address traffic flow and circulation.

Priority Conservation Area (PCA) Grant Program

- **Regional PCA Grant Program:** Change the sponsor for the Pillar Point Public Access Improvements project from Half Moon Bay to the San Mateo County Harbor District, as requested by project awardee. This change will not affect the proposed scope for the project.
- **North Bay PCA Grant Program:** As requested by the Transportation Authority of Marin (TAM), redirect \$104,000 in the North Bay PCA Grant program from Novato's Carmel Open Space Acquisition project to Novato's Hill Recreation Area Improvements project, as the former project has been cancelled by Novato.

Due to federal funding limitations, both projects were proposed to be funded by Novato through internal fund exchanges, wherein Novato would direct the federal PCA grant onto local streets and roads rehabilitation or improvement projects and commit to direct an equal amount of non-federal funds to complete the two PCA grant projects. As the city is no longer pursuing the Carmel Open Space Acquisition, Novato has requested to shift their commitment of \$104,000 in non-federal funds to their Hill Recreation Area Improvements project.

Issues: None.

Recommendation: Refer MTC Resolution No. 4202, Revised to the Commission for approval.
