

ABAG Publicly Owned Energy Resources (ABAG POWER)

Executive Committee

June 17, 2020

Agenda Item 5.b.

Report on Natural Gas Program

Subject: Historical and Anticipated Gas Purchase Requirements

Background: In April 2018, the ABAG POWER Executive Committee modified the general gas purchasing strategy to move exclusively into the short-term, index-based market beginning July 1, 2018.

Gas purchases are currently made on monthly and daily indices at three market locations. Fixed-price purchases are made only by exception and with Committee approval.

Issues: None.

Recommended Action: None.
